Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Slayer's Heart Marcelle Cooper,2014-02-09 Since childhood, Sufoh has lived his life according to the principle of Slayer's Heart, a technique which rids him of all emotion and renders him a ruthless, bloodthirsty killer. Such a reputation is a badge of honor among the warrior race of Macaris from which he hails. But when Sufoh accidentally releases six legendary demons that threaten to plunge the world into chaos, he must leave his people to undo what he has done. As he ventures into a world that hates and fears him, Sufoh is forced to confront not only the evil he has unleashed, but the evil within himself and learn what it truly means to be human.
