Tsuji, 2012-02-28 In recent years, otaku culture has emerged as one of Japan's major cultural exports and as a genuinely transnational phenomenon. This timely volume investigates how this once marginalized popular culture has come to play a major role in Japan's identity at home and abroad. In the American context, the word otaku is best translated as "geek"—an ardent fan with highly specialized knowledge and interests. But it is associated especially with fans of specific Japan-based cultural genres, including anime, manga, and video games. Most important of all, as this collection shows, is the way otaku culture represents a newly participatory fan culture in which fans not only organize around niche interests but produce and distribute their own media content. In this collection of essays, Japanese and American scholars offer richly detailed descriptions of how this once stigmatized Japanese youth culture created its own alternative markets and cultural products such as fan fiction, comics, costumes, and remixes, becoming a major international force that can challenge the dominance of commercial media. By exploring the rich variety of otaku culture from multiple perspectives, this groundbreaking collection provides fascinating insights into the present and future of cultural production and distribution in the digital age.

Simple to Sensational Jun Tanaka, 2010-04-29 Jun Tanaka presented a TV series called 'Cooking It' in which he took on complete novices and taught them how to cook. This inspired him to write Simple to Spectacular to provide recipes for inexperienced cooks that will build their confidence and teach them basic skills. He shows how simple recipes can then be transformed into spectacular versions with a few simple steps. As Jun says I want to show that cooking, even to a refined level, is something anyone can do. It's all about building confidence. So once a SIMPLE Butternut Squash Soup is mastered this can be

turned into SENSATIONAL Butternut Squash Soup with Caramelised Scallops, Wild Mushrooms and Parmesan or SIMPLE Duck Breast with Caramelised Chicory and Lentils can become SENSATIONAL Home Smoked Duck Breast with Chicory and Lentil Salsa while SIMPLE Bread and Butter Pudding becomes SENSATIONAL Brioche Bread and Butter Pudding glazed with Apricot and served with Spiced Custard.
