*Paint by Sticker* Workman Publishing,2016-04-05 Introducing a compelling new activity for crafters and artists, doodlers and coloring book enthusiasts of all ages. Paint by Sticker includes everything you need to create twelve vibrant, full-color "paintings." The images—including sunflowers, a fox, a hummingbird in mid-flight, two boats on the water—are rendered in "low-poly," a computer graphics style that creates a 3-D effect. As in paint-by-number, each template is divided into dozens of spaces, each with a number that corresponds to a particular colored sticker. Find the sticker, peel it, and place it in the right space. Add the next, and the next, and the next—it's an activity that's utterly absorbing as you watch a "painting" emerge from a flat black-and-white illustration to a dazzling image with color, body, spirit. The pages are perforated for easy removal, making it simple to frame the completed images.

**Twelve Years a Slave** Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

**Cats in Origami** Nick Robinson, 2019-04-17 In the origami world, cats were traditionally under-represented, and the few existing models were rather flat and lifeless. This book for origamists of all skill levels offers 20 original designs that range from a grinning Cheshire cat and a snoozing feline to a walking cat, a seated cat, a Halloween cat, and the smug cat that got the cream, as well as cats on an envelope, a bookmark, a greeting card, and other figures. Along with step-by-step directions and diagrams, each model features a full-color image of the finished cat. Projects are rated according to difficulty, and a brief introductory chapter explains folding techniques and suggestions for how to choose the most appropriate origami paper.
