Kurt Schwitters

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Embrace the Night Karen Chance,2008-04-01 View our feature on Karen Chance's *Embrace the Night*. Cassandra Palmer may be the world's chief clairvoyant, but she's still magically bound to a master vampire. Only an ancient book called the Codex Merlini possesses the incantation to free Cassie-but harnessing its limitless power could endanger the world... Read Karen Chance's posts on the Penguin Blog.

Chasing the Devil David Reichert,2005-12-27 Discusses the twenty year pursuit of Sheriff David Reichert for the Green River Killer.

My Buddy Bill Rick Cleveland,2010 THE STORY: On a visit to the White House, a dog-loving screenwriter reprimands Buddy, the First Dog, for piddling on the Oval Office rug. Little does he know that this canine interaction

will spark a lasting friendship with President Clinton and gi

Treehouses Elizabeth Kuti, 2000-04-13 A new play from an award-winning playwright, published as part of the innovative Abbey Theatre playscript series On the day of her father's funeral, Eva - a young woman - is still haunted by the betrayal she witnessed from her childhood haven - the treehouse in the garden. On the same day another woman, Magda, relives the ghosts of another hiding place and a different betrayal - ghosts from which she still seeks forgiveness. Interweaving lives and secrets *Treehouses* is a magical tale of refuge, treachery and of love lost and found.

Tile & Till, 1915

Badenheim Nineteen-thirty-nine Aharon

Apelfeld, 1980 A tale of Europe in the days just before the war. It tells of a small group of Jewish holiday makers in the resort of Badenheim in the Spring of 1939. Hitler's war looms, but Badenheim and its summer residents go about life as normal.

Lucky Hans and Other Merz Fairy Tales Kurt

Schwitters, 2009 Kurt Schwitters revolutionized the art world in the 1920s with his Dadaist Merz collages, theater performances, and poetry. But at the same time he was also writing extraordinary fairy tales that were turning the genre upside down and inside out. *Lucky Hans and Other Merz Fairy Tales* is the first collection of these subversive, little-known stories in any language and the first time all but a few of them have appeared in English. Translated and introduced by Jack Zipes, one of the world's leading authorities on fairy tales, this book gathers thirty-two stories written between 1925 and Schwitters's death in 1948--including a complete English-language recreation of *The Scarecrow*, a children's book illustrated with avant-garde typography that Schwitters created with Kate

Steinitz and De Stijl founder Theo van Doesburg. *Lucky Hans and Other Merz Fairy Tales* also includes brilliant new illustrations that evoke the 1920s, 1930s, and 1940s. Schwitters wrote these darkly humorous, satirical, and surreal tales at a time when traditional German fairy tales were being co-opted by the Nazis. Filled with sharp critiques of German life during the Weimar and early Nazi eras, Schwitters's tales are rich with absurdist events and insist that not everyone--and perhaps not anyone--lives happily ever after. In *Lucky Hans*, the starving protagonist tries to catch a rabbit only to have it shed its fur like a coat and run off naked into the forest. In other tales, a sarcastic gypsy stands in for a fairy godmother and an army recruit is arrested for growing to monstrous size. *Lucky Hans and Other Merz Fairy Tales* is a delightfully strange and surprising book.

Leadership for a Better World NCLP (National Clearinghouse for Leadership Programs), 2016-11-14 The essential guide to the theory and application of the Social Change Model *Leadership for a Better World* provides an approachable introduction to the Social Change Model of Leadership Development (SCM), giving students a real-world context through which to explore the seven C's of leadership for social change as well as approaches to socially responsible leadership. From individual, group, and community values through the mechanisms of societal change itself, this book provides fundamental coverage of this increasingly vital topic. Action items, reflection, and discussion questions throughout encourage students to think about how these concepts apply in their own lives. The Facilitator's Guide includes a wealth of activities, assignments, discussions, and supplementary resources to enrich the learning experience whether in class or in the co-curriculum. This new second edition includes student

