Luther and Erasmus Ernest Gordon Rupp,Philip Saville Watson,1969-01-01 This volume includes the texts of Erasmus's 1524 diatribe against Luther, *De Libero Arbitrio*, and Luther's violent counterattack, *De Servo Arbitrio*. E. Gordon Rupp and Philip Watson offer commentary on these texts as well. Long recognized for the quality of its translations, introductions, explanatory notes, and indexes, the Library of Christian Classics provides scholars and students with modern English translations of some of the most significant Christian theological texts in history. Through these works--each written prior to the end of the sixteenth century--contemporary readers are able to engage the ideas that have shaped Christian theology and the church through the centuries.

The Secrets of CEOs Steve Tappin,2008 The Secrets of CEOs reveals frank discussions with some of the West's most influential CEOs, such as Tesco's Sir Terry Leahy, Sir Martin Sorrell of WPP Group, former BP chief executive Lord Browne and Ben Verwaayen, formerly of BT. It also incorporates radical and thought-provoking comments from the heads of new corporate champions of India like Infosys, Tata and Wipro, leading Chinese and Russian companies such as Lenovo and Severstal, and US corporate giants including Google, Dell and News Corporation. This work helps readers to discover what it's really like to be a top CEO, what motivates and drives the world's top business leaders, how they really lead their businesses, the leadership skills and experience that you need to succeed in the new world of work, and how businesses and leaders are going to have to evolve in the future. Being a CEO should be one of the best jobs in the world, offering the chance to make a real difference. But real life for most CEOs is tough and many are finding it very demanding. Steve Tappin and Andrew Cave have interviewed over 150 of the world's leading CEOs at length to discover their thoughts on the reality of leadership, life and business. The Secrets of CEOs gives fascinating insights into where today's top leaders have come from and what motivates and drives them, as well as the best kind of apprenticeship to become a global leader. It also explores the secrets of dealing successfully with the five facts of life that will be critical to business success in the coming decade: profiting from hard globalization; decoding sustainability; surfing the third wave of the web; coping with a capital crunch; and, waging the first world war for talent. How do chief executives really run their businesses? How do they need to change to ensure that their companies are successful and sustainable in the 21st century? And is it possible to have career success and a happy personal life? Discover the answers to these questions and much more in this provocative and stimulating book.

Canterbury Letters to the Future George Carey,1998 Written in the form of letters to his own grandchildren, Archbishop George Carey's Canterbury Letters to the Future explores the basics of Christian faith. In accessible language and without technical jargon, Carey explores our understandings of God, Jesus and the Holy Spirit. At the same time, he weaves in details of what is occurring today in the Anglican Communion and muses about what may lie ahead for the Christian faith.

Daily Hope for Hurting Hearts Greg Laurie,2010-01-15 The Bible calls human life a vapor. A mist. A wisp of fog. A flower that springs up in the morning and fades away by mid-afternoon. We like to think we have years to pursue our goals, raise our families, and make a difference in the world. But we just don't know. The fact is, our stay on earth is really very brief. And when a loved one unexpectedly steps out of this life into eternity, it shakes us to the core. We ask ourselves: Is heaven real? Will I see him-will I see her- again? Will we be together again? How can I know for sure? Pastor Greg Laurie crafted many of the devotionals in this book after the sudden deaprture fo his son Christopher to heaven. Each day offers comfort to bruised hearts, perspective in times of confusion and pain, and a hope that will sustain us through this life and beyond.

The James Bond Bedside Companion Raymond Benson, New revised digital edition of the classic 007 reference book from the 1980s, complete with a new Foreword by the author. THE JAMES BOND BEDSIDE COMPANION is an encyclopedic celebration of 007, who is still the world's most popular secret agent. The only book to cover all aspects of the James Bond phenomenon in a single volume, it includes: a) An intimate portrait of Ian Fleming as remembered by his friends and colleagues; b) a character study of James Bond—his background and early life, his clothing and other personal habits, his preferences in food and drink, his attitudes toward women and marriage; c) The by-products of Bondmania and the merchandising of 007; d) Detailed analyses of every James Bond novel by Ian Fleming, as well as those written by other authors through the 1980s; e) A critical look at the 007 film series—the producers, screenplays, directors, actors, soundtracks, and special effects; f) over 100 photographs; g) An Introduction written by Ernest Cuneo, perhaps Fleming's closest American friend; h) And enough facts, figures, and miscellaneous Bondian trivia to satisfy even the most ardent fan. THE JAMES BOND BEDSIDE COMPANION covers the Bond films through The Living Daylights (1987) and the novels through John Gardner's Scorpius. BIO: Raymond Benson is the highly acclaimed author of twenty-five books, six original James Bond 007 novels, three film novelizations, three short stories, and two anthologies on Bond. He is a sought-after lecturer on film genres and history. Writing as David Michaels, Benson is a New York Times best-selling author, an Edgar Alan Poe Award nominee, and a Readers' Choice Award winner.
