Papertoy Monsters Brian Castleforte, 2010-12-29 A breakthrough paper-folding book for kids—paper airplanes meet Origami meets Pokemon. Papertoys, the Internet phenomenon that's hot among graphic designers and illustrators around the world, now comes to kids in the coolest new book. Created and curated by Brian Castleforte, a graphic designer and papertoy pioneer who rounded up 25 of the hottest papertoy designers from around the world (Indonesia, Japan, Australia, Italy, Croatia, Chile, even Jackson, Tennessee), Papertoy Monsters offers 50 fiendishly original die-cut designs that are ready to pop out, fold, and glue. The book interleaves card stock with paper stock for a unique craft package; the graphics are colorful and hip, combining the edginess of anime with the goofy fun of Uglydolls and other collectibles. Plus each character comes with its own back-story. And the results are delicious: meet Pharaoh Thoth Amon, who once ruled Egypt but is now a mummy who practices dark magic in his sarcophagus. Or Zumbie the Zombie, who loves nothing more than a nice plate of brains and yams. NotSoScary, a little monster so useless at frightening people that he has to wear a scary mask. Yucky Chuck, the lunchbox creature born in the deepest depths of your school bag. Plus Zeke, the monster under your bed, Nom Nom, eater of cities, and Grumpy Gramps, the hairy grandpa monster with his very own moustache collection.

I Know Why the Caged Bird Sings Maya Angelou, 2010-07-21 Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-

sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

The Headless Cupid Zilpha Keatley Snyder, 2012-10-23 When the four Stanley children meet Amanda, their new stepsister, they're amazed to learn that she studies witchcraft. They're stunned to see her dressed in a strange costume, carrying a pet crow and surrounded by a pile of books about the supernatural. It's not long before Amanda promises to give witchcraft lessons to David, Jamie, and the twins. But that's when strange things start happening in their old house. David suspects Amanda of causing mischief, until they learn that the house really was haunted long ago. Legend has it that a ghost cut the head off of a wooden cupid on the stairway. Has the ghost returned to strike again?

When Santa Was a Baby Linda Bailey, 2015-10-13 A sweet, tongue-in-cheek look at Santa's formative years as a jolly, one-of-a-kind kid, sure to become a new Christmas classic. Santa's parents think their little one is absolutely wonderful, even though he has a booming voice instead of a

baby's gurgle, loves to stand in front of the refrigerator, gives his birthday presents away, trains his hamsters to pull a matchbox sleigh ... and has an unusual interest in chimneys. The adorably funny portrait of an oddball kid who fulfills his destiny - and two very proud parents.

Vintage Valentines Carol Belanger Grafton, 2011 Drawn from authentic valentines, postcards, and die-cuts of the early 20th century, this selection of more than 230 romantic greetings features Victorian-influenced images of children, cherubs, cupids, bouquets, and adorable animals.

Born a Crime Trevor Noah, 2016-11-15 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living

openly and freely and embracing the opportunities won by a centuries-long struggle. *Born a Crime* is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

The Man Who Mistook His Wife for a Hat Oliver Sacks, 2021-09-14 In his most extraordinary book, the bestselling author of *Awakenings* and poet laureate of medicine" (The New York Times) recounts the case histories of patients inhabiting the compelling world of neurological disorders, from those who are no longer able to recognize common objects to those who gain extraordinary new skills. Featuring a new preface, Oliver Sacks's *The Man Who Mistook His Wife for a Hat* tells the stories of individuals afflicted with perceptual and intellectual disorders: patients who have lost their memories and with them the greater part of

their pasts; who are no longer able to recognize people and common objects; whose limbs seem alien to them; who lack some skills yet are gifted with uncanny artistic or mathematical talents. In Dr. Sacks's splendid and sympathetic telling, his patients are deeply human and his tales are studies of struggles against incredible adversity. A great healer, Sacks never loses sight of medicine's ultimate responsibility: "the suffering, afflicted, fighting human subject."

Gadsby Ernest Vincent Wright, 2014-12-11 Example in this ebook The entire manuscript of this story was written with the E type-bar of the typewriter tied down; thus making it impossible for that letter to be printed. This was done so that none of that vowel might slip in, accidentally; and many did try to do so! There is a great deal of information as to what Youth can do, if given a chance; and, though it starts out in somewhat of an impersonal vein, there is plenty of thrill, rollicking comedy, love, courtship, marriage, patriotism, sudden tragedy, a determined stand against liquor, and some amusing political aspirations in a small growing town. In writing such a story,—purposely avoiding all words containing the vowel E, there are a great many difficulties. The greatest of these is met in the past tense of verbs, almost all of which end with -ed. Therefore substitutes must be found; and they are very few. This will cause, at times, a somewhat monotonous use of such words as said; for neither replied, answered nor asked can be used. Another difficulty comes with the elimination of the common couplet of course, and its very common connective, consequently; which will, unavoidably cause bumpy spots. The numerals also cause plenty of trouble, for none between six and thirty are available. When introducing young ladies into the story, this is a real barrier; for what young woman wants to have it known that she is over

