Survival of the Prettiest Nancy L. Etcoff,2000 SURVIVAL OF THE PRETTIEST is the simple title for a comprehensive book on this complex and contentious subject, from the factual details of what makes a face beautiful to the deepest questions about the nature of beauty itself and its place in the human condition. Its aim is to satisfy everyone's insatiable curiosity about beauty, a subject shrouded in mystique, and to provide answers to basic questions guided by cutting edge scientific knowledge rather than myth. Is there such a thing as universal beauty of the human face or body? The book will also be full of fascinating facts about the nitty-gritty of beauty. Why do men strive for V-shaped torsos? Why do women paint their lips red? SURVIVAL OF THE PRETTIEST will not be a political manifesto, though it will discuss the politics of beauty in depth. It will discuss beauty for what it is: an essential and ineradicable part of human nature - and far from a trivial or shallow matter.

Sissy Dreams: From Boyfriend to Girlfriend Paul Zante, Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

The Complete History of Middle-Earth John Ronald Reuel Tolkien,Christopher Tolkien,2001-10-15 J.R.R. Tolkien is famous the world over for his unique literary creation, exemplified in The Hobbit, The Lord of the Rings and The Silmarillion. What is less well known, however, is that he also produced a vast amount of further material that greatly expands upon the mythology and numerous stories of Middle-earth, and which gives added life to the thousand-year war between the Elves and the evil spirit Morgoth, and his terrifying lieutenant, Sauron. It was to this enormous task of literary construction that his Tolkien's youngest son and literary heir, Christopher, applied himself to produce the monumental and endlessly fascinating series of twelve books, The History of Middle-earth. This special collector's edition brings together the second half of Sauron Defeated, comprising the time-travel story 'The Notion Club Papers' and 'The Drowning of Anadune', both linking the myth of Atlantis to Middle-earth, with the final three volumes of The History of Middle-earth - Morgoth's Ring, The War of the Jewels and The Peoples of Middle-earth. Set in a matching black slipcase, this deluxe edition hardback is limited to just 1,000 copies and has been printed on fine India paper in order to b

*The Essential Raymond Durgnat* Henry K. Miller,2019-07-25 Raymond durgnat was a maverick voice during the golden age of film criticism. From the French new Wave and the rise of auteurism, through the late 1960s counter-culture, to the rejuvenated Hollywood of the 1970s, his work appeared in dozens of publications in Britain, France and the USA. At once evoking the film culture of his own times and anticipating our digital age in which technology allows everyone to create their own 'moving image-text combos', durgnat's writings touch on crucial questions in film criticism that resonate more than ever today. Bringing together durgnat's essential writing for the very first time, this career-spanning collection includes previously unpublished and untranslated work and is thoroughly introduced and annotated by Henry K. Miller.

**A Glossary of Words and Phrases Pertaining to the Dialect of Cumberland** William Dickinson,2020-07-08 This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

**Franny and Zooey** J. D. Salinger,2019-08-13 Perhaps the best book by the foremost stylist of his generation (New York Times), J. D. Salinger's Franny and Zooey collects two works of fiction about the Glass family originally published in The New Yorker. Everything everybody does is so--I don't know--not wrong, or even mean, or even stupid necessarily. But just so tiny and meaningless and--sad-making. And the worst part is, if you go bohemian or something crazy like that, you're conforming just as much only in a different way. A novel in two halves, Franny and Zooey brilliantly captures the emotional strains and traumas of entering adulthood. It is a gleaming example of the wit, precision, and poignancy that have made J. D. Salinger one of America's most beloved writers.

**How to Watch a Movie** David Thomson,2017-01-24 In his most inventive exploration of the medium yet, David Thomson—one of our most provocative authorities on all things cinema—shows us how to get more out of watching any movie. Guiding us through each element of the viewing experience, considering the significance of everything from what we see and hear on-screen—actors, shots, cuts, dialogue, music—to the specifics of how, where, and with whom we do the viewing, Thomson explicates the movie watching experience with his customary candor and wit. Delivering keen analyses of films ranging from Citizen Kane to 12 Years a Slave, in How to Watch a Movie, Thomson shows moviegoers how to more deeply appreciate both the artistry and the manipulation of film—and in so doing enriches our viewing experience immensely.
