Mulan (Disney Princess) Gina Ingoglia,2013-11-27 Boys and girls ages 3-7 will love this Little Golden Book retelling Disney's *Mulan*, available just in time for the release of the Platinum Edition DVD and Blu-Ray in spring 2013! In order to save her father's life, *Mulan* disguises herself as a soldier and takes his place in the army. Will *Mulan* bring shame to her family for what she has done? Or will she help save China from the Huns?

Disney's Mulan ,1998 This is the story of a brave girl who disguises herself as a man in order to fight in place of her aging father and saves the Emperor from Huns and brings the honor to her family.

Millionaire by Thirty Douglas R. Andrew,Emron Andrew,Aaron Andrew,2008-04-30 The definitive, easy to understand and breakthrough guide on how young people can take their limited first income and turn it into a small fortune by the time they turn thirty from an expert financial planner. Most people know that there are 70 million Baby Boomers in America today....but what is less known is that there are approximately 100 million people in America between the ages of 16 and 30. This generation has just entered, or will soon be entering the work force. And they have no idea how to invest, save, or handle their money. Young people today come out of school having had little or no formal education on the basics of money management. Many have large debts from student loans looming over their heads. And many feel confused and powerless when their pricey educations don't translate into high paying jobs. They feel that their \$30,000-\$40,000 salary is too meager to bother with investing, and they constantly fear that there will be too much month left at the end of their money. Douglas R. Andrew has shown the parents of this generation a different pathway to financial freedom. Now Doug and his sons, Emron and Aaron - both of whom are in their mid-20s - show the under-30 crowd how they can break from traditional 401k investment plans and instead can find a better way by investing in real estate, budgeting effectively, avoiding unnecessary taxes and using life insurance to create tax-free income. With the principles outlined in *Millionaire by Thirty*, recent graduates will be earning enough interest on their savings to meet their basic living expenses by the time they're 30. And by the time they're 35, their investments will be earning more money than they are, guaranteeing them a happy, wealthy future.

Toots and the Upside-Down House Carol Hughes,2008-12-24 If only *Toots* hadn't been so angry with her father. If only she hadn't run home by herself. If only she hadn't seen the fairy on the ceiling. . . . But then again, if things had been different, *Toots*'s whole world wouldn't literally have been turned upside-down. And she would never have had the most amazing adventure. . . . A rare, special book, *Toots and the Upside-Down House* combines fantasy and adventure with the real, everyday issues of love and loss. This is a dazzling debut novel, one that children--and parents--will return to again and again.

If Anything Happens I Love You Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, *Rose*, in a school shooting. Readers follow *Rose* from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, *Rose*’s soul seeks to help her parents reconnect. We learn who *Rose* was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, *Rose* is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

Practical Finite Element Analysis Nitin S. Gokhale,2008 Highlights of the book: Discussion about all the fields of Computer Aided Engineering, Finite Element Analysis Sharing of worldwide experience by more than 10 working professionals Emphasis on Practical usage and minimum mathematics Simple language, more than 1000 colour images International quality printing on specially imported paper Why this book has been written ... FEA is gaining popularity day by day & is a sought after dream career for mechanical engineers. Enthusiastic engineers and managers who want to refresh or update the knowledge on FEA are encountered with volume of published books. Often professionals realize that they are not in touch with theoretical concepts as being pre-requisite and find it too mathematical and Hi-Fi. Many a times these books just end up being decoration in their book shelves ... All the authors of this book are from IITs & IISc and after joining the industry realized gap between university education and the practical FEA. Over the years they learned it via interaction with experts from international community, sharing experience with each other and hard route of trial & error method. The basic aim of this book is to share the knowledge & practices used in the industry with experienced and in particular beginners so as to reduce the learning curve & avoid reinvention of the cycle. Emphasis is on simple language, practical usage, minimum mathematics & no pre-requisites. All basic concepts of engineering are included as & where it is required. It is hoped that this book would be helpful to beginners, experienced users, managers, group leaders and as additional reading material for university courses.

Fairy Tales from Hans Christian Andersen - Illustrated by Dugald Stewart Walker Hans Christian Andersen,2016-02-05 This vintage book contains a collection of twelve classic fairy tales by Hans Christian Andersen with illustrations by Dugald Stewart Walker. Hans Christian Andersen (1805 - 1875) was a Danish writer. He wrote many poems, travelogues, and plays, but he is most famous for his fairy tales, which have been translated into over 125 languages and continue to have a significant influence on western popular culture. Some of his most famous tales include The Emperor's New Clothes, The Little Mermaid, and The Ugly Duckling. This timeless collection would make for a worthy addition to any bookshelf and is not to be missed by fans and collectors of Anderson's seminal work. Contents include: The Mermaid, The Flying Trunk, The Red Shoes, Thumbelisa, The Girl Who Trod on a Loaf, The Nightingale, The Garden of Paradise, The Wind's Tale, The Snow Queen, What The Moon Saw, The Marsh King's Daughter, and The Travelling Companions. These tales are accompanied by the beautiful and intricate illustrations of Dugald Stewart Walker. Walker was one of the most highly-celebrated illustrators of children's books during the early twentieth century and are best remembered for the lavish, magical realm that they frequently described. He is perhaps best known for his contributions to Fairy Tales from Hans Christian Andersen (1914), but also illustrated books such as The Boy who Knew what the Birds Said and Dream Boats and Other Stories. Pook Press celebrates the great 'Golden Age of Illustration' in children's classics and fairy tales - a period of unparalleled excellence in book illustration. We publish rare and vintage Golden Age illustrated books, in high-quality colour editions, so that the masterful artwork and story-telling can continue to delight both young and old.
