**Henry V** William Shakespeare,2020-05-19 Henry V is the most famous and influential of Shakespeare's history plays. Its powerful patriotic rhetoric has resounded down the ages, gaining eloquent expression in Laurence Olivier's renowned film. Henry himself, astute and charismatic, who led his 'band of brothers' to victory in the Battle of Agincourt, could indeed seem to be 'this star of England'. In recent decades the play has attracted increasing critical attention and is now highly controversial.After an insult from the French Dauphin, King Henry V of England invades France to claim the throne he believes should be his. Henry stops an assassination plot, gives powerful speeches, and wins battles against the odds. In the end, he woos and marries the Princess of France, linking the two nations.PROLOGUE[Enter Chorus]ChorusO for a Muse of fire, that would ascend The brightest heaven of invention, A kingdom for a stage, princes to act And monarchs to behold the swelling scene! Then should the warlike Harry, like himself, Assume the port of Mars; and at his heels, Leash'd in like hounds, should famine, sword and fire Crouch for employment. But pardon, and gentles all, The flat unraised spirits that have dared On this unworthy scaffold to bring forth So great an object: can this cockpit hold The vasty fields of France? or may we cram Within this wooden O the very casques That did affright the air at Agincourt? O, pardon! since a crooked figure may Attest in little place a million; And let us, ciphers to this great accompt, On your imaginary forces work. Suppose within the girdle of these walls Are now confined two mighty monarchies, Whose high upreared and abutting fronts The perilous narrow ocean parts asunder: Piece out our imperfections with your thoughts; Into a thousand parts divide on man, And make imaginary puissance; Think when we talk of horses, that you see them Printing their proud hoofs i' the receiving earth; For 'tis your thoughts that now must deck our kings, Carry them here and there; jumping o'er times, Turning the accomplishment of many years Into an hour-glass: for the which supply, Admit me Chorus to this history; Who prologue-like your humble patience pray, Gently to hear, kindly to judge, our play.[Exit]SCENE I London. An ante-chamber in the KING'S palace.[Enter the ARCHBISHOP OF CANTERBURY, and the BISHOP OF ELY]CANTERBURYMy lord, I'll tell you; that self bill is urged, Which in the eleventh year of the last king's reign Was like, and had indeed against us pass'd, But that the scrambling and unquiet time Did push it out of farther question.ELYBut how, my lord, shall we resist it now?CANTERBURYIt must be thought on. If it pass against us, We lose the better half of our possession: For all the temporal lands which men devout By testament have given to the church Would they strip from us; being valued thus: As much as would maintain, to the king's honour, Full fifteen earls and fifteen hundred knights, Six thousand and two hundred good esquires; And, to relief of lazars and weak age, Of indigent faint souls past corporal toil. A hundred almshouses right well supplied; And to the coffers of the king beside, A thousand pounds by the year: thus runs the bill.ELYThis would drink deep.CANTERBURY'Twould drink the cup and all.ELYBut what prevention?CANTERBURYThe king is full of grace and fair regard.ELYAnd a true lover of the holy church.CANTERBURYThe courses of his youth promised it not. The breath no sooner left his father's body, But that his wildness, mortified in him, Seem'd to die too; yea, at that very moment Consideration, like an angel, came And whipp'd the offending Adam out of him, Leaving his body as a paradise, To envelop and contain celestial spirits.

Goetia Pathworking Corwin Hargrove,2019-05-15 Magick is easier and safer than many people believe, and pathworking is a method that takes you to the essence of power. There are many ways of working with demons. The spirits of Goetia can bring knowledge,

manipulate reality, produce changes within yourself, or attract conditions and events that you desire. This is widely known. Demons are famed for their speed, dignity, and willingness to cooperate with you. What is less well known is that incredibly simple pathworking rituals enable you to make easy contact with these demons safely and reliably. Advantages of The Pathworking Method - No difficult words of power to learn or speak. - Nothing to burn, collect, or make. - No sacrifice, reward, or offering is required. - No sigils need to be drawn, and you only need to look at the sigils in this book. - No angels or divine names are used, which makes the magick feel more reliable for some people. - The method automatically creates the correct state of mind and summons elemental energy. - Pathworking can be performed in complete privacy. - The method is extremely safe and easy to learn. You ask for something, and you get it, without any backlash or payment. You will never have to learn difficult visualisation methods or train in demanding mental techniques. Based on a system of Elemental Imagery, this is a unique way to perform magick. You ask for something, and you get it, without any repercussion or payment. People say you never get something for nothing. Here, you get something because you've performed magick and filled it with your desire. That is enough to get the results you seek, from love and lust, to cursing, influence, illusion, and wealth.
