

Duanwu Festival Helmet Decoration Free Papercraft Download

Nitin S. Gokhale

Power and Justice Xudong Zhao,2019-04-10 This book discusses the relationship, interaction and conflict between everyday life and various institutions in a specific village in North China, with a focus on the formal and informal legal systems. It vividly describes the village's "legal construction problems" as well as the customs and laws, and such it can be seen as a historical and innovative comment on China's problems. The book is based on the author's field investigations assessing vast amounts of material concerning local organizations, formal and informal authorities, economic exchange, religious rituals, as well as interviews with villagers and numerous court files. It presents an in-depth exploration of "pluralism of authority" in China's rural society, and examines how various authorities were formed. It also summarizes how various local disputes are resolved and discusses the villagers' understanding of the concept of "justice." Lastly, it suggests ways in which national law and local customs could communicate and collaborate.

White Trash Cooking Ernest Matthew Mickler,2011-09-27 More than 200 recipes and 45 full-color photographs celebrate 25 years of good eatin' in this original regional Southern cooking classic. A quarter-century ago, while many were busy embracing the sophisticated techniques and wholesome ingredients of the nouvelle cuisine, one Southern loyalist lovingly gathered more than 200 recipes—collected from West Virginia to Key West—showcasing the time-honored cooking and hospitality traditions of the white trash way. Ernie Mickler's much-imitated sugarsnap-pea prose style accompanies delicacies like Tutti's Fancy Fruited Porkettes, Mock-Cooter Stew, and Oven-Baked Possum; stalwart sides like Bette's Sister-in-Law's Deep-Fried Eggplant and Cracklin' Corn Pone; waste-not leftover fare like Four-Can Deep Tuna Pie and Day-Old Fried Catfish; and desserts with a heavy dash of Dixie, like Irma Lee Stratton's Don't-Miss Chocolate Dump Cake and Charlotte's Mother's Apple Charlotte.

Practical Finite Element Analysis Nitin S. Gokhale,2008 Highlights of the book: Discussion about all the fields of Computer Aided Engineering, Finite Element Analysis Sharing of worldwide experience by more than 10 working professionals Emphasis on Practical usage and minimum mathematics Simple language, more than 1000 colour images International quality printing on specially imported paper Why this book has been written ... FEA is gaining popularity day by day & is a sought after dream career for mechanical engineers. Enthusiastic engineers and managers who want to refresh or update the knowledge on FEA are encountered with volume of published books. Often professionals realize that they are not in touch with theoretical concepts as being pre-requisite and find it too mathematical and Hi-Fi. Many a times these books just end up being decoration in their book shelves ... All the authors of this book are from IITs & IISc and after joining the industry realized gap between university education and the practical FEA. Over the years they learned it via interaction with experts from international community, sharing experience with each other and hard route of trial & error method. The basic aim of this book is to share the knowledge & practices used in the industry with experienced and in particular beginners so as to reduce the learning curve & avoid reinvention of the cycle. Emphasis is on simple language, practical usage, minimum mathematics & no pre-requisites. All basic concepts of engineering are included as & where it is required. It is hoped that this book would be helpful to beginners, experienced users, managers, group leaders and as additional reading material for university courses.

American Like Me America Ferrera,2019-09-03 INSTANT NEW YORK TIMES BESTSELLER From award-winning actress and political activist America Ferrera comes a vibrant and varied collection of first-person accounts from prominent figures about the experience of growing up between cultures. America Ferrera has always felt wholly American, and yet, her identity is inextricably linked to her parents' homeland and Honduran culture. Speaking Spanish at home, having Saturday-morning-salsa-dance-parties in the kitchen, and eating tamales alongside apple pie at Christmas never seemed at odds with her American identity. Still, she yearned to see that identity reflected in the larger American narrative. Now, in *American Like Me*, America invites thirty-one of her friends, peers, and heroes to share their stories about life between cultures. We know them as actors, comedians, athletes, politicians, artists, and writers. However, they are also immigrants, children or grandchildren of immigrants, indigenous people, or people who otherwise grew up with deep and personal connections to more than one culture. Each of them struggled to establish a sense of self, find belonging, and feel seen. And they call themselves American enthusiastically, reluctantly, or not at all. Ranging from the heartfelt to the hilarious, their stories shine a light on a quintessentially American experience and will appeal to anyone with a complicated relationship to family, culture, and growing up.

Technical Ceramics H. Nosbusch,I.V. Mitchell,1988-12-31

All the Women in My Family Sing Deborah Santana,2018 An anthology [of prose and poetry] documenting the experiences of women of color at the dawn of the twenty-first century ... whose topics range from the pressures of being the vice-president of a Fortune 500 Company, to escaping the killing fields of Cambodia, to the struggles inside immigration, identity, romance, and self-worth--Amazon.com.

Asian Americans William Dudley,1997 An anthology of articles on the laws and attitudes towards Asian-Americans throughout the history of the United States including Chinese, Japanese, Filipinos, and Koreans.
