FRANK ALKYER,ED ENRIGHT,JASON KORANSKY

📖 **BOYHOOD** ,2014-11-01 In 2002, director Richard Linklater and a crew began filming the “Untitled 12-Year Project.” He cast four actors (Patricia Arquette, Ethan Hawke, Ellar Coltrane, and Lorelei Linklater) in the role of a family and filmed them each year over the next dozen years. Supported by IFC Productions, Linklater, cast, and crew began the commitment of a lifetime that became the film, Boyhood. Seen through the eyes of a young boy in Texas, Boyhood unfolds as the characters—and actors—age and evolve, the boy growing from a soft-faced child into a young man on the brink of his adult life, finding himself as an artist. Photographer Matt Lankes captured the progression of the film and the actors through the lens of a 4x5 camera, creating a series of arresting portraits and behind-the-scenes photographs. His work documents Linklater’s unprecedented narrative that used the real-life passage of years as a key element to the storytelling. Just as Boyhood the film calls forth memories of childhood and lures one into a place of self-reflection, Boyhood: Twelve Years on Film presents an honest collection of faces, placed side-by-side, that chronicles the passage of time as the camera connects with the cast and crew on an intimate level. Revealing, personal recollections by the actors and filmmakers accompany the photographs.

📖 **WHAT YOUR BIRTHDAY REVEALS ABOUT YOU** Phyllis Vega,2005-10-01 Astrology meets numerology in this fascinating guide to the secrets of your birth date! Born on December 3rd? You’re an ambitious, hardworking “idea person” and a dynamic leader. Born on December 14th? You’re the “traveling salesperson” of the zodiac and a gifted marketer. All Sagittarians are charming, intelligent, and adventure-seeking—but which day of the month you’re born on can determine the way in which you use those traits to your best advantage. In this exciting new book, master astrologer Phyllis Vega gives a detailed analysis for each birthday in the year, combining astrology and numerology to paint a true picture of the characteristics, desires, and destinies of people born on that day. If you were born October 5th, you’re a skilled negotiator with a gift for making money. But if you were born just four days later, you’re a compassionate dreamer with spiritual inclinations. Aries is the sign of the determined ram, but if you were born on April 7th, you are idealistic and inspiring. Discover what’s revealed in this guide about you, your loved one, coworkers, or even your favorite celebrity in this entertaining, enlightening reference!

📖 **ALL THAT IS SOLID MELTS INTO AIR** Marshall Berman,1983 The experience of modernization -- the dizzying social changes that swept millions of people into the capitalist world -- and modernism in art, literature and architecture are brilliantly integrated in this account.

📖 **THIS BRIDGE CALLED MY BACK** Cherríe Moraga,1983 This groundbreaking collection reflects an uncompromised definition of feminism by women of color. 65,000 copies in print.

📖 **BLACK CHANT** Aldon Lynn Nielsen,1997-01-13 A study of postmodernism and African-American poets.

📖 **GENDER ROLES IN IMMIGRANT FAMILIES** Susan S. Chuang,Catherine S. Tamis-LeMonda,2013-04-18 Researchers recognize that theoretical frameworks and models of child development and family dynamics have historically overlooked the ways in which developmental processes are shaped by socio-cultural contexts. Ecological and acculturation frameworks are especially central to understanding the experiences of immigrant populations, and current research has yielded new conceptual and methodological tools for documenting the cultural and developmental processes of children and their families. Within this broad arena, a question of central importance is on how gender roles in immigrant families play out in the lives of children and families. Gender Roles in Immigrant Families places gender at the forefront of the research by investigating how it interplays with parental roles, parent-child relationships, and child outcomes.

📖 **A TASTE OF POWER** Elaine Brown,2015-05-20 “A stunning picture of a black woman’s coming of age in America. Put it on the shelf beside The Autobiography of Malcolm X.” —Kirkus Reviews Elaine Brown assumed her role as the first and only female leader of the Black Panther Party with these words: “I have all the guns and all the money. I can withstand challenge from without and from within. Am I right, Comrade?” It was August 1974. From a small Oakland-based cell, the Panthers had grown to become a revolutionary national organization, mobilizing black communities and white supporters across the country—but relentlessly targeted by the police and the FBI, and increasingly riven by violence and strife within. How Brown came to a position of power over this paramilitary, male-dominated organization, and what she did with that power, is a riveting, unsparing account of self-discovery. Brown’s story begins with growing up in an impoverished neighborhood in Philadelphia and attending a predominantly white school, where she first sensed what it meant to be black, female, and poor in America. She describes her political awakening during the bohemian years of her adolescence, and her time as a foot soldier for the Panthers, who seemed to hold the promise of redemption. And she tells of her ascent into the upper echelons of Panther leadership: her tumultuous relationship with the charismatic Huey Newton, who would become her lover and her nemesis; her experience with the male power rituals that would sow the seeds of the party’s demise; and the scars that she both suffered and inflicted in that era’s paradigm-shifting clashes of sex and power. Stunning, lyrical, and acute, this is the indelible testimony of a black woman’s battle to define herself. “A glowing achievement.” —Los Angeles Times “Honest, funny, subjective, unsparing, and passionate. . . A Taste of Power weaves autobiography and political history into a story that fascinates and illuminates.” —The Washington Post

