**Yuko-chan and the Daruma Doll** Sunny Seki, 2012-07-03 \*\*2012 Creative Child Magazine Book of the Year Award Winner!\*\* Yuko-chan and the Daruma Doll, a gorgeous multicultural children's book by author/illustrator Sunny Seki, takes readers on a journey into ancient Japan and the story behind the famous Daruma Doll. Yuko-chan, an adventurous blind orphan, is able to do amazing things. She confronts a burglar in the dead of night and crosses treacherous mountain passes to deliver food to hungry people. During her travels, Yuko-chan trips and tumbles down a snowy cliff. She discovers a strange thing as she waits for help: her tea gourd, regardless of how she drops it, always lands right-side-up. The tea has frozen in the bottom of the gourd! Inspired by this, she creates the famous Daruma doll toy, which rights itself when tipped--a true symbol of resilience. Thanks to Yuko-chan's invention, the villagers are able to earn a living and feed themselves by selling the dolls. Yuko-chan never gave up, no matter the obstacles she faced, and the Daruma doll is a charming reminder of the power of perseverance. With text in English and Japanese, this book is of special interest to bicultural families.

**Lettie Lane Paper Dolls** Sheila Young, 1981-01-01 Genteel turn-of-the-century family very popular then and now. 24 paper dolls, 16 plates in full color.

**Paper Sculpture** James C. Cochrane, 2008 Achieve fantastic results from paper in an instant! Discover the quick technique of covering newspaper with strips of paper mache to create a unique array of flat and 3D figures. A fun and quirky range of over 25 designs will inspire crafters of all abilities. From fancy fishes, dogs and dragons to elves, robots and racing cars, you will find a fun design to suit all recipients. Practical three-dimensional projects to decorate your home include bowls, vases and mirror frames. Each project features full step-by-step instructions, colour photographs and artworks to inspire you to get sculpting!

Wise Craft Quilts Blair Stocker, 2017-03-14 Infuse your quilts with love--how to add your personal story and more meaning to your handmade quilts. In Wise Craft Quilts, celebrated quilt designer and crafter Blair Stocker shares ways to use cherished fabrics to make quilts with more meaning. Each of the twenty-one quilts featured here gathers a special collection of fabric, outlines a new technique, and spins a story. By using special fabrics as the starting point for each project--from a wedding dress to baby's first clothes, worn denim, Tyvek race numbers, and more--the finished quilt is made even more special. Create quilts that have a story to tell and you'll find a whole new level of appreciation for what they represent in your life and the lives of the ones you love.

As the Gods Will The Second Series Muneyuki Kaneshiro, Akeji Fujimura,

Japanese Rinzai Zen Buddhism Jørn Borup, 2008-02-28 Japanese Rinzai Zen Buddhism gives a new perspective on contemporary Japanese Zen Buddhism. Ideas, ritual practices, temples and interactions between the clergy, the laity and the institution are investigated as living representations of a unique and yet common Japanese religion.

Llama Crafts Ellen Deakin, 2019-05-07 Craft away with the quirkiest creatures around! Save the drama, these Llamas are going to whisk you away to your happy place. Fun and quirky, these furry animals are the latest spirit animal that everyone is interested in. This book has 15 projects that will inspire you and make you ready for your own Llamapalooza! You'll get directions here on how to make Llama Papercraft ornaments, a Llama piñata, Llama wall prints, Llama finger puppets, Llama plushies, Llama T-shirts, Llama greetings cards, Llama bag and so much more. Both novice and expert crafters will enjoy this variety of projects. Each craft comes with a list of all the items and templates that you will need to create your llama-fueled fun. There's no shortage of ways that you'll be able to envision these dazzling Llama Crafts--the perfect activities for any adventurous Llama fan. Great for yourself or to give as gifts, but you'll probably want to make them for both... Get ready to leap for llamas!

**Drawing Futures** Bob Sheil, Frédéric Migayrou, Luke Pearson, Laura Allen, 2016-11-11 Drawing Futures brings together international designers and artists for speculations in contemporary drawing for art and architecture. Despite numerous developments in technological manufacture and computational design that provide new grounds for designers, the act of drawing still plays a central role as a vehicle for speculation. There is a rich and long history of drawing tied to innovations in technology as well as to revolutions in our philosophical understanding of the world. In reflection of a society now underpinned by computational networks and interfaces allowing hitherto unprecedented views of the world, the changing status of the drawing and its representation as a political act demands a platform for reflection and innovation. Drawing Futures will present a compendium of projects, writings and interviews that critically reassess the act of drawing and where its future may lie. Drawing Futures focuses on the discussion of how the field of drawing may expand synchronously alongside technological and computational developments. The book coincides with an international conference of the same name, taking place at The Bartlett School of Architecture, UCL, in November 2016. Bringing together practitioners from many creative fields, the book discusses how drawing is changing in relation to new technologies for the production and dissemination of ideas.

