SHARON BLACKIE

📖 **Disney Ideas Book** DK,Elizabeth Dowsett,2018-10-02 Bring your love of Disney to life with more than 100 amazing and creative projects and activities. The perfect rainy-day gift for kids who love Disney and enjoy crafting. Let their imaginations run wild with more than 100 enchanting Disney inspired arts and crafts, party games, puzzles, papercraft and many more fun and practical activities. With stunning photography and clear step-by-step instructions, the Disney Ideas Book guides you through each exciting project, from growing grass hair on Frozen trolls and creating The Lion King animal masks to crafting festive Mickey Mouse hanging decorations and Winnie the Pooh party hats. There are top tips on every page to help make your creations a success, with handy templates provided at the back of the book. Featuring family favourite characters from animation and live-action movies and TV, including Frozen, Toy Story, Moana, Inside Out and Cinderella.

📖 **Curious George's First Day of School** Margret Rey,Hans Augusto Rey,2005 It's the first day of school, and Curious George has been invited to Mr. Apple's class to be a special helper George is just the right monkey for the job--until he starts to wreak his usual havoc, that is. Red and yellow paint makes orange, yellow and blue makes green . . . and a mixture of all the paint colors makes a big mess Curious George and the First Day of School is a story based on H. A. and Margret Rey's popular primate and painted in the original watercolor and charcoal style. A full-color twenty-four-page paperback with bonus activities inside, including an ants on a log recipe, a word search, and a color your world craft idea. For more monkey fun, investigate www.curiousgeorge.com and discover all the latest on Curious George books, promotions, games, activities, and more

📖 **Freya, the Great Goddess of the North** Britt-Mari N  sstr  m,1995

📖 **If Anything Happens I Love You** Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, If Anything Happens I Love You is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from "above" as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose's soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. If Anything Happens I Love You may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

📖 **Bound to Please** Frollo,2003-05-01

📖 **Foxfire, Wolfskin and Other Stories of Shapeshifting Women** Sharon Blackie,2019-09-26 Beautiful, rich short stories, drawing on myth and folklore to bring to life women's remarkable ability to transform themselves in the face of seemingly impossible circumstances. 'A book for all the wild women ... Foxfire, Wolfskin is simply the most perfect thing. I love each and every placement of each word. Love the wildness, the shapeshifting, the fearsomeness of it.' Jackie Morris, co-author of The Lost Words 'She lived fully, my fox, and I envied her with all my heart. I wanted to dance with her, sister or lover, across the snow-clad vastness of this land. Together, we'd create the Northern Lights. For that is what foxes do racing over the fells, whipping up the snow with their tails, the friction of it sending up sparks into the midnight sky. This is what makes the aurora's glow. Revontulet, we call it: foxfire.' Charged with drama and beauty, this memorable collection by a master storyteller weaves a magical world of possibility and power from female myths of physical renewal, creation and change. It is an extraordinary immersion into the bodies and voices, mindscapes and landscapes, of the shapeshifting women of our native folklore. Drawing on myth and fairy tales found across Europe from Croatia to Sweden, Ireland to Russia, these stories are about coming to terms with our animal natures, exploring the ways in which we might renegotiate our fractured relationship with the natural world, and uncovering the wildness and wilderness within. Beautifully illustrated by Helen Nicholson, Foxfire, Wolfskin and Other Stories of Shapeshifting Women is Blackie's first collection of short stories. 'Sharon Blackie has wrought a new-old magic for our times: glorious, beautiful, passionate myths. They show who we could have been, and they give us a glimpse of a world-that-could-be.' Manda Scott, author of A Treachery of Spies and Boudica 'A deeply evocative and haunting collection ... Part rally cry, part warning, part manifesto and all parts enchanting, Sharon Blackie's Foxfire, Wolfskin is a deeply evocative and haunting collection. I want to press this powerful book into the hands of everyone I know and say listen.' Holly Ringland, author of The Lost Flowers of Alice Hart

📖 **Tales of the Mermaid Tavern** Alfred Noyes,1913

📖 **World's Best Origami** Nick Robinson,2010-11-02 Join the fold and discover this timeless art form. World's Best Origami is an amazing collection of more than 100 of the most unusual and best-loved origami patterns ever created. Expert origami artist Nick Robinson has collected traditional origami patterns as well as his own pieces and those from some of the greatest origami artists in the world—many in print here for the first time ever. • More than 100 pieces—the most comprehensive origami book on the market • Projects rated from beginner to advanced and include everything from boxes, containers, geometrics, and abstracts to figures, birds, animals, and flowers, and more—this unique volume has something for everyone at every skill level • Each diagram clearly displayed with easy-to-understand instructions • The only book to include the works of several masters of the craft, including Edwin Corrie and Francesco Guarnieri, as well as the author

