**Narratives Unfolding** Martha Langford,2017-07-18 Somewhere between global and local, the nation still lingers as a concept. National art histories continue to be written – some for the first time – while innovative methods and practices redraw the boundaries of these imagined communities. *Narratives Unfolding* considers the mobility of ideas, transnationalism, and entangled histories in essays that define new ways to see national art in ever-changing nations. Examining works that were designed to reclaim or rethink issues of territory and dispossession, home and exile, contributors to this volume demonstrate that the writing of national art histories is a vital project for intergenerational exchange of knowledge and its visual formations. Essays showcase revealing moments of modern and contemporary art history in Canada, Egypt, Iceland, India, Ireland, Israel/Palestine, Romania, Scotland, Turkey, and the United Arab Emirates, paying particular attention to the agency of institutions such as archives, art galleries, milestone exhibitions, and artist retreats. Old and emergent art cities, including Cairo, Dubai, New York, and Vancouver, are also examined in light of avant-gardism, cosmopolitanism, and migration. *Narratives Unfolding* is both a survey of current art historical approaches and their connection to the source: art-making and art experience happening somewhere.

*Gertrude and Heathcliffe* Red Skelton,1974-01-01 A collection of over seventy Gertrude and Heathcliffe jokes with directions by the author-pantomime artist on how to imitate a seagull when telling them.

**Unchained Mind** Ricardo G. Williams,2017-03-15 I took a three-year break from work to explore the topic of peace, love, and success. I spent the time analyzing my thoughts and the effects my thoughts had on my emotional state of mind. The things I found out were quite intriguing. I came to the realization that many of us are not living to our full potential. We live with a measured joy. We keep our happiness in check. Our smiles are met with a restriction from our breath, which makes it short-lived. We seldom breathe fully because our breath is interrupted by the depth of our thoughts. We never really let go fully. We are bound by layers of chains that have entangled our thinkingchains from an uncertain future, chains of work, chains of relationships, chains of our finances, too many chains to mention. My time away from work gave me the opportunity to explore how to break the chains. I admit that even a broken chain is not permanently broken but can be easily reunited if old habits are not changed. My book focuses on the actions we can take to break chains and keep them broken. My book explores how our thoughts control our destiny. It teaches thought control and the importance of silence. It teaches how to overcome fear, anger, negative thoughts, stress, and hatred. You will learn how to nurture your emotions, embrace moments, and the importance of spiritual peace. I will teach you how to live in thankfulness, with compassion, while activating love.

**Let Nothing You Dismay** Mark O'Donnell,2011-07-20 In his brilliant new novel, the first since the widely enjoyed *Getting Over Homer*, Mark O'Donnell takes us on a wild and funny tour through the Christmas season's ultimate challenge: the day of too many parties. It's Christmas Eve Eve Eve Eve Eve in Manhattan--five days from the holiday Ground Zero--but Tad Leary, the most confused man on earth, doesn't know whether to celebrate or go crazy. He's just been fired, he's about to be evicted from his sublet, he's getting nowhere on his overdue folklore thesis, *Social Hierarchies of Imaginary Places*, and on top of everything else--or rather underneath everything else--at age thirty-four (older than Christ), he's five-foot-one and still baby-faced, so he's treated like a child wherever he goes. Nonetheless, he's been invited to seven (a magic number one of his rivals is writing a thesis about) different Christmas parties that day, and he decides to explore every one of them for possible work, apartments, love, and just plain distraction. Tad's a walking punch bowl of joy and fear, goodwill and alienation, running a constant mental argument with himself throughout his long marathon. By midnight, he will have visited all parts of his past--from brunch with his rumpled Boston Irish parents and arguably more successful brothers, to dinner with his beautiful Swedish ex-girlfriend, to a fancy, colossal uptown bash where, by now dangerously looped, he bumps into an ex-boyfriend (more confusion!) looking as glorious and golden as a roast turkey. A farcical, over-the-top feast of twisted one-liners and outrageous imagery, *Let Nothing You Dismay* depicts Tad's--and everyone's--struggle for survival, with a bracing combination of Darwinian theory and hallucinatory fairy-tale wonder. It's a Chekhov story told with P. G. Wodehouse flippancy, or a tale of Celtic mysticism as S. J. Perelman might have rendered it. Above all, the bright spots in this darkest night of the soul prove that comical epiphany isn't just for Christmas anymore.

**Dear Black Girls** Shanice Nicole,2021-02-08 *Dear Black Girls* is a letter to all Black girls. Every day poet and educator Shanice Nicole is reminded of how special Black girls are and of how lucky she is to be one. In this celebratory poem, Kezna and Shanice remind young readers that despite differences, they all deserve to be loved just the way they are.

*Dreaming of Hitler* Daphne Merkin,1999 An entertaining collection of maverick essays by an extraordinary writer. Whether writing about the pleasures of spanking, losing her religion, rock 'n' roll, the erotic lure of the movies, her own failed marriage, or other vexed subjects, Daphne Merkin is always compulsively readable, tough-minded, recklessly candid, and controversial.
