If Anything Happens I Love You Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, If Anything Happens I Love You is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. If Anything Happens I Love You may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

A group of misfits from the twenty-second century have travelled six million years back in time to the Pliocene Epoch. But instead of an uninhabited paradise, they discover a land overrun with two alien races—each possessing great psychic powers—locked in bitter war. After escaping the knightly Tanu, a group of humans forms an uneasy alliance with the dwarfish Firvulag. But even after they succeed in destroying the Tanu capital, the war is far from over. Aiken Drum, a human with awesome mental powers, has usurped the Tanu throne. Aiken faces opposition from skeptical Tanu factions, as well as the revitalized Firvulag, who now out-number the Tanu-human coalition that Aiken has patched together. But another menace emerges to threaten Aiken’s rule: a group of fearsome rogues from the year 2083, who have been living quietly in North America for decades. Led by Marc Remillard, they now seek to take advantage of the chaos in King Aiken’s Many-Colored Land in order to seize control of the time-portal. The Nonborn King features the same blend of adventure, rich pageantry, humor, and fantastic eroticism that characterized The Many-Colored Land and The Golden Torc.
