Imperium Lupi Adam Browne,2017-07-17 IMPERIUM LUPI A decade has passed since the last Howler War and the City of Lupa stands peaceful again under the choking clouds of the Ashfall. The wild hyenas have been conquered, the little beasts remain subdued, and the wolf packs preserve their uneasy oligarchy thanks to the noxious power of imperium. However, new threats fester within the Lupan Wall. There are those who would overturn the rule of the Den Fathers, if not the dominion of wolfkind altogether, by persuasion, murder, even genocide, if that's what it takes. Imperium Lupi is a gritty, steampunk, fantasy adventure packed with intrigue and flexible morals. The true monsters are not the giant insects that stalk the wild world of Erde, but the beasts who don the mask of civility to cover their crooked convictions. For the Republic Lupi!

Time Troopers Hank Davis,Christopher Ruocchio,2022-04-05 NEW AND CLASSIC STORIES OF TIME TRAVEL MILITARY SF BATTLEZONE: ETERNITY Once, military actions were entirely two dimensional, confined to the surface of land and sea, but then submarines and aircraft added a third dimension, vastly extended by spaceflight. Now, consider that if time travel is possible, the fourth dimension of time opens up new possibilities for combat, necessitating new defenses, new strategies and tactics. A battle that was once decisively won might be refought, or a narrow victory might be subtly tilted to the other side. Never mind the history books, they're only works in progress. There might be even more than four dimensions involved, if parallel universes and alternate realities exist and can be accessed. Imagine a universe where Rome never fell and its troops want to do something about our universe, where it did fall. Or another where more recent wars turned out very differently. Battle is a recurrent motif in the Earth of this universe, and would alternate realities be different or all too similar, with the tune the same, but different lyrics. Supplying the lyrics for spacetime combat in these pages is an all-star general staff including Robert Silverberg, Poul Anderson, Fritz Leiber, John C. Wright, H. Beam Piper and more. It's zero hour, in whatever time stream, so grab your time-appropriate weapon, be it sword or ray blaster, buckle on your general issue timeporter belt, and follow the Time Troopers into action across strange aeons! By Schism Rent Asunder David Weber,2008-07-22 The sequel to the New York Times best seller Off Armageddon Reef The world has changed. The mercantile kingdom of Charis has prevailed over the alliance designed to exterminate it. Armed with better sailing vessels, better guns and better devices of all sorts, Charis faced the combined navies of the rest of the world at Darcos Sound and Armageddon Reef, and broke them. Despite the implacable hostility of the Church of God Awaiting, Charis still stands, still free, still tolerant, still an island of innovation in a world in which the Church has worked for centuries to keep humanity locked at a medieval level of existence. But the powerful men who run the Church aren't going to take their defeat lying down. Charis may control the world's seas, but it barely has an army worthy of the name. And as King Cayleb knows, far too much of the kingdom's recent good fortune is due to the secret manipulations of the being that calls himself Merlin-a being that, the world must not find out too soon, is more than human. A being on whose shoulders rests the last chance for humanity's freedom. Now, as Charis and its archbishop make the rift with Mother Church explicit, the storm gathers. Schism has come to the world of Safehold. Nothing will ever be the same... in David Weber's By Schism Rent Asunder. Safehold Series 1. Off Armageddon Reef 2. By Schism Rent Asunder 3. Election 2014 South Africa Collette Schulz-Herzenberg,Roger Southall,2014 The 2014 elections could be the pivotal turning point for democracy in South Africa. Several signs indicate that electoral change is under way, creating uncertainty about the election results - the increase in the number of born-frees; a noticeable apathy among many eligible voters; and rising social discontent.

