Solomon Northup

Twelve Years a Slave Solomon Northup, 2024-01-04
Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Japanese Visual Culture Mark W.

MacWilliams, 2014-12-18 Born of Japan's cultural encounter with Western entertainment media, manga (comic books or graphic novels) and anime (animated films) are two of the most universally recognized forms of contemporary mass culture. Because they tell stories through visual imagery, they vault over language barriers. Well suited to electronic transmission and distributed by Japan's globalized culture industry, they have become a powerful force in both the mediascape and the marketplace. This volume brings together an international group of scholars from many specialties to probe the richness and subtleties of these deceptively simple cultural forms. The contributors explore the historical, cultural, sociological, and religious dimensions of manga and anime, and examine specific sub-genres, artists, and stylistics. The book also addresses such topics as spirituality, the use of visual culture by Japanese new religious movements, Japanese Goth, nostalgia and Japanese pop, cute (kawaii) subculture and comics for girls, and more. With illustrations throughout, it is a rich source for all scholars and fans of manga and anime as well as students of contemporary mass culture or Japanese culture and civilization.

Tying the Knot with an Amagami Sister 1 Marcey Naito, 2022-02-01 Uryu Kamihate has had a rough start to life, but plans to forget it all by achieving his dream—matriculating into medical school. But when he arrives at his new foster home, a working shrine, his dream of a quiet place to study goes up in smoke. Not only will he be

living with the three beautiful, lively Amagami sisters—but he learns that he must marry one of them and take over the temple!

The Animation Collection (Songbook) Hal Leonard Corp.,2010-07-01 (Piano/Vocal/Guitar Songbook). Over 60 songs from big-screen and small-screen cartoons, all arranged in piano/vocal/guitar notation. Includes: Accidentally in Love (from Shrek 2) * Beauty and the Beast * Can You Feel the Love Tonight (from The Lion King) * Heigh-Ho (from Snow White) * I'm Popeye the Sailor Man * Linus and Lucy (from Peanuts) * Theme from The Simpsons * SpongeBob SquarePants Theme Song * A Whole New World (from Aladdin) * and dozens more!

Gunslinger Girl Yu Aida,2003 Innocence Lost.... Henrietta barely survived a brutal attack that killed her family. Rescued by the Social Welfare Agency, her injuries were repaired with robotic components and she was brainwashed - lost with the memory of her family's death was almost every trace of her own humanity. Today she is an extraordinarily lethal cyborg assassin, obediently working with her handler Giuseppe to carry out her deadly tasks. Despite her conditioning and programming, Henrietta still has the heart of a young girl; she has not completely forgotten how to love. Yet the very emotion is contrary to her training and programming. Can the Gunslinger Girl survive? Can she find peace in a struggle against her very nature?

A New Critical Japanese-English Dictionary Miki Yamaguchi,Iwae Irie,1907

A Text-book of Colloquial Japanese Rudolf Lange,1903

Cyborg Theatre J. Parker-Starbuck, 2011-04-28

This book articulates the first theoretical context for a 'cyborg theatre', metaphorically integrating on-stage bodies with the technologized, digitized, or mediatized, to re-imagine subjectivity for a post-human age. It covers a variety of examples, to propose new theoretical tools for understanding performance in our changing world.

Intercultural Crossovers, Transcultural Flows

Jaqueline Berndt, 2011

HANAMONOGATARI NISIOISIN, 2019-10-08 Our sorry hero, his reformed girlfriend, and the amnesiac class president have all graduated from their high school out in the boondocks, and self-described Sapphist and ex-basketball ace Kanbaru, retired by reason of an "injury," is starting her senior year and the narrator of this volume—her voice far more introspective than the smutty jock's we thought we knew. Bereft of the company of her beloved mentors, the only other person around her with any working knowledge of aberrations the junior Ogi Oshino, apparently a relative of the Hawaiian-shirted folklorist, she feels a bit alone and blue, and sick with dread that the devil residing in her left arm courtesy of the Monkey's Paw might act up again while she sleeps. Investigating a rumor that she fears might lead back to her, the former star ends up peering into an abyss of negativity called Roka—a "wax flower" to take the characters' meaning. Trapped in a pit the like of which could only be escaped by the one girl who was able to pull off slam-dunks in her basketball nationals, can the penitent Kanbaru, however,

still be aggressive?

