Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Chicken 20 Ways America's Test Kitchen,2020-04-28 This collection is packed with 20 easy-to-make recipes that rely on little more than chicken and pantry staples. You'll learn how a few flavor-

packed ingredients can transform humble chicken into the star of the dinner table. Take our spice-cabinet chicken recipes, which will simplify your grocery shopping—just raid your spice cabinet for three delicious takes on roast whole chicken. Or how about Southern-Style Stewed Chicken and Rice, a comforting one-pot meal that features rice plumped with flavored stock and tossed with tender pieces of shredded chicken? Chicken Mole Poblano surprisingly depends on pantry essentials such as dried chiles, nuts, a handful of common dried herbs and spices, and a bit of chocolate for its deeply complex flavor.

Storm the Castle (Marry the Scot, #1) Jolie Vines, 2019-03-02 Come, lass. Get on a plane with me. After a business deal goes awry, Laird Callum McRae is in over his head, struggling to keep his castle afloat. He knows exactly what he has to do to save his family of brothers. Collecting a debt from the corrupt man who swindled him is his only mission. But when he meets a compassionate and determined woman, his plans change. Now, he needs to get the girl while confronting her father... Mathilda Storm will do anything for her sister—even if it means entering into a contract for a

loveless marriage. After all, it will solve her family's problems. But she doesn't count on meeting a broad-shouldered, rugged Scottish laird. And resisting him is harder than she imagined. As the chemistry between Callum and Mathilda ignites, Mathilda is torn between her desire and her need to help her family. Can the practical daughter marry the Scot without losing her heart along the way?

Notes from the Hyena's Belly Nega Mezlekia, 2015-04-07 In this acclaimed memoir, Mezlekia recalls his boyhood in the arid city of Jijiga, Ethiopia, and his journey to manhood during the 1970s and 1980s. He traces his personal evolution from child to soldier--forced at the age of eighteen to join a guerrilla army. And he describes the hardships that consumed Ethiopia after the fall of Emperor Haile Selassie and the rise to power of the communist junta, in whose terror thousands of Ethiopians died. Part autobiography and part social history, *Notes from the Hyena's Belly* offers an unforgettable portrait of Ethiopia, and of Africa, during the defining and turbulent years of the last century.

Public Economics and Finance Bernur Açıkgöz, 2019-10-23 To better understand the role and importance of government, it is important to try to comprehend all aspects of public economics and

finance. This book covers many of these aspects and presents a core thesis that government is a fundamental instrument of the social welfare of communities. It provides the reader with a comprehensive overview of new era states, and answers the question, does the new era require new government policies? Over five chapters, authors from a variety of disciplines and methodological approaches cover topics such as welfare states and social policies, borrowing in the context of public debt theory, and new budgetary approaches. This volume is a valuable contribution to the field and will be appreciated by the global community of scholars.

Kustom Japan Michael McCabe, 2008-06 California popular culture has deeply impacted the world throughout the 20th century, and the East/West dialog provides inexhaustible ground for inspiration. Today, the cultural stylizations of hot rod and kustom culture are part of a nostalgic mystique that is being adopted by a growing number of young people in Japan, who see Kustom Culture as transcendent, powerful, and most importantly, defining. The Japanese visionaries represented in this book continue to embrace, digest, perfect and transform powerful sub- and mainstream realms of expression. Mike McCabe (TM)s photographs and words are a fresh and amazing testament to this process of reinvention. * Bilingual English and Japanese

Darkspell Katharine Kerr,2010-06-02 On the long roads of Deverry ride two mercenaries whose fates like hidden deep in that of their own land. But Lord Rhodry, exiled from the dragon court of

Aberwyn, has yet to discover his true parentage, and his swordmaster-lover, Jill, has barely glimpsed her awesome powers. Meanwhile, the ancient sorcerer Nevyn, held back by his vows from boldly intervening in their lives, can only watch and wait as Rhodry and Jill move ever closer to danger. For as the two struggle to recover the Great Stone, the mystic jewel that guides the conscience of the kingship of Deverry, malevolent dark masters are weaving terrifying spells against them--and displacing messengers of death. Katharine Kerr has extensively rewritten Darkspell, incorporating major changes in the text, making this her definitive edition. Here the epic saga that began with the Daggerspell continues--a tale of might and magic, lust and glory, dark danger and poignant desires that echo from Deverry's sapphire waters to its secret mountain caverns. It's a spellbinding story destined to please fantasy lovers everywhere.

Troubling Borders Isabelle Thuy Pelaud,Lan Duong,Kathy L. Nguyen,Mariam B. Lam,2020-01-09

Juxtaposing short stories, poetry, painting, and photographs, *Troubling Borders* showcases the creative work of women of Vietnamese, Cambodian, Lao, Thai, and Filipino ancestry. This thematically arranged collection interrupts borders of categorization and gender, in what preface author Shirley Geok-Lin Lim describes as a leap over the barbed fences that have kept these women apart in these, our United States of America. The sixty-two contributors have been shaped by colonization, wars, globalization, and militarization. For some of these women on the margins of the margin, crafting and showing their work is a bold act in itself. Their provocative and accessible creations tell unique stories,

provide sharp contrasts to familiar stereotypes--Southeast Asian women as exotic sex symbols, dragon ladies, prostitutes, or bar girls--and serve as entry points for broader discussions about questions of history, memory, and identity.