Cosmic Corsairs Hank Davis,Christopher Ruocchio,2020-08-04 NEW FICTION AND CLASSICS OF THE GENRE COLLECTED BY THE EDITORIAL TEAM BEHIND SPACE PIONEERS AND OVERRULED! SPACE PIRATES! Words that conjure up rousing tales of adventure, derring-do, brave heroes battling the scurvy vermin of the galaxy. Those vermin have taken to pillaging cargo ships and, even worse, space liners, relieving the helpless passengers of their valuables, and worse with the comely women passengers, then spacing the lot—unless one or more of the aforementioned brave heroes arrive in the nick of time, and turn the tables, making the spaceways safe again for the innocent and helpless. On the other hand, perhaps the pirate captain is a woman, and it's the comely male passengers who need rescuing. And on the third hand (we're talking space pirates here, possibly aliens with four or more arms), perhaps those ships traversing the interstellar void are not so innocent, and the pirates, fighting an evil despotic star empire and defending the freedom of the space lanes, are the good guys and gals. The possibilities are many, and the daring exploits set the blood racing in the veins of any reader with even a trace of buccaneering spirit in their hidden self. So board a battered but spaceworthy fighting starship with such star-spanning and award-winning crewmates as Robert Silverberg, Elizabeth Bear and Sarah Monette, Larry Niven, Fritz Leiber, and Sarah A. Hoyt, plus James H. Schmitz, James Blish, Gregory Benford, and more, and set sail—er, thrusters—for a universe of freebooting adventure! At the publisher's request, this title is sold without DRM (Digital Rights Management). Praise for previous anthologies edited by Hank Davis: In Space No One Can Hear You Scream: “[T]he 13 tales in this collection blend sf with horror to demonstrate the resiliency of both genres . . . offers strong tales by the genre’s best storytellers.” —Library Journal “[F]irst-rate science fiction, demonstrating how short stories can still entertain.” —The Galveston County Daily NewsM A Cosmic Christmas 2 You: “This creative and sprightly Christmas science fiction anthology spins in some surprising directions. . . . A satisfying read for cold winter evenings . . . a great stocking stuffer for SF fans.” —Publishers Weekly As Time Goes By: “As Time Goes By . . . does an excellent job of exploring not only romance through time travel—relationships enabled or imperiled by voyaging through time—but the intrinsic romance of time travel itself. . . . The range of styles and approaches is as wide as the authors' sensibilities and periods might suggest . . . full of entertaining and poignant stories . . . ” —Alvaro Zinos-Amaro, IntergalacticMedicineShow.com About Star Destroyers, coedited by Christopher Ruocchio: “[S]pectacular space battles and alien contacts . . . themes of military ethics, the uses of artificial intelligence, and the limits of the capacity of the human mind. . . . It is the human interactions and decisions that ultimately drive the stories. . . . Will appeal to fans of military and hard science fiction and any readers fascinated by the possibilities of space travel.”—Booklist “[S]tories of giant spaceships at war, at peace, and in the often-gray areas between. . . . A worthy addition to a long tradition of ship-based fiction, and its authors portray captains, arcane astrogators, and civilian child passengers with equal depth. It's recommended for fans of military SF and space adventure.”—Publishers Weekly “[Y]ou'd probably expect some tight, action-filled space opera stories of giant space battles . . . and there's some of that. But there are also espionage stories, rescue missions, political conflicts, alternate histories, even a few humorous tales. . . . Each author took the premise in a different direction . . . if I had to identify one common feature to all the stories, it would be that they're all fun. . . . Like it says, big ships blowing things up. What's not to like?”—Analog

Like a Mighty Army David Weber,2014-02-18 David Weber's Like a Mighty Army is the hotly anticipated seventh volume in the New York Times bestselling Safehold series For centuries, the world of Safehold, last redoubt of the human race, lay under the unchallenged rule of the Church of God Awaiting. The Church permitted nothing new-no new inventions, no new understandings of the world. What no one knew was that the Church was an elaborate fraud--a high-tech system established by a rebel faction of Safehold's founders, meant to keep humanity hidden from the powerful alien race that had destroyed old Earth. Then awoke Merlyn Athrawes, cybernetic avatar of a warrior a thousand years dead, felled in the war in which Earth was lost. Monk, warrior, counselor to princes and kings, Merlyn has one purpose: to restart the history of the too-long-hidden human race. And now the fight is thoroughly underway. The island empire of Charis has declared its independence from the Church, and with Merlyn's help has vaulted forward into a new age of steam-powered efficiency. Fending off the wounded Church, Charis has drawn more and more of the countries of Safehold to the cause of independence and self-determination. But at a heavy cost in bloodshed and loss--a cost felt by nobody more keenly than Merlyn Athrawes. The wounded Church is regrouping. Its armies and resources are vast. The fight for humanity's future isn't over, and won't be over soon... Safehold Series 1. Off Armageddon Reef 2. By Schism Rent Asunder 3. By Heresies Distressed 4. A Mighty Fortress 5. Midst Toil and Tribulation David Weber,2013-07-30 The hotly anticipated sixth volume in the New York Times bestselling Safehold series.

