Ruth Galloway

**How to Draw Cute Beasts** Angela Nguyen,2023-11-21 Learn to draw the cutest, most fantastical creatures, some from myth, some straight from Angela Nguyen's own imagination . . . all of them adorable! A sweet water dragon. A ghost whale. And an irresistible elephant with wings! This fourth book in the Draw Cute series is packed with fantastic creatures from a range of cultures, from giant puffballs to a flying lion. In the hands of author-teacher Angela Nguyen, all the instructions are easy to follow, and even a three-headed dog or a crocodile will have children cooing. Young readers will learn what kawaii is all about, and how to create cute mythical animals in this endearing style.

**Sewing School** ® Andria Lisle,Amie Petronis Plumley,2015-08-28 Kids can sew too! This inspiring guide includes 21 fun sewing projects for children ages 5 and up. With easy-to-follow illustrated instructions and cut-out patterns, young crafters will quickly be sewing up colorful pillows, potholders, dolls, blankets, and more. These kid-tested projects require only minimal supervision and most can be made using simple hand stitches, so no sewing machine is required. With plenty of encouragement and helpful tips, Sewing School ® helps young sewers develop their skills while sparking a passion that will last a lifetime. Also available in this series: Sewing School ® 2,Sewing School ® Fashion Design, Sewing School ® Quilts, and Sewing School ® Box Set.

**Other Minds: The Octopus and the Evolution of Intelligent Life** Peter Godfrey-Smith,2017-03-09 BBC R4 Book of the Week 'Brilliant' Guardian 'Fascinating and often delightful' The Times What if intelligent life on Earth evolved not once, but twice? The octopus is the closest we will come to meeting an intelligent alien. What can we learn from the encounter?

*The Soul of an Octopus* Sy Montgomery,2016-07-12 Finalist for the National Book Award for Nonfiction \* New York Times Bestseller \* Starred Booklist and Library Journal Editors' Spring Pick \* A Huffington Post Notable Nonfiction Book of the Year \* One of the Best Books of the Month on Goodreads \* Library Journal Best Sci-Tech Book of the Year \* An American Library Association Notable Book of the Year "Sy Montgomery's *The Soul of an Octopus* does for the creature what Helen Macdonald's *H Is for Hawk* did for raptors." —New Statesman, UK "One of the best science books of the year." —Science Friday, NPR Another New York Times bestseller from the author of *The Good Good Pig*, this "fascinating...touching...informative...entertaining" (The Daily Beast) book explores the emotional and physical world of the octopus—a surprisingly complex, intelligent, and spirited creature—and the remarkable connections it makes with humans. In pursuit of the wild, solitary, predatory octopus, popular naturalist Sy Montgomery has practiced true immersion journalism. From New England aquarium tanks to the reefs of French Polynesia and the Gulf of Mexico, she has befriended octopuses with strikingly different personalities—gentle Athena, assertive Octavia, curious Kali, and joyful Karma. Each creature shows her cleverness in myriad ways: escaping enclosures like an orangutan; jetting water to bounce balls; and endlessly tricking companions with multiple "sleights of hand" to get food. Scientists have only recently accepted the intelligence of dogs, birds, and chimpanzees but now are watching octopuses solve problems and are trying to decipher the meaning of the animal's color-changing techniques. With her "joyful passion for these intelligent and fascinating creatures" (Library Journal Editors' Spring Pick), Montgomery chronicles the growing appreciation of this mollusk as she tells a unique love story. By turns funny, entertaining, touching, and profound, *The Soul of an Octopus* reveals what octopuses can teach us about the meeting of two very different minds.

**The World Book Encyclopedia** ,2002 An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

**My Color Is Rainbow** Agnes Hsu,2016-12-20 Follow Little White Arch on his journey as he wonders what his color could be. Along the way he meets many colorful characters who help him realize the answer. A playful story about kindness, acceptance, and openness that celebrates how we are not defined by one, but many wonderful characteristics.

**Proofreading, Revising & Editing Skills Success in 20 Minutes a Day** Brady Smith,2003 This comprehensive guide will prepare candidates for the test in all 50 states. It includes four complete practice exams, a real estate refresher course and complete math review, as well as a real estate terms glossary with over 900 terms, and expert test-prep tips.

