Chris Gibson

Rally Point Chris Gibson, 2017-10-03 A smart and surprising political inventory for how America can reunite and revitalize in a time of crisis. Written by an admired leader of the Republican party, *Rally Point: Five Tasks to Unite the Country and Revitalize the American Dream* looks past the 2016 election, past the finger pointing and conventional political thinking, to focus on clear, primary principles that conservatives must debate and defend to protect the future of America. Raised in a working-class family in upstate New York, the first in his family to go to college, paid for in part by his service in the National Guard, Chris Gibson rose from Private to Colonel in the Army, including combat command in the storied 82nd Airborne Division. *RALLY POINT* is his story: what he's learned from the School of Hard Knocks and how he's applied those precious life lessons during his service in Iraq and in Congress. Drawn from a deep appreciation of history and American exceptionalism, Gibson provides incisive and frank analysis of the current political environment, including President Trump, and provides a roadmap based on time-tested Founding principles to help unite our country and revitalize the American Dream. *RALLY POINT* is a thoughtful, compelling, enjoyable read - a must for serious-minded Americans looking for answers in this challenging political environment.

Golf and Life Major General Anil Sengar, 2022-01-31 "There are two ways to win a golf tournament. The golfing way or the Taliban way, i.e. either shoot

the lowest score or shoot the rest of the field dead. The second is easier, but that is not a choice for you and me. In life, you always have the power to choose which ball to play, and that makes all the difference."Both golf and life must be productive and fun. This book is all about 'How does one do it?'.After four decades on the golf course and six of life, I could describe both as a combination of great, good, bad and ugly. I believe it would be no different for most. I realise, while that won't change too much, they can be fun, no matter what. It's all up to you.When you miss a three-foot putt or misjudge a chip, you tell yourself, "Oh shit, I should have done that rather than this." And, when you play the same shot well the second time, you say, "Any fool can do it the second time."Alas, we get just one chance to live. A lot of people do not get it right and wish they had lived differently. This book shares in a lighter vein, things that would make your golf and life more fun and more purposeful. Golf is not a hole in one place and life is not a sprint; both are full of intangibles. Neither is the fairway a level playing surface nor is life. Yet, some excel more often than others. Of those, some seem to enjoy the grind and some do not. And, that is not about talent alone.This book derives life's lessons from golf. It covers varied aspects covered in five Parts and 19 Holes. It also includes brief, life-changing aspects of self-development and leadership, subjects on which I have written five books that continue to transform lives. While Part IV is on leadership, Part V deals with Kay El's resolution to make a difference in society for the

better, Ekla Chalo re. Paradoxically, this book is both hilarious and serious at the same time. Like the greens, the business end is serious, but the walk through the fairways is fun and energising. It guarantees a chuckle and helps you become a smarter and a happier version of yourself. You have just one life, make sure it is fun, no matter what.

Son of a Gunner Reji Koduvath, 2020-12-30 A gripping story of Captain Joji, a Canadian Army Doctor, searching for his father, Major Shaju, an Indian Army Artillery Officer in Tangdhar, Kashmir. WILL CAPTAIN JOJI SUCCEED IN HIS MISSION A racy tale of honor and pride coupled with the trials and tribulations interwoven with the cultural setting of Kerala's Orthodox Syrian Christian community.
