Origami Architecture (144 pages) (Artist) Yee, 2014-10-07 Build detailed and impressive models of world landmarks with this beautiful origami book. The incredible splendors of some of the worlds' most recognized architectural feats are brought to life within the pages of Origami Architecture. With this paper craft book, some card stock paper, and a hobby knife, anyone can build spectacular re-creation's of the most famous buildings in the world. Based on the extraordinary models of world-renowned papercrafter, and origami artist Yee, whose own remarkable origami recreations of these very same models sell for thousands of dollars, these paper replicas are nearly as impressive as the original buildings. Yee provides detailed instructions on how to cut and assemble these architectural landmarks from around the world. Yee even engineered half of these designs so they could be assembled without having to use glue. The origami projects have a range of difficulty levels, from the relatively easy (Arc d'Triomphe) to the impressively sophisticated and intricate (The Tower Bridge). Once the structure is attached to the base not only will it look amazing, but it can be folded up and taken anywhere. This origami book includes: Over 900 photographs Full-color instructional assembly diagrams Brief histories of each building Downloadable

Origami Architecture (booklet & downloadable content)

(Artist) Yee, 2013-10-08 Build detailed models of your favorite iconic buildings with this easy origami ebook! Master paper crafter and preeminent designer Yee, brings origami folders this extraordinary boxed architectural craft ebook which brings some

of the worlds' most recognized architectural feats to life. Yee started folding paper as a child in Hong Kong. He didn't have any toys and so learned to make his own from old newspapers. This origami ebook allows you, the paper folder to make some of his best works. Once assembled, the paper models can be displayed in 3D form on a table or shelf or they can be folded flat for easy storage and carried in a bag or briefcase to show your friends. This origami ebook contains: Detailed step-by-step origami book Over 150 full-color photos 20 sheets of high-quality, pre-cut card stock Since there is no complicated cutting or painting required, the origami models are simple enough to be considered origami-for-kids projects and are a great way for those with no previous paper folding experience to learn origami. Origami Architecture contains downloadable folding papers which gives you all the materials to get you started with assembling the scale models. The facade designs are based on the real architecture of the buildings. The decorative details are colored black to reduce the cutting work, but for those origami enthusiasts who love to cut, the black colored details can be removed, making the paper structures even more stunning. Origami projects include: The Eiffel Tower The White House The Sydney Opera House
