Modern-day witches, by necessity or choice, often practise alone without access to this invaluable knowledge—and this is where this lavishly illustrated compendium comes in. Celtic Wiccan High Priestess Silja covers the basic and intermediate levels of magic for solitary witches. She shares a wide-ranging array of spells that have been successful for her—not least how to attract more love, money and luck into your life. With an easy to difficult rating system, she makes it simple for anyone to learn basic spells and then progress. Silja shares meditations—from energy-raising exercises to vision quests and guided meditations you can do with friends—and shows you why rituals are not just for coven use. Discover how to practise rituals alone to honour the seasons, say thanks to the deities for a spell that worked or send healing energy to a friend in need. It was later re-discovered by Gerald Gardner in the 1930s, where it caught on in select covens and metaphysical circles.
