Scandinavian Christmas Cut-N-Make Book Anneke Lipsanen,2017-11-24 The Anni Arts Scandinavian Christmas printable crafts are now available in a Cut-n-Make Book. Easy, pre-printed paper crafts in full colour are ready to cut, glue and make. No need to print! Folksy Scandinavian Holiday clip art for handmade cards, paper crafts, delightful little gifts and decor for 'Jul' celebrations have the traditional look of Scandi folk art. The original watercolour illustrations for these crafts were done in the style of painted Scandinavian folk toy horses. The look was extended to items and craft elements not usually associated with this style: an elk, reindeer, julbock, Christmas tree and braids. The crafts have instructions on the printed pages themselves, and there is a section with general instructions and tips too. However, the crafts are so easy that non-English crafters will also be able to make them without the need for the instructions. Only the most basic craft equipment is needed: scissors, glue, a paper scorer and hole punch are sufficient. The crafts are beautifully designed to form a coordinated series and small elements can be applied in a mix and match manner. The Scandinavian Christmas designs are also available as digi downloads, are on craft CDs or USBs, as well as on fun holiday products. God Jul!

Paper Made! Kayte Terry,2012-05-09 Announcing the biggest, best, most innovative book ever on paper craft. Even better, this is not about how to use costly, artsy paper, but how to turn stuff around the house—magazines and shopping bags, candy wrappers and paint sample cards, wrapping paper, old maps, and paper towel tubes—into stunning jewelry, gifts, home decor, party favors, and much more. Chances are you've seen the author's cutting-edge work in the windows of Anthropologie, where she is the chain's merchandising manager. An inveterate crafter who creates projects and styles photo shoots for magazines like *Parents* and *Vogue Knitting*, Kayte Terry takes the most versatile of materials and the most basic of crafts (remember snipping valentines out of construction paper?), and creates something completely transformative. Turn a sheaf of any white or graph paper into an amazing Scrap Happy Globe Lantern for the dining room. Fashion colored tissue paper into Songbird Votives, leftover raffle tickets into a Prizewinning Bowl, that out-dated pile of holiday catalogs into a picture frame. There's a necklace made of playing cards, a gum wrapper bracelet, and barrettes made by quilling—a paper technique that goes back to the Renaissance. Every project is photographed in full color, and includes step-by-step illustrations and instructions. Truly a book that shows how to think outside the (cardboard) box.
