Disney Ideas Book DK,Elizabeth Dowsett,2018-10-02 Bring your love of Disney to life with more than 100 amazing and creative projects and activities. The perfect rainy-day gift for kids who love Disney and enjoy crafting. Let their imaginations run wild with more than 100 enchanting Disney inspired arts and crafts, party games, puzzles, papercraft and many more fun and practical activities. With stunning photography and clear step-by-step instructions, the Disney Ideas Book guides you through each exciting project, from growing grass hair on Frozen trolls and creating The Lion King animal masks to crafting festive Mickey Mouse hanging decorations and Winnie the Pooh party hats. There are top tips on every page to help make your creations a success, with handy templates provided at the back of the book. Featuring family favourite characters from animation and live-action movies and TV, including Frozen, Toy Story, Moana, Inside Out and Cinderella.

The Queens of Animation Nathalia Holt,2019-10-22 From the bestselling author of Rise of the Rocket Girls, the untold, richly detailed story of the women of Walt Disney Studios, who shaped the iconic films that have enthralled generations (Margot Lee Shetterly, New York Times bestselling author of Hidden Figures). From Snow White to Moana, from Pinocchio to Frozen, the animated films of Walt Disney Studios have moved and entertained millions. But few fans know that behind these groundbreaking features was an incredibly influential group of women who fought for respect in an often ruthless male-dominated industry and who have slipped under the radar for decades. In The Queens of Animation, bestselling author Nathalia Holt tells their dramatic stories for the first time, showing how these women infiltrated the boys' club of Disney's story and animation departments and used early technologies to create the rich artwork and unforgettable narratives that have become part of the American canon. As the influence of Walt Disney Studios grew -- and while battling sexism, domestic abuse, and workplace intimidation -- these women also fought to transform the way female characters are depicted to young audiences. With gripping storytelling, and based on extensive interviews and exclusive access to archival and personal documents, The Queens of Animation reveals the vital contributions these women made to Disney's Golden Age and their continued impact on animated filmmaking, culminating in the record-shattering Frozen, Disney's first female-directed full-length feature film. A Best Book of 2019: Library Journal, Christian Science Monitor, and Financial Times

Cozy Coloring Book Editors of Thunder Bay Press,2019-09-17 Cozy up and color in these heartwarming images! The recreational equivalent of a fleece blanket, the Cozy Coloring Book is a perfect companion for rainy afternoons or a serene evening with wine and friends. The lovely images include flowers, animals, mandalas, and more. Swirls and angles make each picture an interesting adventure to color in! Coloring can be very centering and meditative, so get out your art supplies and enjoy!

Disney Princess Comic Strips: The Enchanted Collection Disney,2018-03-06 Get ready for adventure! Disney's beloved Princesses are back again in this huge, hilarious collection of the Disney Princess comic series from Joe Books. Featuring laugh-out-loud stories from the worlds of Ariel, Belle, Cinderella, Tiana, Pocahontas, Rapunzel, and others, this charming collection will make all of your dreams come true. What would happen if Tiana judged a chili cook-off? Or if Merida took up babysitting? How would Aurora spend a snow day? Jam-packed with wonderful Disney charm and laughter, these enchanting comics are a perfect read for all ages. This volume collects Disney Princess issues #1–14, with beautiful illustrations by Amy Mebberson, Dylan Bonner, Brianna Garcia, and Mitch Leeuwe.

Good Girls & Wicked Witches Amy M. Davis,2007-02-20 An in-depth view of the way popular female stereotypes were reflected in—and were shaped by—the portrayal of women in Disney's animated features. In Good Girls and Wicked Witches, Amy M. Davis re-examines the notion that Disney heroines are rewarded for passivity. Davis proceeds from the assumption that, in their representations of femininity, Disney films both reflected and helped shape the attitudes of the wider society, both at the time of their first release and subsequently. Analyzing the construction of (mainly human) female characters in the animated films of the Walt Disney Studio between 1937 and 2001, she attempts to establish the extent to which these characterizations were shaped by wider popular stereotypes. Davis argues that it is within the most constructed of all moving images of the female form—the heroine of the animated film—that the most telling aspects of Woman as the subject of Hollywood iconography and cultural ideas of American womanhood are to be found. "A fascinating compilation of essays in which [Davis] examined the way Disney has treated female characters throughout its history." —PopMatters

Mulan (Disney Princess) Gina Ingoglia,2013-11-27 Boys and girls ages 3-7 will love this Little Golden Book retelling Disney's Mulan, available just in time for the release of the Platinum Edition DVD and Blu-Ray in spring 2013! In order to save her father's life, Mulan disguises herself as a soldier and takes his place in the army. Will Mulan bring shame to her family for what she has done? Or will she help save China from the Huns?