How Firm a Foundation David Weber,2011-09-13 In David Weber's How Firm a Foundation, the fifth book in the Safehold series, the Charisian Empire, born in war, has always known it must fight for its very survival. What most of its subjects don't know even now, however, is how much more it's fighting for. Emperor Cayleb, Empress Sharleyan, Merlin Athrawes, and their innermost circle of most trusted advisers do know. And because they do, they know the penalty if they lose will be far worse than their own deaths and the destruction of all they know and love. For five years, Charis has survived all the Church of God Awaiting and the corrupt men who control it have thrown at the island empire. The price has been high and paid in blood. Despite its chain of hard-fought naval victories, Charis is still on the defensive. It can hold its own at sea, but if it is to survive, it must defeat the Church upon its own ground. Yet how does it invade the mainland and take the war to a foe whose population outnumbers its own fifteen to one? How does it prevent that massive opponent from rebuilding its fleets and attacking yet again? Charis has no answer to those questions, but needs to find one...quickly. The Inquisition's brutal torture and hideous executions are claiming more and more innocent lives. Its agents are fomenting rebellion against the only mainland realms sympathetic to Charis. Religious terrorists have been dispatched to wreak havoc against the Empire's subjects. Assassins stalk the Emperor and Empress, their allies and advisers, and an innocent young boy, not yet eleven years old, whose father has already been murdered. And Merlin Athrawes, the cybernetic avatar of a young woman a thousand years dead, has finally learned what sleeps beneath the far-off Temple in the Church of God Awaiting's city of Zion. The men and women fighting for human freedom and tolerance have built a foundation for their struggle in the Empire of Charis with their own blood, but will that foundation be firm enough to survive? By Heresies Distressed David Weber,2009-07-21 In David Weber's By Heresies Distressed, the battle for the soul of the planet Safehold has begun. The Kingdom of Charis and the Kingdom of Chisholm have joined together, pledged to stand against the tyranny of a corrupt Church. The youthful Queen Sharleyan of Chisholm has wed King Cayleb of Charis, forging a single dynasty, a single empire, dedicated to the defense of human freedom. Crowned Empress of that empire, Sharleyan has found in Cayleb's arms the love she never dared hope for in a marriage of state. In Cayleb's cause, his defiance of the ruthless Group of Four who govern mother Church, she has found the task to which she can commit her mind and her courage. It is a cause for which she was born. Yet there are things Sharleyan still does not know. Secrets Cayleb has not been permitted to share, even with her. Secrets like the true story of humanity on Safehold. Like the intricate web of lies, deception, and fabricated religion which have chained humanity for almost a thousand years. Like the existence of the genocidal alien Gbaba, waiting to complete mankind's destruction should humans ever attract their attention once more. Like the existence of a young woman, Nimue Alban, nine hundred years dead, whose heart, mind, and memories live on within the android body of the warrior-monk she knows as Merlin. And so Empress Sharleyan faces the great challenge of her life unaware of all that task truly entails...or of how the secrets the man who loves her cannot share may threaten all they have achieved between them...and her own life. Hell's Foundations Quiver David Weber,2015-10-13 Centuries after survivors of the first human-alien war start over in an unindustrialized region under religious rule, a cybernetic avatar reawakens to restart humanity's progress and claim its place in the universe.

