Introductory Grammar of Amharic Wolf Leslau,2000 This book closes the gap for beginners who want to study the Amharic language and had difficulties in finding the right grammar for this purpose: The first grammar of Amharic, the national language of Ethiopia, was published by Hiob Ludolf in 1698. The Amharic grammar published by Praetorius in 1879 is based on Amharic religious texts and on scattered material, usually composed by missionaries. A milestone in the study of Amharic is Marcel Cohen's *Traite de langue amharique* (1936), but this grammar, too is not completely suited for beginners since the author's generalizations are at times aimed at linguists. The grammar that comes closest to the concept of a beginner's grammar is that of C.H. Dawkin (1960), yet this grammar is extremely short, does not give examples and does not introduce the student to the intricacies of the language. The new book gives all the grammatical forms and the sentences of the present grammar in Amharic script and in phonetic transcription. The illustrative examples have a free and a literal translation. This procedure should likewise prove to be useful for the Semitist as well as for the general linguist.

**Dolls of Hope** Shirley Parenteau,2015-09-22 How daring is Chiyo prepared to be to keep the American Friendship Doll safe? Inspired by a little-known historical event, this engaging companion to *Ship of Dolls* is told from a Japanese girl's point of view. When eleven-year-old Chiyo Tamura is sent from her home in a small Japanese mountain village to a girls' school in the city of Tsuchiura, she never imagines that she will soon be in Tokyo helping to welcome more than twelve thousand Friendship Dolls from America—including Emily Grace, a gift to her own school. Nor could she dream that she'd have an important role in the crafting of Miss Tokyo, one of fifty-eight Japanese dolls to be sent to America in return. But when an excited Chiyo is asked to be Emily Grace's official protector, one jealous classmate will stop at nothing to see her fail. How can Chiyo reveal the truth—and restore her own good name? In another heartwarming historical novel, the author of *Ship of Dolls* revisits the 1926 Friendship Doll exchange, in which teacher-missionary Sidney Gulick organized American children to send thousands of dolls to Japan in hopes of avoiding a future war.

*The Challenge* Alan Drake,2023-12-28 God invites you to cast your cares on Him, because He cares for you (1 Peter 5:7). It is natural to seek first to meet our own needs and the needs of our family members, but God invites us to make an exchange. He invites us to cast our concerns on Him, and He promises to care for us better than we could take care of ourselves. In exchange, He desires for us to take on His concerns, His priorities, and seek His Kingdom first.

**Funkytown** Paul Kennedy,2021-09-28 It is 1993: a serial killer is loose on the streets of Frankston, Victoria. The community is paralysed by fear, and a state's police force and national media come to find a killer. Meanwhile, seventeen-year-old Paul Kennedy is searching for something else entirely. He is focused on finishing school, getting drafted into the AFL and falling in love. So much can change in a year. The rites of passage for many Australian teenage boys - blackout drinking, simmering violence and emotional suppression - take their toll, and the year that starts with so much promise ends with Kennedy expelled, arrested and undrafted. But one teacher sees Kennedy self-destructing, and becomes determined to set him on another path

Original Grin Ron English,2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie *Supersize Me*; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on *The Simpsons* secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

**The Desperate Journey** Kathleen Fidler,2014-03-20 Twins Kirsty and David Murray are forced to leave their crofting home in the north of Scotland, and struggle to cope with life in Glasgow, where the work is hard and dangerous. Then comes a chance for a new adventure on a ship bound for Canada. Will they survive the treacherous Atlantic crossing, and what will they find in the strange new land? *The Desperate Journey* is Kathleen Fidler's best-known story, a true Scottish classic whose thrilling plot will keep children gripped till the end.

*Achtung-Panzer!* Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.