Learn to Earn Peter Lynch,John Rothchild,2012-11-27 Mutual-fund superstar Peter Lynch and author John Rothchild explain the basic principles of the stock market and business in an investing guide that will enlighten and entertain anyone who is high-school age or older. Many investors, including some with substantial portfolios, have only the sketchiest idea of how the stock market works. The reason, say Lynch and Rothchild, is that the basics of investing—the fundamentals of our economic system and what they have to do with the stock market—aren't taught in school. At a time when individuals have to make important decisions about saving for college and 401(k) retirement funds, this failure to provide a basic education in investing can have tragic consequences. For those who know what to look for, investment opportunities are everywhere. The average high-school student is familiar with Nike, Reebok, McDonald's, the Gap, and the Body Shop. Nearly every teenager in America drinks Coke or Pepsi, but only a very few own shares in either company or even understand how to buy them. Every student studies American history, but few realize that our country was settled by European colonists financed by public companies in England and Holland—and the basic principles behind public companies haven't changed in more than three hundred years. In Learn to Earn, Lynch and Rothchild explain in a style accessible to anyone who is high-school age or older how to read a stock table in the daily newspaper, how to understand a company annual report, and why everyone should pay attention to the stock market. They explain not only how to invest, but also how to think like an investor.

Wishes for Fishes C. Spliedt,2014-03-15 Have you wondered what a fish would wonder if he could leave the sea? Wishes For Fishes is a collection of short stories and brilliant illustrations from author C. Spliedt. Go on a journey with a one-legged octopus, and a mouse who lives on a tortoise shell. Meet a zebra who lost his stripes, a girl made of glass, and a ghost who's too tiny to be scary. Follow the tale of a fish who dared to dream. Get excited for this whimsical book that is sure to bring a smile to the face of kids and adults alike.

The Disney Princess Charles Solomon,2020 For every classic Disney fairytale, the Disney princess has always been the beating heart and soul, the magic ingredient that ties the masterpiece together. Now, with the release of never-before-seen concept art from the legendary Disney archive, nostalgic fans and collectors finally have the chance to get a closer look at how each of these princesses came to be. With over 200 colourful images, this spectacular eye-catching package serves as the definitive celebration and history of the Disney princess from 1937 to 2019.

Hollywood's Indian Peter Rollins,2011-01-23 Offering both in-depth analyses of specific films and overviews of the industry's output, Hollywood's Indian provides insightful characterizations of the depiction of the Native Americans in film. This updated edition includes a new chapter on Smoke Signals , the groundbreaking independent film written by Sherman Alexie and directed by Chris Eyre. Taken as a whole the essays explore the many ways in which these portrayals have made an impact on our collective cultural life.

Saving Cinderella Faith Moore,2018-12-02 It's time to save Cinderella!Ready for a radical statement? Disney princesses aren't anti-feminist. Until the 1990s, Disney princesses were role models for little girls, teaching them how to grow up into strong, centered, moral women. But then something terrible happened. A vocal minority of viewers and film critics (let's call them princess critics) got hold of the narrative. They called Disney princesses drips, said they were boring, and boiled their dreams down to husband hunting. And Disney listened, churning out princesses who were virtue-signaling, man-hating puppets shouting the ideas of the princess critics. But the princess critics were wrong. Each chapter in this book covers one of the eleven official Disney princesses (plus Elsa and Anna from Frozen, who aren't yet official). In chronological order the book will explore the themes, tropes, and symbolism of these movies, and the ways in which the princess critics have influenced our perceptions of them. And then it will prove the princess critics wrong.Saving Cinderella rescues the Disney princess narrative from the princess critics, giving Disney fans everywhere the validation they need to proudly love the princesses they've always admired in secret.

**Disney's Princess Collection** Sarah E. Heller,Walt Disney,1999

Princess Adventure Stories Disney Storybook Artists Staff,2013 Join the princesses on one amazing adventure after the next. Go with Ariel on a dangerous quest to find a magical purple pearl.
