Imperium Lupi Adam Browne,2017-07-17 IMPERIUM LUPI A decade has passed since the last Howler War and the City of Lupa stands peaceful again under the choking clouds of the Ashfall. The wild hyenas have been conquered, the little beasts remain subdued, and the wolf packs preserve their uneasy oligarchy thanks to the noxious power of imperium. However, new threats fester within the Lupan Wall. There are those who would overturn the rule of the Den Fathers, if not the dominion of wolfkind altogether, by persuasion, murder, even genocide, if that's what it takes. Imperium Lupi is a gritty, steampunk, fantasy adventure packed with intrigue and flexible morals. The true monsters are not the giant insects that stalk the wild world of Erde, but the beasts who don the mask of civility to cover their crooked convictions. For the Republic Lupi!

Happiness 6 Shuzo Oshimi,2017-12-19 A supernatural story of sexual awakening, growing up, and suburban vampirism, Happiness follows a dorky boy who is attacked by a girl in an alley. She sucks his blood and gives him a choice: life or death. He chooses life, but finds himself nearly overwhelmed by a new thirst and a fascination with the necks of his classmates... Praise for Flowers of Evil: A shockingly readable story that vividly--one might even say queasily--evokes the fear and confusion of discovering one's own sexuality. Recommended. -The Manga Critic A page-turning tale of sordid middle school blackmail. -Otaku USA Magazine By loving this manga I recognize what a sick and twisted individual I have become. While I can still say that I am not truly deviant, Flowers of Evil is a great reminder of my own thirst for power and my own personal corruption. -Otaku Champloo

Investigating Lois Lane Tim Hanley,2016-03-01 In a universe full of superheroes, Lois Lane has fought for truth and justice for over 75 years on page and screen without a cape or tights. From her creation by Jerry Siegel and Joe Shuster in 1938 to her forthcoming appearance in Batman v Superman: Dawn of Justice in 2016, from helming her own comic book for twenty-six years to appearing in animated serials, live-action TV shows, and full-length movies, Lois Lane has been a paragon of journalistic integrity and the paramour of the world's strongest superhero. But her history is one of constant tension. From her earliest days, Lois yearned to make the front page of the Daily Planet, but was held back by her damsel-in-distress role. When she finally became an ace reporter, asinine lessons and her tumultuous romance with Superman dominated her storylines for decades and relegated her journalism to the background. Through it all, Lois remained a fearless and ambitious character, and today she is a beloved icon and an inspiration to many. Though her history is often troubling, Lois's journey, as revealed in Investigating Lois Lane, showcases her ability to always escape the gendered limitations of each era and of the superhero genre as a whole.

Girl Waits With Gun Amy Stewart, 2015-09-01 NATIONAL BESTSELLER. The first in the Kopp Sisters Novel Series, *Girl Waits with Gun* is an enthralling novel based on the forgotten true story of one of the nation's first female deputy sheriffs. Constance Kopp doesn't quite fit the mold. She towers over most men, has no interest in marriage or domestic affairs, and has been isolated from the world since a family secret sent her and her sisters into hiding fifteen years ago. One day a belligerent and powerful silk factory owner runs down their buggy, and a dispute over damages turns into a war of bricks, bullets, and threats as he unleashes his gang on their family farm. When the sheriff enlists her help in convicting the men, Constance is forced to confront her past and defend her family — and she does it in a way that few women of 1914 would have dared. A New York Times Editors' Choice "A smart, romping adventure, featuring some of the most memorable and powerful female characters I've seen in print for a long time. I loved every page as I followed the Kopp sisters through a too-good-to-be-true (but mostly true!) tale of violence, courage, stubbornness, and resourcefulness."—Elizabeth Gilbert
