**Meaningful Making 2** Paulo Blikstein,Sylvia Libow Martinez,Heather Allen Pang,2019-03-08 Meaningful Making 2 is a second volume of projects and strategies from the Columbia University FabLearn Fellows. This diverse group of leading K-12 educators teach in Fab Labs, makerspaces, classrooms, libraries, community centers, and museums--all with the goal of making learning more meaningful for every child. A learning revolution is in the making around the world. Enthusiastic educators are using the new tools and technology of the maker movement to give children authentic learning experiences beyond textbooks and tests. The FabLearn Fellows work at the forefront of this movement in all corners of the globe. In this book, the FabLearn Fellows share all new inspirational lesson ideas, strategies, and recommended projects across a broad range of age levels. Illustrated with color photos of real student work, the Fellows take you on a tour of the future of learning, where children make sense of the world by making things that matter to them and their communities. To read this book is to rediscover learning as it could be and should be--a joyous, mindful exploration of the world, where the ultimate discovery is the potential of every child.

Recovery Through Activity Sue Parkinson,2017-07-05 Recovery Through Activity is underpinned by the conceptual framework of the Model of Human Occupation. The introduction of this treatment handbook will provide an invaluable tool to practitioners and also create a platform for research. Recovery Through Activity: enables service users to recognise the long-term benefits of occupational participation by exploring the value of a range of activities; provides occupational therapists with a valuable tool to support the use of their core skills; provides comprehensive evidence regarding the value of activity along with a wealth of resources to support implementation of an occupation focused intervention; helps to refocus the practice of occupational therapy in mental health on occupation; and supports occupational therapy practitioners to engage in their core skills and enhance the quality of service user care in mental health. This handbook will be of interest to occupational therapy practitioners and students as well as occupational therapy managers who are seeking to introduce time-limited, occupation-focused interventions into clinical pathways.

**The Superhero Book** Gina Misiroglu,2012-04-01 Appealing to the casual comic book reader as well as the hardcore graphic novel fan, this ultimate AtoZ compendium describes everyone's favorite participants in the eternal battle between good and evil. With nearly 200 entries examining more than 1,000 heroes, icons and their place in popular culture, it is the first comprehensive profile of superheroes across all media, following their path from comic book stardom to radio, television, movies, and novels. The best-loved and most historically significant superheroes--mainstream and counterculture, famous and forgotten, best and worst--are presented with numerous full-color illustrations, including dozens of classic comic covers. Each significant era of the superhero is explored--from the Golden Age of the 1930s, 1940s, and 1950s through the Modern Age--providing a unique perspective of the role of the hero over the course of the 20th century and beyond. This latest edition has been revised to reflect updates on existing characters, coverage of new characters, and recent films and media trends in the last several years.

**The Unteachables** Gordon Korman,2019-01-08 A hilarious new middle grade novel from beloved and bestselling author Gordon Korman about what happens when the worst class of kids in school is paired with the worst teacher—perfect for fans of Ms. Bixby’s Last Day. A good choice for summer reading or anytime! The Unteachables are a notorious class of misfits, delinquents, and academic train wrecks. Like Aldo, with anger management issues; Parker, who can’t read; Kiana, who doesn’t even belong in the class—or any class; and Elaine (rhymes with pain). The Unteachables have been removed from the student body and isolated in room 117. Their teacher is Mr. Zachary Kermit, the most burned-out teacher in all of Greenwich. He was once a rising star, but his career was shattered by a cheating scandal that still haunts him. After years of phoning it in, he is finally one year away from early retirement. But the superintendent has his own plans to torpedo that idea—and it involves assigning Mr. Kermit to the Unteachables. The Unteachables never thought they’d find a teacher who had a worse attitude than they did. And Mr. Kermit never thought he would actually care about teaching again. Over the course of a school year, though, room 117 will experience mayhem, destruction—and maybe even a shot at redemption.
