If Anything Happens I Love You Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

Floral Diplomacy at the White House Laura Dowling,2017-02 Stunning floral creations from the Chief Floral Designer at The White House Laura Dowling served as Chief Floral Designer at the White House form 2009 until 2015. In this unique position, she managed décor and flowers for thousands of White House events while using flowers as a strategic tool for communicating diplomatic, symbolic and policy messages. She is renowned for creating a new romantic style of flower arranging featuring free-flowing lines of vines and flowers emanating from a classical bouquet. This style is most evocative of nature and the garden, and balances a strong artistic vision with the wildness of nature. Under her leadership, Laura implemented floral artistry at the White House, designing bouquets of seasonal garden flowers in a style that is both modern and refined, yet casually elegant. She often presents her innovative arrangements in hand-made organic containers composed of leaves, branches and berries that are woven into patterns and motifs, creating integrated, cohesive displays that conjure both nature and the garden. Here, she describes her inspiration, provides tips and techniques on flower arranging and entertaining, and offers readers a fascinating behind-the-scenes glimpse into both official and private White House life.
