What she doesn't know is that her best friend has already found her, her soul mate and the man of her dreams. After many years of abuse, Chloe leaves her cheating husband and moved her and their two children from Pennsylvania to Cleveland, Ohio. Their new home and her new job were all going as well as could be expected - until she was asked to have dinner with her boss's brother Shane Anderson. From the moment their eyes meet the physical attraction was unmistakable. Chloe tries to fight her feelings, while Shane's patience wins out. Still struggling with her fears and lack of self-esteem she tries to push him away. Afraid of the overwhelming feelings she feels for him, there is still the fear of life without him. Unable to resist him any longer she lets down her guard. Will Chloe overcome her fears in time to win Shane's love or will her self-esteem issues destroy this relationship before it has a chance to grow?