**Scandinavian Stitches** Kajsa Wikman,2011-01-01 Celebrate the seasons with these 21 whimsical projects including quilts, ornaments, softies and more—all with a modern take on Scandinavian folk art. Textile artist Kajsa Wikman finds endless inspiration in the constantly changing natural environment. The first flowers of spring, the smell of the sea, the warm colors of the maple leaves—all of these find their way into Kajsa's creations. Now she shares 21 craft projects that celebrate the changes of season in her native Finland. *Scandinavian Stitches*, features cozy winter blankets, springtime Easter ornaments, charming summer pillows, and autumnal wallhangings, as well as gorgeous quilts for every season. Kajsa also includes a chapter of special Yuletide projects, including ornaments and Fairy Angel Dolls.

**The Benefits of Being an Octopus** Ann Braden,2018-09-18 An NPR Best Book of 2018! Some people can do their homework. Some people get to have crushes on boys. Some people have other things they've got to do. Seventh-grader Zoey has her hands full as she takes care of her much younger siblings after school every day while her mom works her shift at the pizza parlor. Not that her mom seems to appreciate it. At least there's Lenny, her mom's boyfriend—they all get to live in his nice, clean trailer. At school, Zoey tries to stay under the radar. Her only friend Fuchsia has her own issues, and since they're in an entirely different world than the rich kids, it's best if no one notices them. Zoey thinks how much easier everything would be if she were an octopus: eight arms to do eight things at once. Incredible camouflage ability and steady, unblinking vision. Powerful protective defenses. Unfortunately, she's not totally invisible, and one of her teachers forces her to join the debate club. Even though Zoey resists participating, debate ultimately leads her to see things in a new way: her mom's relationship with Lenny, Fuchsia's situation, and her own place in this town of people who think they're better than her. Can Zoey find the courage to speak up, even if it means risking the most stable home she's ever had? This moving debut novel explores the cultural divides around class and the gun debate through the eyes of one girl, living on the edges of society, trying to find her way forward.

**The Wednesday Wars** Gary D. Schmidt,2007 During the 1967 school year, on Wednesday afternoons when all his classmates go to either Catechism or Hebrew school, seventh-grader Holling Hoodhood stays in Mrs. Baker's classroom where they read the plays of William Shakespeare and Holling learns much of value about the world he lives in.

**AntiCraft** Renee Rigdon,Zabet Stewart,2007-11-30 Knitting, beading and stitching projects to make - or not. Whatever.  
& break;& break; If you would describe your favorite crafts as supercute - no, let us rephrase: If the idea of handcrafting the most nauseatingly adorable plush bunny you've ever seen sets your heart atwitter - feel free to stop reading. We'll understand. Really.  
& break;& break; If you're still reading, you may be cynical and fed up with syrupy crafts as we are. (Huzzah!) For you and your likeminded AntiCraftspeople, we have hand-selected twenty-five projects from the most talented crafters you'll never find in the mainstream (whatever that even means). Behold: & break;& break; Creations your goody-goody little sister will roll her eyes at, including snake-motif thigh-highs and a duct-tape corset.& break;& break; Tips and sidebars to celebrate (with as much enthusiasm as any of us can muster) your delightfully dark nature, including suggested mood-enhancers (soundtracks, movies, etc.) for making each and every item.& break;& break; Basic techniques for knitting, crochet and jewelry-making virgins - complete with step-by-step photos to save you from the embarrassment of asking that annoyingly perky coworker for help. & break;& break; Join us in the AntiCraft movement - where self-expression, no matter how socially unacceptable, is given a scalpel and room to operate.

**Lily and the Octopus** Steven Rowley,2016-06-07 Combining the emotional depth of *The Art of Racing in the Rain* with the magical spirit of *The Life of Pi*, *Lily and the Octopus* is an epic adventure of the heart. When you sit down with *Lily and the Octopus*, you will be

taken on an unforgettable ride. The magic of this novel is in the read, and we don't want to spoil it by giving away too many details. We can tell you that this is a story about that special someone: the one you trust, the one you can't live without. For Ted Flask, that someone special is his aging companion Lily, who happens to be a dog. Lily and the Octopus reminds us how it feels to love fiercely, how difficult it can be to let go, and how the fight for those we love is the greatest fight of all. Remember the last book you told someone they had to read? Lily and the Octopus is the next one.