self-assessment rubrics for each element of the model and new discussion on the critical roles of leadership self-efficacy, social perspective, and social justice perspectives. Content is enriched with research on how this approach to leadership is developed, and two new chapters situate the model in a broader understanding of leadership and in applications of the model. The Social Change Model is the most widely-used leadership model for college students, and has shaped college leadership curricula at schools throughout the U.S. and other countries including a translation in Chinese and Japanese. This book provides a comprehensive exploration of the model, with a practical, relevant approach to real-world issues. Explore the many facets of social change and leadership Navigate group dynamics surrounding controversy, collaboration, and purpose Discover the meaning of citizenship and your commitment to the greater good Become an agent of change through one of the many routes to a common goal The SCM is backed by 15 years of research, and continues to be informed by ongoing investigation into the interventions and environments that create positive leadership development outcomes. Leadership for a Better World provides a thorough, well-rounded tour of the Social Change Model, with guidance on application to real-world issues. Please note that The Social Change Model: Facilitating Leadership Development (978-1-119-24243-7) is intended to be used as a Facilitator's Guide to Leadership for a Better World, 2nd Edition in seminars, workshops, and college classrooms. You'll find that, while each book can be used on its own, the content in both is also designed for use together. A link to the home page of The Social Change Model can be found below under Related Titles.

BITMAP BOOKS.,2020

Haiti Ron Haviv, Simon Winchester, 2010-06 A unique, arresting and versatile document of the traumatic earthquake which hit Haiti in 2010 and its aftermath. Encased in a cardboard box, the project comprises 16 unbound posters and a map page which draws attention to the epicentre and its rippling impact on the population of the island. The unique format allows the viewer to absorb each page individually or to hang the entire project. The visual testimony to the events of the the first days after the event are provided by award-winning photographer Ron Haviv and the essay by esteemed writer Simon Winchester.

Dinner with Jackson Pollock Robyn Lea, 2015-02-15
Spiral bound; handwritten recipes on endpapers.

I Like Him, He Likes Her Phyllis Reynolds Naylor, 2010-05-18 Find a Penny pick it up and all day long you'll have good luck...except, of course, if that Penny is charming and pretty and funny, and the person picking her up just happens to be your boyfriend. Alice McKinley's freshman year is not as "lucky" as she was hoping it would be. But she's is trying to look on the bright side. There are worse things than being single for a semester... for a school year...for the whole summer.... At least Alice can count on her best friends for support—in theory, anyway. Lately they haven't been all that there-for-her. In fact, it seems like Pam and Liz are suddenly involved in intense, secret conversations whenever Alice is around. Single is starting to feel a whole lot like solo.

Sun Bread Elisa Kleven, 2004-03-30 Winter's gray chill has set in and everyone misses the sun-especially the baker. So she decides to bring some warmth to the town by making sun bread. And as the bread bakes, rising hot and delicious, everyone comes out to share in its goodness. Everyone, including the sun itself. With a lilting, rhyming

text, colorful illustrations, and a recipe for baking your own sun bread, this tasty treat from the illustrator of the best-selling *Abuela* is just right for all ages to enjoy.

Kittens Mini ,2003-05 Small, cute, and full of life, kittens are a joy to watch. At a young age kittens display a remarkable amount of curiosity and intelligence. This BrownTrout 2004 calendar has captured kittens at their best.

Mind Maps at Work Tony Buzan,2005-11-29 From the bestselling author of *The Mind Map Book* and *Use Both Sides of Your Brain* World-renowned expert on the brain, memory, speed reading, creativity, and innovation Tony Buzan has used his patented Mind Maps system to teach millions of people around the world how to unlock the infinite creativity of the human mind. With *Mind Maps at Work*, you'll find a practical guide to achieving workplace success and satisfaction. Mind Maps are a revolutionary thinking tool: a visual and colorful form of note-taking that unleashes our creative and logical sides simultaneously. Incorporating a number of high-profile success stories—including the impressive results that Buzan's system has yielded for companies like Boeing, Con Edison, and Apple—*Mind Maps at Work* guides individuals, work groups, and companies large and small to plan and strategize effectively, solve problems creatively, and recall facts easily, maximizing every individual's creativity and productivity.

All Things Fun and Fascinating Lori Versteegen,2009 All Things Fun & Fascinating is the perfect tool to help teachers and parents of 3rd-5th graders teach writing with a clear, simple, step-by-step method using subjects that will fascinate young students. The lessons are meant to be a resource for teachers already familiar with *Teaching Writing: Structure and Style*.
