100 Greatest American and British Animated Films Thomas S. Hischak, 2018-04-20 Animation has been a staple of the filmmaking process since the early days of cinema. Animated shorts had been produced for decades, but not until 1937 did a major studio venture into animated features when Walt Disney produced *Snow White and the Seven Dwarfs*. Of the hundreds of

animated feature films made since, many have proven their importance over the years while also entertaining generations of audiences. There are also many recent animated movies that promise to become classics in the field. In *100 Greatest American British Animated Films*, Thomas S. Hischak looks at the most innovative, influential, and entertaining features that have been produced since the late 1930s—from traditional hand-drawn works and stop-motion films to computer-generated wonders. These movies have been selected not simply because of their popularity or critical acceptance but for their importance. Entries in this volume contain plot information production history critical reaction commentary on the film's cinematic quality a discussion of the film's influence voice casts production credits songs sequels, spin-offs, Broadway versions, and television adaptations awards and nominations Each movie is also discussed in the context of its original release as well as the ways in which the film has lived on in the years since. Familiar favorites and lesser-known gems are included, making the book a fascinating journey for both the avid animation fan and the everyday moviegoer. With a sweeping look at more than eight decades of movies, *100 Greatest American and British Animated Films* highlights some of the most treasured features of all time.

Strong Side Alison Hendricks,2016-01-21 Their chemistry on the field is undeniable. But can they ever be more than friends? Jason Hawkins is about to throw the biggest Hail Mary pass of his career. If he can't turn NFL recruiters' heads this year, he'll lose

his shot at the one thing he's ever been good at. But every quarterback needs a man he can count on down-field. For Jason, that man just might be the Tigers' new receiver, Derek Griffin. Four years ago, Derek nearly lost everything after being outed by his teammates. Now he finally has a chance to get it all back as a walk-on for Eastshore College... if he can resist his immediate attraction to the gorgeous and very straight star quarterback. An instant connection during practice leads to an easy friendship that only grows stronger off the field. Derek is convinced friendship is all it'll ever be, but a very confusing moment of impulse leaves both of them fumbling for answers about their relationship. As curiosity gives way to passion and passion gives way to something deeper, Jason and Derek will have to tackle their own personal demons to bring home the win and earn their happy ending.

Welcome to Sugartown Carmen Jenner, 2016-11-29 Ana Belle never wanted anything more than to hang up her apron, jump on her Vespa and ride off into the sunset, leaving Sugartown in the dust. Elijah Cade never wanted anything more than a hot meal, a side of hot arse and a soft place to lay his head at night where he could forget about his past. But you know what they say about wanting: you always want what you can't have. Nineteen year-old virgin Ana is about to discover that's not quite true because a six foot three, hotter than hell, tattooed, Aussie sex god just rode into town. He's had a taste of her pie and he wants more- no really, Ana bakes pies for a living, get your mind out of the gutter. She'd be willing to hand over everything tied up in a big red bow, there's just one problem; Elijah has secrets dirtier than last week's underwear. Secrets that won't just break Ana's heart, but put her life at risk, too. When those secrets come to light, their relationship is pushed to breaking point. Add to that a psychotic nympho best friend, an overbearing father, a cuter than humanly possible kid brother, a wanton womanizing cousin, the ex from hell, and more pies than you could poke a ... err ... stick ... at. And you thought small towns were boring. Welcome to Sugartown. Content Warning: Intended for a mature 18+ audience. Contains explicit sex, oodles of profanity and a crap-tonne of AWKWARD.
