Chicken 20 Ways America's Test Kitchen, 2020-04-28 This collection is packed with 20 easy-to-make recipes that rely on little more than chicken and pantry staples. You'll learn how a few flavor-packed ingredients can transform humble chicken into the star of the dinner table. Take our spice-cabinet chicken recipes, which will simplify your grocery shopping—just raid your spice cabinet for three delicious takes on roast whole chicken. Or how about Southern-Style Stewed Chicken and Rice, a comforting one-pot meal that features rice plumped with flavored stock and tossed with tender pieces of shredded chicken? Chicken Mole Poblano surprisingly depends on pantry essentials such as dried chiles, nuts, a handful of common dried herbs and spices, and a bit of chocolate for its deeply complex flavor.

Slave Stealers Timothy Ballard, 2018 Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery

in North Carolina in 1813. She thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, *Incidents in the Life of a Slave Girl*, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day underground railroad which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings--Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman--The Conductor; Abraham Lincoln--the Great Emancipator; Little Mia--the sister who saved her little brother; Guesno Mardy--the Haitian father who lost his son to slave traders; and Harriet

Jacobs--a teacher for us all.

Public Economics and Finance Bernur Açığöz,2019-10-23 To better understand the role and importance of government, it is important to try to comprehend all aspects of public economics and finance. This book covers many of these aspects and presents a core thesis that government is a fundamental instrument of the social welfare of communities. It provides the reader with a comprehensive overview of new era states, and answers the question, does the new era require new government policies? Over five chapters, authors from a variety of disciplines and methodological approaches cover topics such as welfare states and social policies, borrowing in the context of public debt theory, and new budgetary approaches. This volume is a valuable contribution to the field and will be appreciated by the global community of scholars.

Notes from the Hyena's Belly Nega Mezlekia,2015-04-07 In this acclaimed memoir, Mezlekia recalls his boyhood in the arid city of Jijiga, Ethiopia, and his journey to manhood during the 1970s and 1980s. He traces his personal evolution from child to soldier--forced at the age of eighteen to join a guerrilla army. And he describes the hardships that consumed Ethiopia after the fall of

Emperor Haile Selassie and the rise to power of the communist junta, in whose terror thousands of Ethiopians died. Part autobiography and part social history, *Notes from the Hyena's Belly* offers an unforgettable portrait of Ethiopia, and of Africa, during the defining and turbulent years of the last century.

Darkspell Katharine Kerr,2010-06-02 On the long roads of Deverry ride two mercenaries whose fates lie hidden deep in that of their own land. But Lord Rhodry, exiled from the dragon court of

Aberwyn, has yet to discover his true parentage, and his swordmaster-lover, Jill, has barely glimpsed her awesome powers. Meanwhile, the ancient sorcerer Nevyn, held back by his vows from boldly intervening in their lives, can only watch and wait as Rhodry and Jill move ever closer to danger. For as the two struggle to recover the Great Stone, the mystic jewel that guides the conscience of the kingship of Deverry, malevolent dark masters are weaving terrifying spells against them--and displacing messengers of death. Katharine Kerr has extensively rewritten Darkspell, incorporating major changes in the text, making this her definitive edition. Here the epic saga that began with the Daggerspell continues--a tale of might and magic, lust and glory, dark danger and poignant desires that echo from Deverry's sapphire waters to its secret mountain caverns. It's a spellbinding story destined to please fantasy lovers everywhere.

Troubling Borders Isabelle Thuy Pelaud,Lan Duong,Kathy L. Nguyen,Mariam B. Lam,2020-01-09 Juxtaposing short stories, poetry, painting, and photographs, *Troubling Borders* showcases the creative work of women of Vietnamese, Cambodian, Lao, Thai, and Filipino ancestry. This thematically arranged collection interrupts borders of categorization and gender, in what preface author Shirley Geok-Lin Lim describes as a leap over the barbed fences that have kept these women apart in these, our United States of America. The sixty-two contributors have been shaped by colonization, wars, globalization, and militarization. For some of these women on the margins of the margin, crafting and showing their work is a bold act in itself. Their provocative and accessible creations tell unique stories, provide sharp contrasts to familiar stereotypes--Southeast Asian women as exotic sex symbols, dragon ladies, prostitutes, or bar girls--and serve as entry points for broader discussions about questions of history, memory, and identity.
