**What Do Economists Contribute?** Daniel B. Klein,2016-07-27 The title of this book raises a provocative question that should make all economists think. What is our raison d'etre ? Only a few economists have specifically addressed the issue. Several of the more challenging efforts are included here. Do economists have much influence on government policy, particularly over, say, five or ten years? Is that because they don't try hard enough or is it because politicians care more about the next election than about the opinion of economists? In this splendid collection, some published as long ago as the 1930s, nine great economists consider these questions. The editor's illuminating introduction sorts out the area of agreement and disagreement between them.

The Return of Faraz Ali Aamina Ahmad,2022-04-05 NAMED A BEST BOOK OF THE YEAR BY THE NEW YORK TIMES AND NPR WINNER OF THE 2023 L.A. TIMES BOOK PRIZE, ART SEIDENBAUM AWARD FOR FIRST FICTION “Stunning not only on account of the author’s talent, of which there is clearly plenty, but also in its humanity.” —New York Times Book Review (cover) Sent back to his birthplace—Lahore’s notorious red-light district—to hush up the murder of a girl, a man finds himself in an unexpected reckoning with his past. Not since childhood has Faraz returned to the Mohalla, in Lahore’s walled inner city, where women continue to pass down the art of courtesan from mother to daughter. But he still remembers the day he was abducted from the home he shared with his mother and sister there, at the direction of his powerful father, who wanted to give him a chance at a respectable life. Now Wajid, once more dictating his fate from afar, has sent Faraz back to Lahore, installing him as head of the Mohalla police station and charging him with a mission: to cover up the violent death of a young girl. It should be a simple assignment to carry out in a marginalized community, but for the first time in his career, Faraz finds himself unable to follow orders. As the city assails him with a jumble of memories, he cannot stop asking questions or winding through the walled city’s labyrinthine alleyways chasing the secrets—his family’s and his own—that risk shattering his precariously constructed existence. Profoundly intimate and propulsive, *The Return of Faraz Ali* is a spellbindingly assured first novel that poses a timeless question: Whom do we choose to protect, and at what price?

Inside her there's a raging storm that makes her want to fight the whole world until she gets what she wants. And what she wants is for scaredy-cat Tom to get out of her life. Tom hates loud, unpredictable Zofia just as much, but he's moving into Zofia's house. Because his mum and Zofia's dad are in love ... and they're having a baby. Tom and Zofia both wish the stupid baby had never happened. But then Tom's mum gets ill, and it begins to look horribly like their wish might come true ...
