Confusions Alan Ayckbourn,2013-12-04 A student edition of five one-act plays by Britain's most popular playwright. Ayckbourn's series of plays for 4-5 actors typify his black comedies of human behaviour. First produced in 1976, the plays are alternately naturalistic, stylised and farcical, but underlying each is the problem of loneliness. The Mother Figure shows a mother unable to escape from baby talk; in The Drinking Companion an absentee husband attempts seduction without success; in Between Mouthfuls, a waiter oversees a fraught dinner encounter. A garden party gets out of hand in Gosforth's Fete whilst A Talk in the Park is a revue style curtain call piece for the five actors. Whether the comedies concern marital conflict, infidelity or motherhood and take place on a park bench or at a village fete, the characters are familiar and their cries for help instantly recognisable. Principally he is respected as a radical re-inventor of form Dominic Dromgoole

Magic: The Gathering: Legends Wizards of the Coast,Jay Anelli,2020-10-27 An official guide to the most iconic legends and legendary creatures from the world of Magic: The Gathering The world of Magic: The Gathering is home to many fantastical characters and creatures, but perhaps none so intriguing as its legends. These characters harken back to Magic's early history, having been introduced in one of the first Magic card sets (1994's Legends); new legends continue to tell epic stories in lore and on the battlefield through the present day. Magic: The Gathering: Legends showcases high-quality reproductions of the legendary card art from across the game's history—in many instances for the first time outside of the card frame—along with accompanying histories written by Jay Anelli. This collection also offers exclusive

insight into the art and mythology behind some of Magic: The Gathering's most powerful, popular, and enduring legends, including Niv-Mizzet, Emmara Tandris, Marit Lage, Sisay, Atraxa, the Eldrazi titans, Edgar Markov, Queen Marchesa, Zurgo, Pia Nalaar, Zacama, King Algenus Kenrith, Snapdax, and many, many more.

Burnished Rows of Steel Jeremy Davies, 2016-01-05 Most who read the Declaration of Independence find three foundational liberties promised to our citizens: life, liberty, and the pursuit of happiness. An increasing number of citizens seem to be discovering the fourth: the right to alter or abolish a form of government that leads invariably to tyranny. Since leaving the military and his security contracting work behind, Dave has been preparing himself for the time when exercising the right to alter or abolish may become necessary. When he is approached on behalf of some powerful men who are prepared to risk their fortune to strike a blow against the political tyranny embodied by the president, Dave is prepared to accept the role of assassin. As he prepares to accept the mission of a lifetime, an alternate narrative begins to unfold. He struggles to discover whether the hit will be on behalf of a besieged gun maker or whether it has been orchestrated by members of the president's own party, who feel that his death would rescue the chances of their party heading into an election. As the motive becomes clear, so does Dave's course of action. He is caught in a race against time to thwart their plans, not for the leader of a country but for the life of a friend.