Lucky Come Hawaii Jon Shirota, 2009-12-31 In the opening chapter of this classic novel set in Hawai'i, news of the attack on Pearl Harbor has just reached rural Maui. Miscommunication, confusion, and rumors of war aggravate the already tense relations among the diverse immigrant communities, Native Hawaiians, and the American military. As told through the perspective of a poor Okinawan family, *Lucky Come Hawaii* vividly captures the emotions and trauma at this momentous turning point in Island history, which will change the fate of individuals, ways of life, and the land itself forever. First published in 1965 to national acclaim but long out of print, *Lucky Come Hawaii* is a tale of love, intrigue, humor, and Island families torn apart and reunited by the events of December 7th. The novel also anticipates the changes overtaking Hawai'i, from Territory to Statehood, from small towns to a militarized Pacific metropolis. *Lucky Come Hawaii* should be required reading for anyone who cares deeply about the untold stories of the Islands' multi-ethnic communities and the struggle of individuals to find a place and sense of identity in their American home.

NEKOMONOGATARI (WHITE) NISIOISIN, 2019-10-08 Launching into new territory that the author hadn't mapped out when he embarked on the series, *NEKOMONOGATARI (White)* tells the tale of heroine Tsubasa Hanekawa from her own perspective, in her own voice—if that can hold true for a damaged soul who, depending on who you're asking, suffers from a split personality or a supernatural aberration.

The bone-chilling brokenness of her household, where father and mother and daughter keep three separate sets of cookware in the same kitchen and only ever prepare their own meals, and the profound darkness nurtured in the genius schoolgirl's heart, come to life, if that is the word, through her self-vivisection. As for our customary unreliable narrator, Araragi, we seem to learn revealing tidbits about him now that we have an outside view of him at last, while his lady friends Senjogahara, Hachikuji, et al, freed from his predilection for proudly inane banter, show subtly new faces to us via their female interlocutor. Welcome to the Second Season.

In America's Shadow Mitchell Takeshi

Maki, Kimberly Komatsu, Kaleigh Komatsu, 2002

Chronicles the history of Japanese Americans from immigration to the World War II internment, as told through the eyes of a young girl and her grandfather.

I Will Survive Gloria Gaynor, 2014-03-11 *I Will Survive* is the story of Gloria Gaynor, America's Queen of Disco. It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including Honey Bee, I Got You Under My Skin, Never Can Say Goodbye, and the song that has immortalized her, *I Will Survive*, which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the

indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.

Sissy Dreams: From Boyfriend to Girlfriend Paul Zante, Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

TSUKIMONOGATARI NISI0ISIN,2019-10-08 Launching the third or "Final Season" of the international cult-hit series, Possession Tale returns the narrator's headset back to high school senior and amateur savior Koyomi Araragi, who used to eschew friendship once upon a time because it'd lower his "intensity as a human"—a loner's misgiving that was perhaps on the mark in a different way than he intended. At issue now is not the precarious fate of one of his cherished confrères, or rather consœurs, whom he'd aid, sight unseen, with a monster's resilience, but his own aberrant state and its prolonged abuse. If everything comes with

a bill, and if no man is an island, then is the price of self-sacrificing amity—and the bloodshed it ironically occasions—becoming inhuman for good? That being said! Our hero, whose first name means “calendar” but who has none in his room, sees no need to rush, so, on our way to the profound mysteries of the superhuman aspect, expect a super-shallow deconstruction of the alarm clock. On hand this volume to (hardly ever) humor his humor: his little sisters, a living doll of a corpse, and its violent mistress.

The Beautiful Skies Of Houou High Vol. 1 Arata Aki, 2011-04-01 Houou High is a famous and incredibly prestigious all-boys school. It's also the stomping grounds for the sons of the most well-renowned families from all walks of life, which gives rise to rumors that it holds a monopoly on money and power. Our protagonist, Kei Saeba, ends up enrolling in this veritable garden of blooming amateurs due to her mother's guile. Now she must pretend she's a boy for three years or she will be erased!

Boulder Mono Mark Gowing, 2019-08-15
