In the second section you will find specific instructions for customizing each of the characters with their outfits/costumes, accessories, and unique hairstyles. Some of the twenty projects are very recognizable as Japanese manga/anime characters, such as the Ronin Samurai, Kimono-Chan, Tea Picker, and Shrine Maiden, while others, like the French Maid, Nurse, Baseball Player, and Bunny Girl are more western. Also included are some fantasy characters, like the Fairy, Ori Fighter, Santa's Helper, and Dragon Girl. Of course, characters depicting school life and summer vacation fun are here too, such as Schoolgirl, Sailor Fuku, Gym Girl, Beach Bunny, Sensei, Uki-wa Chan, Harem Otoko, and Neko Form. All projects are clearly marked with their difficulty level: beginner (*), advanced beginner (**), intermediate (***), advanced (****), and expert (*****). Get ready, get set, start folding. Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Medallion Status John Hodgman,2019-10-15 "[An] affecting and hilarious meditation on fame and prestige as seen through the lens of an airline loyalty program." —The AV Club A hilarious and honest new book in which John Hodgman, New York Times bestselling author of Vacationland, leaves vacation behind and gets back to work as a still somewhat famous person . . . and then loses his

job. An uproarious read. After spending most of his twenties pursuing a career as a literary agent, John Hodgman decided to try his own hand at writing. Following an appearance to promote one of his books on The Daily Show, he was invited to return as a contributor. This led to an unexpected and, frankly, implausible career in front of the camera that has lasted to this very day, or at least until 2016. In these pages, Hodgman explores the strangeness of his career, speaking plainly of fame, especially at the weird, marginal level he enjoyed it. Through these stories you will learn many things that only John Hodgman knows, such as how to prepare for a nude scene with an oboe, or what it feels like to go to a Hollywood party and realize that you are not nearly as famous as the Property Brothers, or, for that matter, those two famous corgis from Instagram. And there are stories about how, when your television gig is canceled, you can console yourself with the fact that all of that travel that made your young son so sad at least left you with a prize: platinum medallion status with your airline. Both unflinchingly funny and deeply heartfelt, Medallion Status is a thoughtful examination of status, fame, and identity--and about the way we all deal with those moments when we realize we aren't platinum status anymore and will have to get comfortable in that middle seat again.

Border Bang Jorge Gutiérrez,2018-11-13 WHEN MEXICAN FOLKORE MEETS U.S. POP CULTURE!!!! Border Bang is a passionate love letter to the Tijuana and US border, documenting the bootleg artifacts sold to locals and tourists alike. Reappropriating the bombardment of pop culture images is the border’s reaction to global issues and events, telling viewers and consumers not to glorify these situations but rather to acknowledge them through their subversive presentation. Border artisans and shysters digest the influx of international popular culture, reappropriating and reconfiguring images to express themselves and empower objects with subversive ideas masked underneath bold colors and text. Raised in Tijuana, Gutierrez crossed the border to the US to attend elementary and middle school. Each day, he was dazzled and entranced by the objects being sold, creating alternative narratives to the cartoon characters and celebrity portraits that he saw. Border Bang is a reflection of his childhood narrative, using images from Mickey Mouse to Tupac Shakur to convey the reflections and meditations of global events as witnessed by the border, exploring his love affair with Mexican pop and folk culture.