📖 **Desmond Pucket Makes Monster Magic** Mark Tatulli,2013-10-01 Tatulli's entry into the comics/fiction--hybrid market is one of the best...The target audience will snap this up and beg for more. ---Kirkus Reviews (starred review) This is full of ghoulish fun, and fans of Diary of a Wimpy Kid probably won't want to miss it. ---School Library Journal Desmond Pucket neatly fills a gap for our readers---it's a step more sophisticated than Diary of a Wimpy Kid but appeals to that reader. It's also so great to have a Halloween/monster/scary stuff series to offer boys that is not Goosebumps. ---Rebecca Waesch, Children's Product Manager, Joseph-Beth Booksellers Meet Desmond Pucket---professor of frightology and master of monsters. Someday Desmond will be famous for his special effects wizardry, but for now he's just trying to make it through sixth grade at Cloverfield Memorial Junior High, which means he needs to stay one step ahead of the school's disciplinary officer, Mr. Needles. The only problem is Desmond just can't stop pulling pranks---like the time he attached a shrieking rubber goblin to the toilet seat in the teachers' bathroom. Mrs. Rubin screamed so loudly her wig flew off! Or the time he put giant motorized worms into the mashed potatoes in the cafeteria. Or the time Desmond and his best friend, Ricky, arranged for a three-headed ghost to crash his sister's slumber party. Rachel still hasn't forgiven him. And now Desmond has to stay prank-free for the rest of the year, or he won't be able to go on the class trip to Crab Shell Pier, home of the Mountain Full of Monsters ride! It's going to be tough, but Desmond has to try. This book includes a section of Desmond's Notes: instructions for making monster magic (think scary noises, or fake blood) at home!

📖 **What They Don't Teach in Art School** Will Terry,2021 A marketing and best businesses practice manual for aspiring illustrators to use after they have mastered the art of illustration. This book will help artists learn techniques to land illustration in house jobs, freelance jobs, and create and market their own branded products online.

📖 **Can't Wait Until Christmas** Linda Lee Maifair,1989 Big Bird finds it difficult waiting till Christmas despite his grandmother's helpful advice.

📖 **The Green Wiccan Book of Shadows** Silja,2011-09-08 Traditionally, the Book of Shadows is a High Priestess's way of handing on her collection of spells, rituals and magical tips and tricks to her coven members. Modern-day witches, by necessity or choice, often practise alone without access to this invaluable knowledge—and this is where this lavishly illustrated compendium comes in. Celtic Wiccan High Priestess Silja covers the basic and intermediate levels of magic for solitary witches. She shares a wide-ranging array of spells that have been successful for her—not least how to attract more love, money and luck into your life. With an easy to difficult rating system, she makes it simple for anyone to learn basic spells and then progress. Silja shares meditations—from energy-raising exercises to vision quests and guided meditations you can do with friends—and shows you why rituals are not just for coven use. Discover how to practise rituals alone to honour the seasons, say thanks to the deities for a spell that worked or send healing energy to a friend in need. Finally, once you have absorbed Silja's wisdom and knowledge, you can begin personalizing your magic and writing your own spells.

📖 **The Pixar Theory** Jon Negroni,2015-06-04 Every Pixar movie is connected. I explain how and possibly why. These are the words that began the detailed essay now known as The Pixar Theory, which came out way back in 2013. It collected over 10 million views on Jon's blog alone, and was syndicated on Buzzfeed, Mashable, Huffpost, Entertainment Weekly, and more - generating over 100 million impressions and now translated into a dozen languages. Now, these thoughts and ideas first written by Jon Negroni have been fully realized inside this book, aptly named The Pixar Theory. In this book, you'll find an analysis of every single Pixar movie to date and how it tells a hidden story lurking behind these classic movies. You'll learn about how the toys of Toy Story secretly owe their existence to the events of The Incredibles. You'll learn about what truly happened to the civilization of cars from Cars before the events of Wall-E. And of course, you'll find out the possible truth for why Boo of Monsters Inc. is the most important Pixar character yet. Welcome to the Pixar Theory. Don't forget to fasten your imagination.

📖 **Vera** Susan Seid,2010-09-01 Legendary designer and artist Vera Neumann (1907-1993) believed in art's ability to inspire and enrich lives. An innovator and one of the most successful female entrepreneurs of her time, Vera built her company on a radical philosophy: fine art should be accessible to everyone, not just a select few. Known for her iconic images of cheerful flowers, trendy geometrics, and vibrant ladybugs, she believed people should surround themselves with beauty. For the first time, Vera: The Art and Life of an Icon, tells her inspiring story through the art and designs she created. In this volume, richly illustrated with Vera's original sketches, paintings, and photographs of her worldwide travels, readers are introduced to the amazing woman behind the dynamic designs that continue to inspire and influence art, design, and fashion.
