If Anything Happens I Love You Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

The Brazil Reader James N. Green,Victoria Langland,Lilia Moritz Schwarcz,2018-12-07 From the first encounters between the Portuguese and indigenous peoples in 1500 to the current political turmoil, the history of Brazil is much more complex and dynamic than the usual representations of it as the home of Carnival, soccer, the Amazon, and samba would suggest. This extensively revised and expanded second edition of the best-selling *Brazil Reader* dives deep into the past and present of a country marked by its geographical vastness and cultural, ethnic, and environmental diversity. Containing over one hundred selections—many of which appear in English for the first time and which range from sermons by Jesuit missionaries and poetry to political speeches and biographical portraits of famous public figures, intellectuals, and artists—this collection presents the lived experience of Brazilians from all social and economic classes, racial backgrounds, genders, and political perspectives over the past half

millennium. Whether outlining the legacy of slavery, the roles of women in Brazilian public life, or the importance of political and social movements, The Brazil Reader provides an unparalleled look at Brazil's history, culture, and politics.

Besh Big Easy John Besh, 2015-09-29 In this, his fourth big cookbook, the award-winning chef John Besh takes another deep dive into the charm and authenticity of creole cooking inspired by his hometown, New Orleans. Besh Big Easy: 101 Home-Cooked New Orleans Recipes, is a fresh and delightful new look at his signature food. Besh Big Easy will feature all new recipes and easy dishes, published in a refreshing new flexibound format and accessible to cooks everywhere. Much has changed since Besh wrote his bestselling My New Orleans in 2009. His restaurant empire has grown from two to twelve acclaimed eateries, from the highly praised Restaurant August to the just opened farm-to-table taqueria, Johnny Sanchez. John's television career has blossomed as well. He's become known to millions as host of two national public television cooking shows based on his books and of Hungry Investors on Spike TV. Besh Big Easy is dedicated to accessibility in home cooking and Orleans cuisine. There's no reason a good jambalaya needs two dozen ingredients, John says. In this book, jambalaya has less than ten, but sacrifices nothing in the way of flavor and even offers exciting yet simple substitutions. With 101 original, personal recipes such as Mr. Sam's Stuffed Crabs, Duck Camp Shrimp & Grits, and Silver Queen Corn Pudding, Besh Big Easy is chock-full of the vivid personality and Louisiana flavor that has made John Besh such a popular American culinary icon. Happy eating!
