Francis Ford Coppola's The Godfather Trilogy Nick Browne,1999-11-13 The Godfather trilogy is among the most significant works of Hollywood cinema of the last quarter century. They provide a richly complex look at a whole segment of American life and culture spanning almost the whole century. In six essays, written especially for this volume, The Godfather trilogy is re-examined from a variety of perspectives. Providing analyses on the form and significance of Coppola's achievement, they demonstrate how the filmmaker revised the conventions of the American crime film in the Viet Nam era, his treatment of the capitalism of the criminal underworld and its inherent violence, the power struggles within Hollywood over the film, and the contribution of opera to the epic force and cinematic style of Coppola's vision of an American criminal dynasty. The Godfather articulates the themes, styles, mythologies, performances, and underlying cultural values that have made the film a modern classic.

If Anything Happens I Love You Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from "above" as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose's soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.
