Paper Crafts for Easter Randel McGee,2012-01-01 Explains the significance of Easter and how to make Easter-themed crafts out of paper--

Mod Scandi Holiday Bird Cut-N-Make Book ANNEKE. LIPSANEN,2018-09-28 The Anni Arts printable crafts are now available in a Cut-n-Make Book. Easy, pre-printed paper crafts in full colour are ready to cut, glue and make. No need to print! Stylized and Mod Scandi Holiday Bird clip art in the spirit of playful mid-century designs are on paper crafts like handmade cards, little gift bags, choc wrappers and decor for 'Jul' celebrations. A folksy bird is joined by 60's daisies, hearts and a decorative tree and angel. The popular contemporary look that is broadly referred to as folksy Scandi style, goes back to illustrations of the 60's and 70's. Designers in Scandinavia were inspired by traditional Scandinavian folk art and reinterpreted motifs for a bold, colourful and updated folk look. The crafts have instructions on the printed pages themselves, and there is a section with general instructions and tips too. However, the crafts are so easy that non-English crafters will also be able to make them without the need for the instructions. Only the most basic craft equipment is needed: scissors, glue, a paper scorer and hole punch are sufficient. The crafts are beautifully designed to form a coordinated series and small elements can be applied in a mix and match manner. There are free printable downloads too, with further items that coordinate with the designs in the book (there are always items that didn't fit in the book). Follow the link in the book for an additional envelope, wrapping paper, a little gift box and tags. There is also a separate set of Mod Scandi Holiday Bird designs that can be purchased as digi downloads to print. These include a 3D paper craft mug, card kit, boxes, papers and more. And fun ready-to-buy Mod Scandi Holiday Bird products are available as physical items too. God Jul!

Invitation to Draw Jean Van't Hul,2021-06-15 Help children draw and think more creatively by inspiring them with interesting and challenging art prompts and questions. Invitation to Draw offers 99 open-ended drawing prompts, each one proposing a question to investigate that encourages children to free associate and problem solve. The perforated pages make it easy to tear out prompts for on-the-go activities or allowing multiple kids to draw at the same time. A blank cake provides the chance to decorate a dream confection, an empty house inspires stories about who lives there, and a grid of triangles supplies the chance to explore abstract art. What might be hiding in that tree? What sort of robot can you design? The possibilities are endless! Drawing prompts inspire and encourage kids to think and draw differently, and sometimes more creatively, than they might when faced with a blank page. By offering constraints such as a pair of eyes or an empty car and asking a question, children begin thinking about the possibilities and answering the question in their heads even before they put pen (or marker or crayon!) to paper. And through the act of drawing and observing the drawing unfold, the brain continues to think and problem solve, opening up all kinds of creative possibilities around that specific idea.
