Acoustic Rooster and His Barnyard Band Kwame Alexander, 2011-09-01 When a jazz-loving rooster sets his sights on winning a barnyard talent show, he realizes he can't do it as a solo act. He's up against the talents of Mules Davis's cool duo and Ella Finchgerald's singing group. Acoustic Rooster calls on friends like pianist Duck Ellington, singer Bee Holiday, and percussionist piggy Pepe Ernesto Cruz. Together, the foursome makes beautiful music as they rock the barnyard. And while they may not win first prize, Acoustic Rooster realizes he has the world's best jazz band and that's all that matters. Colorful artwork from artist Tim Bowers (*Memoirs of a Goldfish*) ensures this story doesn't miss a beat. A glossary of musical terms and instruments rounds out this perfect introduction to jazz for young readers. Kwame Alexander is a poet, publisher, and an award-winning producer of literary programs. He has written for television, the stage, and authored 13 books. He conducts writing/publishing workshops at schools and conferences throughout the country. Kwame lives in the Washington, D.C. area. Tim Bowers has illustrated more than 25 children's books, garnering such awards as the Chicago Public Library's Best of the Best list. His work for *Sleeping Bear* includes *First Dog* and *First Dog's White House Christmas*. Tim lives in Granville, Ohio.

My Sister the Vampire #1: Switched Sienna Mercer, 2009-03-03 Don't miss this fun tween vampire series, featuring regular girl Olivia and goth girl Ivy! When Olivia Abbott moves to town, she's excited to join the cheerleading team and make new friends. Then she meets Ivy Vega. At first, Ivy, pale and dressed all in black, looks like Olivia's opposite. Then the girls look beyond the glittery pink blush and thick black eyeliner to discover they're identical—identical twins! Olivia and Ivy are brimming with plans to switch places and pull every twin trick in the book. But Olivia soon discovers that she and Ivy aren't exactly the same. Ivy's a vampire. And she's not the only one in town. “Cute caper. For those who crave vampire lite, the novel features likable heroines and comical scenarios.” (Publishers Weekly)

Contemporary Dualism Andrea Lavazza, Howard Robinson, 2014-02-03 Ontological materialism, in its various forms, has become the orthodox view in contemporary philosophy of mind. This book provides a variety of defenses of mind-body dualism, and shows (explicitly or implicitly) that a thoroughgoing ontological materialism cannot be sustained. The contributions are intended to show that, at the very least, ontological dualism (as contrasted with a dualism that is merely linguistic or epistemic) constitutes a philosophically respectable alternative to the monistic views that currently dominate thought about the mind-body (or, perhaps more appropriately, person-body) relation.

With a Little Help Cory Doctorow, 2015-07-16 With a Little Help is my first serious experiment in self-publishing. I've published many novels, short story collections, books of essays and so on with publishers, and it's all been very good and satisfying and educational and so on, but it seems like it's time to try something new. With a Little Help consists of 12 stories, all reprints except for Epoch (commissioned by Mark Shuttleworth).
