Married to the Russian Kingpin Leslie North, Viktor Sokolov does not know if he should love his beautiful new wife ... or kill her. Growing up with a father who held a high position in the Russian mob, Alexandra Volkin was thrilled when her parents signed a contract promising her to a Russian mob boss, even though she'd never met him. All she ever wanted was to be the powerful woman of a man all respected. When she was killed and she was promised to another, Alexandra is almost unfazed. One mob boss is as good as another. Besides, she can not deny the strong attraction she feels for Viktor. Alexandra learned at a young age that sex equals power, and she is about to exercise a heavy dose of power on her new, coldly distant husband. It's not long, though, before she learns Viktor believes her father has murdered his own. Through a dark twist of fate, Viktor marries the woman for his murdered father—and his lovely bride's own father is the likely murderer. As the saying goes, keep your friends close and your enemies closer. It's not so big and sacrificing when your enemy is your sexy new wife. Viktor does not have the stomach for the brutal violence his father has exacted on his enemies, but it's almost certain that his wife's father killed his own father, and that leaves him with little choice. Yet, while he can ignore his pretty wife's pleas, her insistence that her father is innocent ... ignoring how she makes him feel a whole different challenge. There isn't going to be a happily ever after for the two of them. Unless, that is, she can prove her father's innocence.

A Court of Silver Flames Sarah J. Maas,2021-02-16 Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it. The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts. Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance—and healing—in each other's arms.

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.
