Carol Serling

Hover Car Racer Matthew Reilly, 2021 In the world of the near future, the most popular sport in the world is hover car racing. Super fast and dangerous, its heroes are the racers: part fighter pilot, part race - car driver, all superstar. But to get to the Pro Circuit, you must first pass through the International Race School, a brutal cauldron of wild races on even wilder courses, where only the best of the best will survive. This is the story of Jason Chaser, a talented young racer selected to attend the Race School. He's younger than the other students. He's smaller. His trusty car, the Argonaut, is older. But Jason Chaser is no ordinary racer. And as he races against the best drivers in the world he will learn that at Race School winning is everything, that not everyone in this world fights fair, and that you never ever have any friends on the track.

Twilight Zone Carol Serling, 2009-09-01 An original anthology celebrating Rod Serling's landmark television series When it first aired in 1959, The Twilight Zone was nothing less than groundbreaking television. Freed from much of the censors' strict oversight because of the show's classification as science fiction, the 156 filmed episodes explored powerful and moving human themes—love, hate, pride, jealousy, terror—in their own unique style. The show has since inspired two revivals, as well as fiction, comic books, and magazines, and even a pinball game and theme park rides. Just as important, it sparked the imaginations of countless writers, filmmakers, and fans around the world, and is considered a seminal show for broadening the horizons of television. This anthology will be an all-new collection of stories written in the vein of the original television show. Edited and featured and introduction by Carol Serling, the anthology will include brand new stories by science fiction and fantasy luminaries such as Whitley Strieber, Loren D. Estleman, Joe Lansdale, R. L. Stine, Timothy Zahn, and Peter S. Beagle, as well as writers from the original series, Earl Hammer and Harlan Ellison®, all in honor of Rod's incredible vision. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
