Fat, Drunk, and Stupid Matty Simmons,2014-04-01 In 1976 the creators of National Lampoon, America's most popular humor magazine, decided to make a movie. It would be set on a college campus in the 1960s, loosely based on the experiences of Lampoon writers Chris Miller and Harold Ramis and Lampoon editor Doug Kenney. They named it Animal House, in honor of Miller's fraternity at Dartmouth, where the members had been nicknamed after animals. Miller, Ramis, and Kenney wrote a film treatment that was rejected and ridiculed by Hollywood studios—until at last Universal Pictures agreed to produce the film, with a budget of \$3 million. A cast was assembled, made up almost completely of unknowns. Stephen Furst, who played Flounder, had been delivering pizzas. Kevin Bacon was a waiter in Manhattan when he was hired to play Chip. Chevy Chase was considered for the role of Otter, but it wound up going to the lesser-known Tim Matheson. John Belushi, for his unforgettable role as Bluto, made \$40,000 (the movie's highest-paid actor). For four weeks in the fall of 1977, the actors and crew invaded the college town of Eugene, Oregon, forming their own sort of fraternity in the process. The hilarious, unforgettable movie they made wound up earning more than \$600 million and became one of America's most beloved comedy classics. It launched countless careers and paved the way for today's comedies from directors such as Judd Apatow and Todd Phillips. Bestselling author Matty Simmons was the founder of National Lampoon and the producer of Animal House. In *Fat, Drunk, and Stupid*, he draws from exclusive interviews with actors including Karen Allen, Kevin Bacon, Peter Riegert, and Mark Metcalf, director John Landis, fellow producer Ivan Reitman, and other key players—as well as behind-the-scenes photos—to tell the movie's outrageous story, from its birth in the New York offices of the National Lampoon to writing a script, assembling the perfect cast, the wild weeks of filming, and, ultimately, to the film's release and megasuccess. This is a hilarious romp through one of the biggest grossing, most memorable, most frequently quoted, and most celebrated comedies of all time.

Fat Chance Aviva Orenstein,2016-02-15 Confident at work but clueless at love, Claire is 40 and overweight—not a recipe she imagines can solve the romance gap. Dealing with her father's death and an angry teen doesn't make it easier. Finding no help from her ex, who is distracted by remarriage to a much younger woman, Claire copes by relying on a faithful circle of friends, a wicked sense of humor, and a new interest in fitness. When Claire meets Rob, a beguiling, slightly pudgy man at the gym, there is an instant connection. Just maybe she can haul the composure she finds at work into the gym with her. Or is it fat chance for that? ~ ~ ~ “A funny, moving portrait of a small-town Jewish community and the people who inhabit it, including a single mom coping with loss, a teen, and modern love. You'll be rooting for Orenstein's characters—especially her witty, lovably self-deprecating heroine—the whole way through.” — Jennifer Richler, author of essays appearing in The New York Times, Slate, Salon, and The Atlantic “Fat Chance is an evocative journey that sharpens our contact with what it means to be human. And it is a hilariously loving yet unflinching portrait of a woman imprisoned by the body she thinks isolates her from love and—maybe more important—sex. Orenstein is like a magician pulling pennies from the air, infusing the haunting with laughter, the seeming inescapability with hope, and in the end offers the surprising and poignant gift of a special kind of joy.” — Michael Adams, author of Blind Man's Bluff and Anniversaries in the Blood

Pretty Revenge Emily Liebert,2021-02-23 “A riveting tale of subterfuge, betrayal, and retribution set among the glittering world of New York's elite.” —Liv Constantine, bestselling author of The Last Mrs. Parrish The name of the game is revenge—no matter the cost—in this emotionally charged thriller reminiscent of The Wife Between Us and The Perfect Nanny. Kerrie O'Malley, jobless and in an unfulfilling relationship, can isolate the exact moment in her life when things veered off course—the night she was irrevocably wronged by someone she looked up to. Eighteen years later, when Kerrie sees the very woman who destroyed her life on television, a fire ignites inside her. The stakes are high. The risks are perilous. But she'll stop at nothing to achieve the retribution she deserves. Jordana Pierson is a gilded New Yorker who appears to have it all: wealth, glamour, a successful and handsome husband, and a thriving wedding concierge business. Her record is spotless. Her business is flourishing. No one knows the truth about her and the dark shadows of her past. No one, that is, except Kerrie. Exploring just how far someone will go for vengeance, *Pretty Revenge* is “a fun, twisty thrill ride about the dark side of female friendship” (PopSugar).