**Japanese Death Poems**, 1998-04-15 A wonderful introduction to the Japanese tradition of jisei, this volume is crammed with exquisite, spontaneous verse and pithy, often hilarious, descriptions of the eccentric and committed monastics who wrote the poems. --Tricycle: The Buddhist Review Although the consciousness of death is, in most cultures, very much a part of life, this is perhaps nowhere more true than in Japan, where the approach of death has given rise to a centuries-old tradition of writing jisei, or the death poem. Such a poem is often written in the very last moments of the poet's life. Hundreds of Japanese death poems, many with a commentary describing the circumstances of the poet's death, have been translated into English here, the vast majority of them for the first time. Yoel Hoffmann explores the attitudes and customs surrounding death in historical and present-day Japan and gives examples of how these have been reflected in the nation's literature in general. The development of writing jisei is then examined--from the longing poems of the early nobility and the more masculine verses of the samurai to the satirical death poems of later centuries. Zen Buddhist ideas about death are also described as a preface to the collection of Chinese death poems by Zen monks that are also included. Finally, the last section contains three hundred twenty haiku, some of which have never been assembled before, in English translation and romanized in Japanese.

**A Lover's Discourse** Roland Barthes, 1978 Barthes's most popular and unusual performance as a writer is A Lover's Discourse, a writing out of the discourse of love. This language primarily the complaints and reflections of the lover when alone, not exchanges of a lover with his or her partner is unfashionable. Though it is spoken by millions of people, diffused in our popular romances and television programs as well as in serious literature, there is no institution that explores, maintains, modifies, judges, repeats, and otherwise assumes responsibility for this discourse. . . . Writing out the figures of a neglected discourse, Barthes surprises us in A Lover's Discourse by making love, in its most absurd and sentimental forms, an object of interest. Jonathan Culler

**Adventures of Dolly Dingle Paper Dolls** Grace G. Drayton,1985-01-01 Thirty-eight dolls and over 50 costumes picture Dolly in Little Red Riding Hood, Hansel and Gretel, La Boheme, H.M.S. Pinafore; plus attire for ice skating, celebrating Halloween, more.

**Brushed in Light** Abé Markus Nornes,2021-02-22 Drawing on a millennia of calligraphy theory and history, *Brushed in Light* examines how the brushed word appears in films and in film cultures of Korea, Japan, Taiwan, Hong Kong, and PRC cinemas. This includes silent era intertitles, subtitles, title frames, letters, graffiti, end titles, and props. Markus Nornes also looks at the role of calligraphy in film culture at large, from gifts to correspondence to advertising. The book begins with a historical dimension, tracking how calligraphy is initially used in early cinema and how it is continually rearticulated by transforming conventions and the integration of new technologies. These chapters ask how calligraphy creates new meaning in cinema and demonstrate how calligraphy, cinematography, and acting work together in a single film. The last part of the book moves to other regions of theory. Nornes explores the cinematization of the handwritten word and explores how calligraphers understand their own work.

**Food Culture in Japan** Michael Ashkenazi,Jeanne Jacob,2003-12-30 Americans are familiarizing themselves with Japanese food, thanks especially sushi's wild popularity and ready availability. This timely book satisfies the new interest and taste for Japanese food, providing a host of knowledge on the foodstuffs, cooking styles, utensils, aesthetics, meals, etiquette, nutrition, and much more. Students and general readers are offered a holistic framing of the food in historical and cultural contexts. Recipes for both the novice and sophisticated cook complement the narrative. Japan's unique attitude toward food extends from the religious to the seasonal. This book offers a contextual framework for the Japanese food culture and relates Japan's history and geography to food. An exhaustive description of ingredients, beverages, sweets, and food sources is a boon to anyone exploring Japanese cuisine in the kitchen. The Japanese style of cooking, typical meals, holiday fare, and rituals—so different from Americans'—are engagingly presented and accessible to a wide audience. A timeline, glossary, resource guide, and illustrations make this a one-stop reference for Japanese food culture.