**Blindsight** Peter Watts, 2006-10-03 Hugo and Shirley Jackson award-winning Peter Watts stands on the cutting edge of hard SF with his acclaimed novel, *Blindsight* Two months since the stars fell... Two months of silence, while a world held its breath. Now some half-derelict space probe, sparking fitfully past Neptune's orbit, hears a whisper from the edge of the solar system: a faint signal sweeping the cosmos like a lighthouse beam. Whatever's out there isn't talking to us. It's talking to some distant star, perhaps. Or perhaps to something closer, something en route. So who do you send to force introductions with unknown and unknowable alien intellect that doesn't wish to be met? You send a linguist with multiple personalities, her brain surgically partitioned into separate, sentient processing cores. You send a biologist so radically interfaced with machinery that he sees x-rays and tastes ultrasound. You send a pacifist warrior in the faint hope she won't be needed. You send a monster to command them all, an extinct hominid predator once called vampire, recalled from the grave with the voodoo of recombinant genetics and the blood of sociopaths. And you send a synthesist—an informational topologist with half his mind gone—as an interface between here and there. Pray they can be trusted with the fate of a world. They may be more alien than the thing they've been sent to find. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Backpacker** , 2007-09 Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

*The Uninhabitable Earth* David Wallace-Wells, 2019-02-19 #1 NEW YORK TIMES BESTSELLER • “The Uninhabitable Earth hits you like a comet, with an overflow of insanely lyrical prose about our pending Armageddon.”—Andrew Solomon, author of *The Noonday Demon* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New Yorker • The New York Times Book Review • Time • NPR • The Economist • The Paris Review • Toronto Star • GQ • The Times Literary Supplement • The New York Public Library • Kirkus Reviews It is worse, much worse, than you think. If your anxiety about global warming is dominated by fears of sea-level rise, you are barely scratching the surface of what terrors are possible—food shortages, refugee emergencies, climate wars and economic devastation. An “epoch-defining book” (The Guardian) and “this generation’s Silent Spring” (The Washington Post), *The Uninhabitable Earth* is both a travelogue of the near future and a meditation on how that future will look to those living through it—the ways that warming promises to transform global politics, the meaning of technology and nature in the modern world, the sustainability of capitalism and the trajectory of human progress. *The Uninhabitable Earth* is also an impassioned call to action. For just as the world was brought to the brink of catastrophe within the span of a lifetime, the responsibility to avoid it now belongs to a single generation—today’s. LONGLISTED FOR THE PEN/E.O. WILSON LITERARY SCIENCE WRITING AWARD “The Uninhabitable Earth is the most terrifying book I have ever read. Its subject is climate change, and its method is scientific, but its mode is Old Testament. The book is a meticulously documented, white-knuckled tour through the cascading catastrophes that will soon engulf our warming planet.”—Farhad Manjoo, The New York Times “Riveting. . . . Some readers will find Mr. Wallace-Wells’s outline of possible futures alarmist. He is indeed alarmed. You should be, too.”—The Economist “Potent and evocative. . . . Wallace-Wells has resolved to offer something other than the standard narrative of climate change. . . . He avoids the ‘eerily banal language of climatology’ in favor of lush, rolling prose.”—Jennifer Szalai, The New York Times “The book has potential to be this generation’s Silent Spring.”—The Washington Post “The Uninhabitable Earth, which has become a best seller, taps into the underlying emotion of the day: fear. . . . I encourage people to read this book.”—Alan Weisman, The New York Review of Books

