From creating flag books and fishbones, to blizzards and nesting boxes, you'll gain an invaluable insight into the work of two skilled artists with this fun read! With the help of their thorough instructions and simple illustrations, you'll be on your way to becoming a pro paper crafter in no time at all – Sew magazine A wonderful insight into the work of a truly skilled artist – PaperCrafter The renowned and influential book artist Hedi Kyle shows you step-by-step how to create her unique designs using folding techniques in The Art of the Fold. Bookbinding and paper craft projects include flag books, blizzard books, the fishbone fold, and nesting boxes. Written by the doyenne of artists' books, Hedi Kyle, The Art of the Fold is a wonderful insight into the work of a truly skilled artist. Hedi will show you how to bind a book and fold paper to create over 35 of her cut-fold book designs. The book is beautifully illustrated with Hedi's finished works of art. An excerpt from the book: 'I can still remember the thrill I experienced when my first folded book structure emerged from my fingers – how eager I was to explore its possibilities and to share it with whoever was interested. The Flag Book, as I now call it, is a simple accordion and has interlocking pages oriented in opposite directions. Little did I know that this simple structure would have legs and be the catalyst for the next forty-plus years of thinking about and making books. The common perception of the book today is fairly straightforward: a series of pages organized around a spine and protected on either side by two covers. This format allows for easy access, storage and retrieval of information. Yet what happens when the book is stripped away of centuries of preconceptions and is allowed to reveal something else: playfulness, utility, invention? Expanding the notion of the book is what the structures in the following chapters of The Art of the Fold attempt to do. Exploring its tactile, sculptural form, primarily through folding methods, the book as a structural object is celebrated while content is considered in a new and unconventional way. My range in this medium has always been broad. In part this is due to my introduction to the world of bookbinding and some chance encounters. In the 1970s in New York City, the art and craft of hand bookbinding and papermaking were experiencing an unprecedented revival. I was fortunate to arrive in the city at just this moment. With an art-school background and an impulse to make things, I was naturally drawn to pursue this new opportunity. The Center for Book Arts, the famous forerunner of so many centers yet to come, was located in a small storefront just down the street from where I lived on the Lower East Side of Manhattan. Under the direction of founder Richard Minsky, it had a radical mission: to push concept, materials, printing and making of artist books in a new direction. When Richard dared me to teach at the Center one evening a week, I was hooked. My career as a book conservator and a book artist has now spanned over 45 years. As head conservator at the American Philosophical Society in Philadelphia, I've had the opportunity to handle some of the rarest volumes and manuscripts in the world. I have also dealt with decrepit books, torn maps and countless curiosities discovered in stacks and archives. All were endless sources for ideas and provided a springboard for a departure from tradition. Leading book-arts workshops around the world and a 25 year tenure teaching in the graduate program for Book Arts and Printmaking at the University of the Arts in Philadelphia have shown me, in retrospect, that the more I taught, t

Contributors include Malcolm Gladwell, Thomas Keller, Michael Chabon, Alice Waters, James Patterson, Maira Kalman, Judd Apatow, Chuck Klosterman, Miranda July, Alex Ross, Nancy Pearl, David Chang, Patti Smith, Jennifer Egan, and Dave Eggers, among many others. With colorful and endearingly hand-rendered images of book spines by Jane Mount, and first-person commentary from all the contributors, this is a perfect gift for avid readers, writers, and all who have known the influence of a great book.

European Pack for Visiting Auschwitz-Birkenau Memorial and Museum Alicja Białocka, 2010-01-01 Taking groups of students To The Auschwitz-Birkenau Memorial and Museum is a heavy responsibility, but it is a major contribution to citizenship if it fosters understanding of what Auschwitz stands for, particularly when the last survivors are at the end of their lives. It comes with certain risks, however. This pack is designed for teachers wishing to organise student visits to authentic places of remembrance, and for the guides, academics and others who work every day with young people at Auschwitz. There is nothing magical about visiting an authentic place of remembrance, and it calls for a carefully thought-out approach. To avoid the risk of inappropriate reactions or the failure to benefit from a large investment in travel and accommodation, considerable preparation and discussion is necessary before the visit and serious reflection afterwards. Teachers must prepare students for a form of learning they may never have met before. This pack offers insights into the complexities of human behaviour so that students can have a better understanding of what it means to be a citizen. How are they concerned by what happened at Auschwitz? Is the unprecedented process of exclusion that was practised in the Holocaust still going on in Europe today? In what sense is it different from present-day racism and anti-Semitism? The young people who visit Auschwitz in the next few years will be witnesses of the last witnesses, links in the chain of memory. Their generation will be the last to hear the survivors speaking on the spot. The Council of Europe, The Polish Ministry of Education and The Auschwitz-Birkenau Memorial and Museum are jointly sponsoring this project aimed at preventing crimes against humanity through Holocaust remembrance teaching.

Playground Jennifer Saginor, 2009-03-17 In the vein of *Running with Scissors*, *Playground* is the glitzy, glamorous, and surreal true story of a young girl who grew up inside the Playboy Mansion and never learned where the party stopped and the real world began. You are six years old. Every day after school your father takes you to a sprawling castle filled with exotic animals, bowls of candy, and half-naked women catering to your every need. You have your own room. You have new friends. You have an uncle Hef who's always there for you. Welcome to the world of *Playground*, the true story of Jennifer Saginor who grew up inside the Playboy Mansion. By the time she was fourteen, she'd done countless drugs, had a secret affair with Hef's girlfriend, and was already losing her grip on reality. Schoolwork, family, and ordinary people had no meaning behind the iron gates of the Mansion, where celebrities frolicked, pool parties abounded, and her own father—Hugh Hefner's personal physician and best friend, the man nicknamed Dr. Feel Good—typically held court. Every day was a party, every night was an adventure, and through it all was a young girl falling faster and faster down the rabbit hole—trying desperately hard not to get lost.

Alice's Nightmare in Wonderland Jonathan Green, 2015-11 Several years after the events of *Alice's Adventures in Wonderland* and *Through the Looking Glass*, Alice finds herself back in Wonderland and called upon to save the world of playing cards and talking animals from the increasingly deranged Queen of Hearts. But all is not as it first appears in the fluctuating dream world and soon Alice is battling to save herself from the nightmare that is rapidly overtaking the realm. Have you ever wondered what would have happened if Alice hadn't drunk from the bottle labelled 'Drink Me', or if she hadn't joined the Hatter, the March Hare, and the Dormouse for tea? Well now you can find out. In *Alice's Nightmare in Wonderland*, YOU decide which route Alice should take, which perils to risk, and which of Wonderland's strange denizens to fight. But be warned - whether Alice succeeds in her quest or meets a dire end as the nightmare escalates will be down to the choices YOU make. Are you ready to go back down the rabbit-hole?
