And Another Thing... Eoin Colfer,2009-10-12 And Another Thing ... will be the sixth novel in the now improbably named Hitchhiker's Guide to the Galaxy trilogy. Eight years after the death of its creator, Douglas Adams, the author's widow, Jane Belson, has given her approval for the project to be continued by the international number one bestselling children's writer, Eoin Colfer, author of the Artemis Fowl novels. Douglas Adams himself once said, 'I suspect at some point in the future I will write a sixth Hitchhiker book. Five seems to be a wrong kind of number, six is a better kind of number.' Belson said of Eoin Colfer, 'I love his books and could not think of a better person to transport Arthur, Zaphod and Marvin to pastures new.' Colfer, a fan of Hitchhiker since his schooldays, said, 'Being given the chance to write this book is like suddenly being offered the superpower of your choice. For years I have been finishing this incredible story in my head and now I have the opportunity to do it in the real world.' Prepare to be amazed...

Fifty Years of Illustration Lawrence Zeegen,Caroline Roberts,2014-10-28 This book charts contemporary illustration's rich history: from the rampant idealism of the 1960s to the bleak realism of the 1970s, and from the over-blown consumerism of the 1980s to the digital explosion of the 1990s, followed by the increasing diversification of illustration in the early twenty-first century. The book explores the contexts in which the discipline has operated and looks historically, sociologically, politically, and culturally at the key factors at play across each decade, while artworks by key illustrators bring the decade to life. Contemporary illustration's impact and influence on design and popular culture are investigated through introductory essays and profiles of leading practitioners, illustrated with examples of the finest work.
