Garden of Thorns Amber Mitchell,2017-03-06 “A tense, fast-paced fantasy.” —Taylor Fenner, author of *The Haunting Love* After seven grueling years of captivity in the Garden—a burlesque troupe of slave girls—sixteen-year-old Rose finds an opportunity to escape during a performance for the emperor. But the hostage she randomly chooses from the crowd isn't one of the emperor's men—not anymore. He's the former heir to the throne...and is now leading a rebellion against it. Rayce is a wanted man and dangerously charismatic. He's the worst person for Rose to get involved with, no matter what his smile promises. Assuming the hostage-taking is part of the emperor's plot to crush the rebellion, he decides to take Rose as his hostage instead. Now Rose must prove where her loyalties lie, so she offers Rayce a deal—if he helps her rescue the other girls, she'll tell him all the Garden's secrets. Well, almost all. Because there's one secret she's been keeping these seven years...and she'll take it to the grave. The *Garden of Thorns* series is best enjoyed in order: Book #1 *Garden of Thorns* Book #2 *War of the Wilted* Book #3 *Roots of Ruin*

Original Grin Ron English,2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie Supersize Me; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on The Simpsons secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.