📖 **THE IDEA OF THE AVANT GARDE** Marc James LeGér,2019-10-15 The concept of the avant garde is highly contested, whether one consigns it to history or claims it for present-day or future uses. The first volume of The Idea of the Avant Garde – And What It Means Today provided a lively forum on the kinds of radical art theory and partisan practices that are possible in today’s world of global art markets and creative industry entrepreneurialism. This second volume presents the work of another 50 artists and writers, exploring the diverse ways that avant-gardism develops reflexive and experimental combinations of aesthetic and political praxis. The manifest strategies, temporalities, and genealogies of avant-garde art and politics are expressed through an international, intergenerational, and interdisciplinary convocation of ideas that covers the fields of film, video, architecture, visual art, art activism, literature, poetry, theatre, performance, intermedia and music.

📖 **MINOR HISTORIES** Mike Kelley,2004-02-06 The second volume of writings by Los Angeles artist Mike Kelley, focusing on his own work. What John C. Welchman calls the blazing network of focused conflations from which Mike Kelley’s styles are generated is on display in all its diversity in this second volume of the artist’s writings. The first volume, Foul Perfection, contained thematic essays and writings about other artists; this collection concentrates on Kelley’s own work, ranging from texts in voices that grew out of scripts for performance pieces to expository critical and autobiographical writings.Minor Histories organizes Kelley’s writings into five sections. Statements consists of twenty pieces produced between 1984 and 2002 (most of which were written to accompany exhibitions), including Ajax, which draws on Homer, Colgate- Palmolive, and Longinus to present its eponymous hero; Some Aesthetic High Points, an exercise in autobiography that counters the standard artist bio included in catalogs and press releases; and a sequence of creative writings that use mass cultural tropes in concert with high art mannerisms—approximating in prose the visual styles that characterize Kelley’s artwork. Video Statements and Proposals are introductions to videos made by Kelley and other artists, including Paul McCarthy and Bob Flanagan and Sheree Rose. Image-Texts offers writings that accompany or are part of artworks and installations. This section includes A Stopgap Measure, Kelley’s zestful millennial essay in social satire, and Meet John Doe, a collage of appropriated texts. Architecture features an discussion of Kelley’s Educational Complex (1995) and an interview in which he reflects on the role of architecture in his work. Finally, UFOlogy considers the aesthetics and sexuality of space as manifested by UFO sightings and abduction scenarios.

📖 **HANDBOOK OF STUDIES ON MEN AND MASCULINITIES** Michael S. Kimmel,Jeff Hearn,Raewyn Connell,2005 The handbook provides a broad view of masculinities primarily across the social sciences, but including important debates in areas of the humanities & natural sciences.

📖 **THE MILES DAVIS READER** Frank Alkyer,Ed Enright,Jason Koransky,2007 Interviews and features from Downbeat Magazine

📖 **GO THE F\*\*K TO SLEEP** Adam Mansbach,2011-06-14 The #1 New York Times bestseller: “A hilarious take on that age-old problem: getting the beloved child to go to sleep” (NPR). “Hell no, you can’t go to the bathroom. You know where you can go? The f\*\*k to sleep.” Go the Fuck to Sleep is a book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don’t always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won’t care.

📖 **LIFE THE ROLLING STONES** The Editors of LIFE,2018-08-03 In 2018, when both Mick and Keith turn 75, celebrate one of the greatest rock ‘n’ roll bands of all time in the LIFE special collector’s edition, The Rolling Stones.

