Alice in Wonderland Coloring Pop-up Papercraft Andreea Daniela Hompoth Voicu,2022-09-27 Make your own pop up papercraft book at home and discover the world of Alice, the mad hatter and many other characters! Cut out the pages, color the images and follow the instructions to make your own 3D papercraft project. There are four different scenes with multiple layers that are glued together to form a carousel pop-up papercraft. The 4 parts show Alice falling through the rabbit hole, looking through a small door and change sizes multiple times, attending the mad hatter's tea party and meeting the Queen of Hearts. I hope you enjoy coloring this project as much as I enjoyed drawing the different scenes! You will require scissors and glue to cut out the pages and make your own paper craft.

Create Your Life Book Tamara Laporte,2017-12-19 Inspired by artist Tamara Laporte's popular online art classes (willowing.org), Create Your Life Book presents 18 step-by-step mixed-media drawing and painting projects that encourage self-fulfillment through the creative process. Tamara's kind, non-judgmental voice guides your way. What is holding you back? Where do you want to go? Let go of the past! Use these expressive exercises to help you recognize your personal challenges and other obstacles, then work through

them. Let go of limiting beliefs, find courage, feel gratitude, heal pain, and develop self-love as you playfully create. Each themed chapter presents four to five two-part projects. First, you will explore a common issue that hampers creativity and/or positive self-worth. The second portion is a step-by-step mixed-media art project designed to help you work through that issue. Just a few of the explorations: Let go of what no longer serves you by taking stock of what's holding you back, then create a zentangle butterfly to symbolize you flying away from those limiting things. Embrace and love your inner quirky bird by taking an inventory of your quirky traits, then create a bird that celebrates them. Heal old wounds by writing a letter to yourself as a child, then create a house to keep your inner child safe. Adding rich variety to the messages and art inspiration, some of the project outlines have been contributed by Tamara's guest teachers: Roxanne Coble, Andrea Gomoll, Alena Hennessy, Mystele Kirkeeng, Ivy Newport, and Effy Wild, each of whom are noted mixed-media artists in their own right. The final chapter presents a simple binding method for creating a keepsake book of your Life Book projects. Steeped in inspirational images and uplifting affirmations, Create Your Life Book can help you achieve both personal and creative growth.