thirty? And this restriction on numbers, of course taboos all mention of dates. Many abbreviations also must be avoided; the most common of all, Mr. and Mrs. being particularly troublesome; for those words, if read aloud, plainly indicate the E in their orthography. As the vowel E is used more than five times oftener than any other letter, this story was written, not through any attempt to attain literary merit, but due to a somewhat balky nature, caused by hearing it so constantly claimed that it can't be done; for you cannot say anything at all without using E, and make smooth continuity, with perfectly grammatical construction—so 'twas said. Many may think that I simply drop the E's, filling the gaps with apostrophes. A perusal of the book will show that this is not so. All words used are complete; are correctly spelled and properly used. This has been accomplished through the use of synonyms; and, by so twisting a sentence around as to avoid ambiguity. The book may prove a valuable aid to school children in English composition. People, as a rule, will not stop to realize what a task such an attempt actually is. As I wrote along, in long-hand at first, a whole army of little E's gathered around my desk, all eagerly expecting to be called upon. But gradually as they saw me writing on and on, without even noticing them, they grew uneasy; and, with excited whisperings amongst themselves, began hopping up and riding on my pen, looking down constantly for a chance to drop off into some word; for all the world like sea-birds perched, watching for a passing fish! But when they saw that I had covered 138 pages of typewriter size paper, they slid off onto the floor, walking sadly away, arm in arm; but shouting back: You certainly must have a hodge-podge of a yarn there without Us! Why, man! We are in every story ever written, hundreds of thousands of times! This is the first time we ever were shut out! Pronouns also caused

trouble; for such words as he, she, they, them, theirs, her, herself, myself, himself, yourself, etc., could not be utilized. But a particularly annoying obstacle comes when, almost through a long paragraph you can find no words with which to continue that line of thought; hence, as in *Solitaire*, you are stuck, and must go way back and start another; which, of course, must perfectly fit the preceding context. To be continue in this ebook

Six Memos for the Next Millennium Italo Calvino, 2013-04-04 Italo Calvino was due to deliver the Charles Eliot Norton lectures at Harvard in 1985-86, but they were left unfinished at his death. The surviving drafts explore of the concepts of Lightness, Quickness, Multiplicity, Exactitude and Visibility (Constancy was to be the sixth) in serious yet playful essays that reveal Calvino's debt to the comic strip and the folktale. With his customary imagination and grace, he sought to define the virtues of the great literature of the past in order to shape the values of the future. This collection is a brilliant précis of the work of a great writer whose legacy will endure through the millennium he addressed. Italo Calvino, one of Italy's finest postwar writers, has delighted readers around the world with his deceptively simple, fable-like stories. Calvino was born in Cuba in 1923 and raised in San Remo, Italy; he fought for the Italian Resistance from 1943-45. His major works include *Cosmicomics* (1968), *Invisible Cities* (1972), and *If on a winter's night a traveler* (1979). He died in Siena in 1985, of a brain hemorrhage.

Deadline Chris Crutcher, 2009-04-21 Ben Wolf has
big things planned for his senior year. Had big
things planned. Now what he has is some very bad
news and only one year left to make his mark on
the world. How can a pint-sized, smart-ass
seventeen-year-old do anything significant in the
nowheresville of Trout, Idaho? First, Ben makes
sure that no one else knows what is going on—not
his superstar quarterback brother, Cody, not his
parents, not his coach, no one. Next, he decides
to become the best 127-pound football player Trout
High has ever seen; to give his close-minded
civics teacher a daily migraine; and to help the
local drunk clean up his act. And then there's
Dallas Suzuki. Amazingly perfect, fascinating
Dallas Suzuki, who may or may not give Ben the

Living with a secret isn't easy, though, and Ben's
resolve begins to crumble . . . especially when he
realizes that he isn't the only person in Trout

The Red Book Deborah Copaken Kogan, 2012-04-03
The Big Chill meets The Group in Deborah Copaken Kogan's wry, lively, and irresistible new novel about a once-close circle of friends at their twentieth college reunion. Clover, Addison, Mia, and Jane were roommates at Harvard until their graduation in 1989. Clover, homeschooled on a commune by mixed-race parents, felt woefully out of place. Addison yearned to shed the burden of her Mayflower heritage. Mia mined the depths of her suburban ennui to enact brilliant performances on the Harvard stage. Jane, an adopted Vietnamese war orphan, made sense of her fractured world through words. Twenty years later, their lives are in free fall. Clover, once a securities broker with Lehman, is out of a job and struggling to reproduce before her fertility window slams shut. Addison's marriage to a writer's-blocked novelist is as stale as her so-called career as a painter. Hollywood shut its gold-plated gates to Mia, who now stays home with her four children, renovating and acquiring faster than her director husband can pay the bills. Jane, the Paris bureau chief for a

newspaper whose foreign bureaus are now shuttered, is caught in a vortex of loss. Like all Harvard grads, they've kept abreast of one another via the red book, a class report published every five years, containing brief autobiographical essays by fellow alumni. But there's the story we tell the world, and then there's the real story, as these former classmates will learn during their twentieth reunion weekend, when they arrive with their families, their histories, their dashed dreams, and their secret yearnings to a relationship-changing, score-settling, unforgettable weekend.