📖 **BITE ME** Ally Hilfiger,2016-05-10 Ally was at a breaking point when she woke up in a psych ward at the age of eighteen. She couldn’t put a sentence together, let alone take a shower, eat a meal, or pick up a phone. What had gone wrong? In recent years, she had produced a feature film, a popular reality show for a major network, and had acted in an off-Broadway play. But now, Ally was pushed to a psychotic break after struggling since she was seven years old with physical symptoms that no doctor could explain; everything from joint pain, to night sweats, memory loss, nausea, and brain fog. A doctor in the psych ward was finally able to give her the answers her and her family had desperately been searching for, and the diagnosis that all the previous doctors had missed. She learned that she had Lyme disease—and finally had a breakthrough. What she didn’t know was that this diagnosis would lead her down some of the most excruciating years of her life before beginning her journey to recovery from eleven years of misdiagnosis and physical pain. She would need to find her courage to heal physically, mentally, and emotionally, and become the survivor she is today. Set against the backdrop of the fast-paced fashion and entertainment industries, Bite Me shares the heartbreaking and hilarious stories that moved Ally forward on her journey from sickness to health. Its themes will be familiar to more than 300,000 Americans diagnosed with Lyme disease each year, many of whom, like Ally, wondered for years what was wrong with them. Bite Me offers readers hope and ideas for how one can transition from victim to survivor, and shares the spiritual principles and actions that have contributed to her wholeness as a human, mother, and international spokesperson against Lyme disease.

📖 **WHAT YOUR BIRTHDAY REVEALS ABOUT YOU** PHYLLIS VEGA,2020-01-07 Discover the secrets of your personality and destiny! Master astrologer Phyllis Vega reveals what the stars hold for you—and everyone you know—with a detailed analysis for each birthday in the year, combining astrology and numerology to paint a true picture of the characteristics, desires, and destinies of people born on that day. Each day’s analysis offers fresh, startlingly accurate insights into the character, personality, relationships, and prospects for success for those who share that birthday. Learn things you never knew about your spouse or lover, your family, your closest friends—and yourself. Born on January 18? You have a good head for business and an instinct for making and handling money. Born just three days later (January 21), however, and you are a consummate performer who loves center stage. Born on July 24? The tenacity and aggressiveness found in your fellow Leos is balanced out by the charming diplomacy associated with the number twenty-four. When it comes to relationships, nothing is hidden in the Aries personality—what you see is what you get. But depending on what day you were born, that could mean you’re a volatile romantic who is constantly falling in and out of love (March 21) or an idealistic and devoted lover willing to sacrifice everything for your beloved (April 18). In addition to profiles of the twelve signs of the zodiac, you’ll also get an introduction to numerology, learn how to calculate the root number derived from your birth date, and discover what these numbers disclose about you and your loved ones. What Your Birthday Reveals About You will tell you all you need to know about yourself—your personality, your wants, and your future.

📖 **RADIOLOGICAL ENGLISH** RAM📖 n Ribes,Pablo R. Ros,2006-12-02 This is an introductory book to radiological English on the basis that there are a lot of radiologists, radiology residents, radiology nurses, radiology students, and radiographers worldwide whose English level is indeterminate because their reading skills are much higher than their fluency. It is intended to help those health care professionals who need English for their work but do not speak English on a day-to-day basis.

📖 **SOMETHING HAPPENED** Joseph Heller,2011-09-07 Bob Slocum was living the American dream. He had a beautiful wife, three lovely children, a nice house...and all the mistresses he desired. He had it all -- all, that is, but happiness. Slocum was discontent. Inevitably, inexorably, his discontent deteriorated into desolation until...something happened. Something Happened is Joseph Heller’s wonderfully inventive and controversial second novel satirizing business life and American culture. The story is told as if the reader was overhearing the patter of Bob Slocum’s brain -- recording what is going on at the office, as well as his fantasies and memories that complete the story of his life. The result is a novel as original and memorable as his Catch-22.

📖 **100 BEST ALBUM COVERS** Storm ThorgerSON,Aubrey Powell,1999 Focuses on the stories behind 100 of the most memorable album covers in the history of rock and roll music, tracing the history of rock music and culture from Elvis to Blur. The collection has been personally selected by Storm ThorgerSON, known for his work on Pink Floyd album covers.

📖 **IAN MCEWAN** Sebastian Groes,2009-07-19 An up-to-date reader of critical essays on Ian McEwan by leading international academics, covering McEwan’s most recent novels including Saturday, On Chesil Beach and an analysis of the film adaptation of Enduring Love.

📖 **MILES** Miles Davis,Quincy Troupe,1990-09-15 Miles discusses his life and music from playing trumpet in high school to the new instruments and sounds from the Caribbean.