**Nine-Headed Dragon River** Peter Matthiessen,1998-04-28 In August 1968, naturalist-explorer Peter Matthiessen returned from Africa to his home in Sagaponack, Long Island, to find three Zen masters in his driveway—guests of his wife, a new student of Zen. Thirteen years later, Matthiessen was ordained a Buddhist monk. Written in the same format as his best-selling *The Snow Leopard*, *Nine-Headed Dragon River* reveals Matthiessen's most daring adventure of all: the quest for his spiritual roots.

**Lectures on Ancient Philosophy** Manly P. Hall,2005-09-08 Complete in itself, this volume originated as a commentary and expansion of Manly P. Hall's masterpiece of symbolic philosophy, *The Secret Teachings of All Ages*. In *Lectures on Ancient Philosophy*, Manly P. Hall expands on the philosophical, metaphysical, and cosmological themes introduced in his classic work, *The Secret Teachings of All Ages*. Hall wrote this volume as a reader's companion to his earlier work, intending it for those wishing to delve more deeply into the esoteric philosophies and ideas that undergird the Secret Teachings. Particular attention is paid to Neoplatonism, ancient Christianity, Rosicrucian and Freemasonic traditions, ancient mysteries, pagan rites and symbols, and Pythagorean mathematics. First published in 1929—the year after the publication of Hall's magnum opus—this edition includes the author's original subject index, twenty diagrams prepared under his supervision for the volume, and his 1984 preface, which puts the book in context for the contemporary reader.

**Gleanings in Buddha-fields** Lafcadio Hearn,1897

**Edo Culture** Kazuo Nishiyama,1997-04-01 Nishiyama Matsunosuke is one of the most important historians of Tokugawa (Edo) popular culture, yet until now his work has never been translated into a Western language. *Edo Culture* presents a selection of Nishiyama's writings that serves not only to provide an excellent introduction to Tokugawa cultural history but also to fill many gaps in our knowledge of the daily life and diversions of the urban populace of the time. Many essays focus on the most important theme of Nishiyama's work: the seventeenth to nineteenth centuries as a time of appropriation and development of Japan's culture by its urban commoners. In the first of three main sections, Nishiyama outlines the history of Edo (Tokyo) during the city's formative years, showing how it was shaped by the constant interaction between its warrior and commoner classes. Next, he discusses the spirit and aesthetic of the Edo native and traces the woodblock prints known as ukiyo-e to the communal activities of the city's commoners. Section two focuses on the interaction of urban and rural culture during the nineteenth century and on the unprecedented cultural diffusion that occurred with the help of itinerant performers, pilgrims, and touring actors. Among the essays is a delightful and detailed discourse on Tokugawa cuisine. The third section is dedicated to music and theatre, beginning with a study of no, which was patronized mainly by the aristocracy but surprisingly by commoners as well. In separate chapters, Nishiyama analyzes the relation of social classes to musical genres and the aesthetics of kabuki. The final chapter focuses on vaudeville houses supported by the urban masses.

**Zen-Life** Evgeny Steiner,2014-06-26 This book examines Japanese culture of the Muromachi epoch (14–16 centuries) with Ikkyū Sōjun (1394–1481) as its focal point. Ikkyū's contribution to the culture of his time was all-embracing and unique. He can be called the embodiment of his era, given that all the features typical for the Japanese culture of the High Middle Ages were concentrated in his personality. This multidisciplinary study of Ikkyū's artistic, religious, and philosophical heritage reconstructs his creative mentality and his way of life. The aesthetics and art of Ikkyū are shown against a broad historical background. Much emphasis is given to Ikkyū's interpretation of Zen. The book discusses in great detail Ikkyū's religious and ethical principles, as well as his attitude towards sex, and shows that his rebellious and iconoclastic ways were deeply embedded in the tradition. The book pulls together materials from cultural and religious history with literary and visual artistic texts, and offers a multifaceted view on Ikkyū, as well as on the cultural life of the Muromachi period. This approach ensures that the book will be interesting for art historians, historians of literature and religion, and specialists in cultural and visual studies.

**Youth Movements, Trauma and Alternative Space in Contemporary Japan** Carl Cassegård,2013-10-04 In *Youth Movements, Trauma and Alternative Space in Contemporary Japan*, the author provides a detailed study and assessment of social movements among Japanese freeters, from the pioneering groups in the late 1980s to the open protests witnessed today.