The Fat Artist and Other Stories Benjamin Hale,2016-05-17 “Oddly beautiful and impossible to look away from” (Los Angeles Times), the stories in *The Fat Artist* are suffused with fear and desire, introducing us to a company of indelible characters reeling with love, jealousy, megalomania, and despair. In prose alternately stark, lush and hallucinatory, occasionally nightmarish and often absurd, the voices in Benjamin Hale's *The Fat Artist and Other Stories* speak from the margins: a dominatrix whose longtime client, a US congressman, drops dead during a tryst in a hotel room; an addict in precarious recovery who lands a job driving a truck full of live squid; a heartbroken performance artist who attempts to eat himself to death as a work of art. From underground radicals hiding in Morocco to an aging hippy in Colorado in the summer before 9/11 to a young drag queen in New York at the cusp of the AIDS crisis, these stories rove freely across time and place, carried by haunting, peculiar narratives that form the vast tapestry of American life. “A steadily growing...talent” (Kirkus Reviews), Hale's prize-winning fiction abounds with a love of language and a wild joy for storytelling, earning accolades from writers such as novelist Jonathan Ames, who compared discovering his work to watching Mickey Mantle play ball for the first time; Washington Post critic Ron Charles, who declared him “fully evolved as a writer,” and bestselling author Jodi Picoult, who simply called him “brilliant.” Pairing absurdity with philosophical musings on the unnerving intersections between life and death, art and ridicule, consumption and creation, “the audacious imagination evident in Hale's acclaimed debut, *The Evolution of Bruno Littlemore*, shines again in this...provocative collection that takes a unique view of the human condition” (Booklist).

Drunk by Noon Jennifer L. Knox,2007 Did somebody say Jen Knox's poems read like Richard Pryor with an MFA? Yes, somebody did. (It was John Findura in Verse Magazine.) She's also been compared to comedian Sarah Silverman, artist Jeff Koons, a 10-year-old who can't keep her mouth shut, and cartoonist R. Crumb. None of these equations is quite right, however. Jennifer L. Knox's work is unmistakably her own: darkly hilarious, surprisingly empathetic, utterly original. DRUNK BY NOON is the eagerly awaited sequel to Knox's first book, A GRINGO LIKE ME, which is also available from Bloof in a new edition. Jennifer L. Knox is a three-time contributor to the Best American Poetry Series and her poems have also appeared in Great American Prose Poems and Great American Erotic Poems. Fat Chance Robert H. Lustig,2013-12-31 The landmark New York Times best seller that reveals how the explosion of sugar in our diets has created an obesity epidemic, and what we can do to save ourselves. Robert Lustig is at the forefront of war against sugar — showing us that it's toxic, it's addictive, and it's everywhere because the food companies want it to be. His 90-minute YouTube video Sugar: The Bitter Truth has been viewed more than 7 million times. Now, in this landmark book, he documents the science and the politics that have led to personal misery and public crisis — the pandemic of obesity and chronic disease--over the last thirty years. In the late 1970s, when the U.S. government declared that we needed to get the fat out of our diets, the food industry responded by pumping in more sugar to make food more palatable (and more salable), and by removing the fiber to make food last longer on the shelf. The result has been a perfect storm for our health, disastrously altering our biochemistry to make us think we're starving, drive our eating habits out of our control, and turn us into couch potatoes. If we cannot control how we eat, it's because of the catastrophic excess of sugar in our diet--the resulting hormonal imbalances have rewired our brains! To help us lose weight and recover our health, Lustig presents strategies we can each use to readjust the key hormones that regulate hunger, reward, and stress, as well as societal strategies to improve the health of the next generation. With scientific rigor and even a little humor, Fat Chance categorically proves that a calorie is not a calorie, and takes that knowledge to its logical conclusion--an overhaul of the global food system.

Bitter Orange Claire Fuller,2018-10-09 An NPR Best Book of the Year Unsettling and eerie, Bitter Orange is an ideal chiller. —Time Magazine From the author of Our Endless Numbered Days and Swimming Lessons, Bitter Orange is a seductive psychological portrait, a keyhole into the dangers of longing and how far a woman might go to escape her past. From the attic of Lyntons, a dilapidated English country mansion, Frances Jellico sees them—Cara first: dark and beautiful, then Peter: striking and serious. The couple is spending the summer of 1969 in the rooms below hers while Frances is researching the architecture in the surrounding gardens. But she's distracted. Beneath a floorboard in her bathroom, she finds a peephole that gives her access to her neighbors' private lives. To Frances's surprise, Cara and Peter are keen to get to know her. It is the first occasion she has had anybody to call a friend, and before long they are spending every day together: eating lavish dinners, drinking bottle after bottle of wine, and smoking cigarettes until the ash piles up on the crumbling furniture. Frances is dazzled. But as the hot summer rolls lazily on, it becomes clear that not everything is right between Cara and Peter. The stories that Cara tells don't quite add up, and as Frances becomes increasingly entangled in the lives of the glamorous, hedonistic couple, the boundaries between truth and lies, right and wrong, begin to blur. Amid the decadence, a small crime brings on a bigger one: a crime so terrible that it will brand their lives forever.