**Unbroken (Movie Tie-in Edition)** Laura Hillenbrand, 2018-08-21 #1 NEW YORK TIMES BESTSELLER • The incredible true story of survival and salvation that is the basis for two major motion pictures: 2014’s *Unbroken* and the upcoming *Unbroken: Path to Redemption*. On a May afternoon in 1943, an Army Air Forces bomber crashed into the Pacific Ocean and disappeared, leaving only a spray of debris and a slick of oil, gasoline, and blood. Then, on the ocean surface, a face appeared. It was that of a young lieutenant, the plane’s bombardier, who was struggling to a life raft and pulling himself aboard. So began one of the most extraordinary odysseys of the Second World War. The lieutenant’s name was Louis Zamperini. In boyhood, he’d been a cunning and incorrigible delinquent, breaking into houses, brawling, and fleeing his home to ride the rails. As a teenager, he had channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics and within sight of the four-minute mile. But when war had come, the athlete had become an airman, embarking on a journey that led to his doomed flight, a tiny raft, and a drift into the unknown. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, a foundering raft, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. In her long-awaited new book, Laura Hillenbrand writes with the same rich and vivid narrative voice she displayed in *Seabiscuit*. Telling an unforgettable story of a man’s journey into extremity, *Unbroken* is a testament to the resilience of the human mind, body, and spirit. Praise for *Unbroken* “Extraordinarily moving . . . a powerfully drawn survival epic.”—The Wall Street Journal “[A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the blurby adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring.”—New York “Staggering . . . mesmerizing . . . Hillenbrand’s writing is so ferociously cinematic, the events she describes so incredible, you don’t dare take your eyes off the page.”—People “A meticulous, soaring and beautifully written account of an extraordinary life.”—The Washington Post “Ambitious and powerful . . . a startling narrative and an inspirational book.”—The New York Times Book Review “Marvelous . . . *Unbroken* is wonderful twice over, for the tale it tells and for the way it’s told. . . . It manages maximum velocity with no loss of subtlety.”—Newsweek “Moving and, yes, inspirational . . . [Laura] Hillenbrand’s unforgettable book . . . deserve[s] pride of place alongside the best works of literature that chart the complications and the hard-won triumphs of so-called ordinary Americans and their extraordinary time.”—Maureen Corrigan, Fresh Air “Hillenbrand . . . tells [this] story with cool elegance but at a thrilling sprinter’s pace.”—Time “*Unbroken* is too much book to hope for: a hellride of a story in the grip of the one writer who can handle it.”—Christopher McDougall, author of *Born to Run*

**Origami Design Secrets** Robert J. Lang, 2012-09-24 Robert J. Lang, one of the world's foremost origami artists and scientists, presents the never-before-described mathematical and geometric principles that allow anyone to design original origami, something once restricted to an elite few. From the theoretical underpinnings to detailed step-by-step folding sequences, this book takes a modern look at

**Hello Sandwich Japan** Ebony Bizys, 2020-07-21 Discover the very best that Japan has to offer in this comprehensive guide from popular and stylish local blogger Hello Sandwich. Japan may be one of the world's travel hotspots, but to get the most out of your vacation you'll need a local's insider tips. Design-minded blogger and Japanophile Ebony Bizys, aka Hello Sandwich, has been living in Tokyo since 2010 and has uncovered the very best places around this unique country. From bonsai gardens, contemporary galleries,

stunning temples, peaceful ryokan retreats, 'kawaii' gift shops and topnotch coffee spots, to unbeatable izakayas, four-seater sashimi bars and ideal hiking destinations for 'forest bathing', this stunning tome is filled with travel tips galore along with language essentials and colorful images. All of the key destinations are covered including Tokyo, Kyoto, Osaka, Hiroshima, Hakone, Sapporo, Okinawa and Naoshima. Hello Sandwich Japan is for people who value good aesthetics, good food and rich culture, who will enjoy the craziness of Tokyo's neon playground just as much as the peaceful Buddhist getaway of Mount Koya.

**Clumsy Crab** Ruth Galloway,2018-09-01 Nipper doesn't like his huge, clumsy claws. They are no use at all and they just get in the way. Nipper would much rather have tickly arms like Octopus, or tentacles like Sea Jelly, or flippety flippers and fins like Turtle and the fish. But one day, when he is playing with his friends, Nipper finds that his claws are very useful after all!

**Red Ted Art** Margarita Woodley,2013-03-28 Crafting has never been more popular and Maggy Woodley, the creative force behind Red Ted, is passionate about making things with her children, Max, four, and Pippa, two. Using recycled materials and bits and bobs collected when out and about, here are over 60 utterly irresistible things to make with your kids. From adorable peanut shell finger puppets to walnut babies, loo roll marionettes and egg carton fairy lights, fabric mache bowls, stick men and shell crabs, stone people, and many more, these are projects for all the family to have fun with. And what's more, the end results are so cute and desirable that they look great around the home, or make wonderfully unique and personal gifts. With a funky, modern design and vibrant full colour photography throughout, this is a must-have addition to every young family's bookshelf.