A Mighty Fortress David Weber,2010-04-13 The latest novel in the New York Times-bestselling series begun with Off Armageddon Reef, By Schism Rent Asunder, and By Heresies Distressed. Young Cayleb Ahrmahk has accomplished things few people could even dream of. Not yet even thirty years old, he's won the most crushing naval victories in human history. He's smashed a hostile alliance of no less than five princedoms and won the hand of the beautiful young Queen Sharleyan of Chisholm. Cayleb and Sharleyan have created the Charisian Empire, the greatest naval power in the history of Safehold, and they've turned Charis into a place of refuge for all who treasure freedom. Their success may prove short-lived. The Church of God Awaiting, which controls most of Safehold, has decreed their destruction. Mother Church's entire purpose is to prevent the very things to which Charis is committed. Since the first attempt to crush the heretics failed, the Church has no choice but to adopt some of the hated Charisian innovations for themselves. Soon a mighty fleet will sail against Cayleb, destroying everything in its path. But there are still matters about which the Church knows nothing, including Cayleb and Sharleyan's adviser, friend, and guardian- the mystic warrior-monk named Merlin Athrawes. Merlin knows all about battles against impossible odds, because he is in fact the cybernetic avatar of a young woman named Nimue Alban, who died a thousand years before. As Nimue, Merlin saw the entire Terran Federation go down in fire and slaughter at the hands of a foe it could not defeat. He knows that Safehold is the last human planet in existence, and that the stasis the Church was created to enforce will be the human race's death sentence if it is allowed to stand. The juggernaut is rumbling down on Charis, but Merlin Athrawes and a handful of extraordinary human beings stand in its path. The Church is about to discover just how potent the power of human freedom truly is, in David Weber's A Mighty Fortress. Safehold Series 1. Off Armageddon Reef 2. By Schism Rent Asunder 3. Star Destroyers Tony Daniel,Christopher Ruocchio,2018-03-06 BIG SHIPS BLOWING THINGS UP GO BIG OR GO HOME! Boomers. Ships of the Line. Star Destroyers. The bigger the ship, the better the bang. From the dawn of history onward, commanding the most powerful ship around has been a dream of admirals, sultans, emperors, kings, generalissimos, and sea captains everywhere. For what the intimidation factor alone doesn't achieve, a massive barrage from

super-weapons probably will. Thus it was, and ever shall be, even into the distant future. From the oceans of Earth, to beneath the ice of Europa, to the distant reaches of galactic empires, it is the great warships and their crews that sometimes keep civilization safe for the rest of us—but sometimes become an extinction-level event in and of themselves. In “Superweapon” by David Drake, a fight for possession of an ancient alien warship will determine the fate of two vast interstellar powers. Then in “Hate in the Darkness” by Michael Z. Williamson, a team of libertarian Freeholders must think outside the box to do battle with the might of the United Nations and its powerful navy. And in “A Helping Hand,” Jody Lynn Nye posits an interstellar submarine on a rescue mission behind enemy lines—with the fate of an entire species hanging in the balance. The Globe Encompassed Glenn Joseph Ames,2008 Part of the Connections: Key Themes in World History series, The Globe Encompassed combines the most recent secondary work in the field with the author's own personal archival work to present a updated synthesis of the topic. The Globe Encompassed lays out in clear narrative form a series of connected stories that simultaneously instruct and fascinate the reader. Beyond that, the author-guide provides carefully chosen excerpts from primary sources that enable the reader to enter the mindsets of such notable personalities (and driving forces in Europe's profound impact on the early modern world) as Vasco da Gama, Hernan Cortés, and Samuel de Champlain, and to see first-hand such widely separated and profoundly different colonial enterprises as Dutch-held Batavia (Jakarta) and Puritan New England. In so doing, Ames allows the reader to encompass the globe as it existed between 1500 and 1700.
