I Will Survive Gloria Gaynor,2014-03-11 I Will Survive is the story of Gloria Gaynor, America's Queen of Disco. It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including Honey Bee, I Got You Under My Skin, Never Can Say Goodbye, and the song that has immortalized her, I Will Survive, which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.

Foam of the Daze Boris Vian,2003 Fiction. Translated from the French by Brian Harper. FOAM OF THE DAZE is a novel like no other, a sexy, innocent, smart and sweet cartoon of a world which then begins, little by little, to bleed real blood until, in the end, the blood turns out to be our own. I read it nearly thirty years ago in its previous incarnation as Mood Indigo and I loved it then; it's still one of my favorite books in the whole world--Jim Krusoe. A kind of jazzy, cheerful, sexy, sci-fi mid-20th century Huysmans. Check it out. There is just no place like France--Richard Hell.
