Feel Good Colouring Nadine Staaf, 2014-07-17 Best Adult Colouring Book | A Top-Selling Adult Colouring Book on Amazon UK | Perfect Gift for Grown-Ups, Young Adults, and Self-Help This adult colouring book is designed to help you feel good! With encouraging words throughout these creative colouring pages, this detailed adult colouring book is the perfect way to find relaxation and feel inspired. Colouring is a great way to de-stress and have a creative outlet, to align yourself with the present moment, and to simply feel better about your life and the world. Best Adult Colouring Book to Improve Awareness If you're an adult or youth counselor or have trained in psychiatry, then you likely understand the benefits of focusing. With a feel-good adult colouring book and a set of felt-tipped markers or pencil crayons, focusing can be a state of mind within just a few moments. Colouring can ease brain chatter and bring with it a sense of well-being. Abstract Designs, Inspired by Nature This adult colouring book combines images of nature, from the perspective of the artist. The Earth's elements of moving water and dancing plant-life play an important role in this coloring book, and the swaying motion of the wind is prevalent. Movement and nature are very important to an energetic and happy life! Human Elements Bring it all Together You will notice that some of the detailed colouring pages incorporate human elements, such as hot air balloons. This has been created with the intention of inspiring people to expand their vision of what is possible for their lives. There is something so magical about the hot air balloon (perhaps because it's not

something you often experience). There is magic in every day! Illustrated in Canada All of the colouring pages are hand-drawn by Nadine Staaf, from Canada, and they are drawn for you with love. Many hours of work have been invested in each colouring page and it has been a pleasure to create them. The process of designing an adult colouring book from blank paper to final print has been exciting! Colouring Book for Grown-Ups and Youth From Nadine-- This colouring book is for YOU and for the people you love most in the world. I hope it brings you much joy and encouragement to pursue your innermost dreams. I have always dreamed about publishing books, and it's my pleasure to be able to share it with you. Stay tuned for Book #2 Book #2 is on its way! Follow Nadine Staaf on Instagram, Facebook, and Twitter to hear of the release date! Suitable Age and Skill Level Anyone can colour in this colouring book, but it is truly suitable for someone who is looking to expand their skill and technique. I have a son who is 8 and this colouring book is a bit too detailed for his level. It seems to be the perfect colouring book for adults and youth. Felt Tipped Pens or Crayons? I have intentionally designed this book to have single-sided pages so that you can take the pages out and not need to worry about felt markers bleeding through the pages and not being able to colour on the back side of the page. If you plan to colour with the pages remaining in the book, I would still recommend you put an extra sheet of paper behind the one you are colouring on, simply so that you can ensure there is no bleeding of the ink through to the next page. Felt-tipped pens or sharp pencil crayons are suitable. Crayons wouldn't likely give you the desired look because there are many small spaces that could work better with a fine-tipped marker or pencil. Frame Your Colouring Book Pages When you have completed a page, carefully remove it from the book and frame it or laminate it. These would be wonderful homemade gifts for the people you care about. All Images Copyright Nadine Staaf All adult colouring book pages are copyright Nadine Staaf. If you take photos of your colouring, please link people to this Amazon page so they can buy one & tag me on social media :) Thanks!
