Susan L. Glosser

Millennial Monsters Anne Allison,2006-06-30 Millennial Monsters explores the global popularity of Japanese consumer culture--including manga (comic books), anime (animation), video games, and toys--and questions the make-up of fantasies and capitalism that have spurred the industry's growth.

Puss in Boots Penguin Group Australia,2001-10

Twelve Years a Slave Solomon Northup,2024-01-04 Filmatised in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup

(c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

The Postcolonial Biblical Reader R. S. Sugirtharajah, 2008-04-15 This wide-ranging Reader provides a comprehensive survey of the interaction between postcolonial criticism and biblical studies. Examines how various empires such as the Persian and Roman affected biblical narratives. Demonstrates how different biblical writers such as Paul, Matthew and Mark handled the challenges of empire. Includes examples of the practical application of postcolonial criticism to biblical texts.

Considers contemporary issues such as diaspora, race, representation and territory. Editorial commentary draws out the key points to be made and creates a coherent narrative.

Sleepy Little Fox ,2016

Sissy Dreams: From Boyfriend to Girlfriend Paul Zante, Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

Japan in Print Mary Elizabeth Berry,2006-02-16 A quiet revolution in knowledge separated the early modern period in Japan from all previous time. After 1600, self-appointed investigators used the model of the land and cartographic surveys of the newly unified state to observe and order subjects such as agronomy, medicine, gastronomy, commerce, travel, and entertainment. They subsequently circulated their findings through a variety of commercially printed texts: maps, gazetteers, family encyclopedias, urban directories, travel guides, official personnel rosters, and instruction manuals for everything from farming to lovemaking. In this original and gracefully written book, Mary Elizabeth

Berry considers the social processes that drove the information explosion of the 1600s. Inviting readers to examine the contours and meanings of this transformation, Berry provides a fascinating account of the conversion of the public from an object of state surveillance into a subject of self-knowledge. *Japan in Print* shows how, as investigators collected and disseminated richly diverse data, they came to presume in their audience a standard of cultural literacy that changed anonymous consumers into an us bound by common frames of reference. This shared space of knowledge made society visible to itself and in the process subverted notions of status hierarchy. Berry demonstrates that the new public texts projected a national collectivity characterized by universal access to markets, mobility, sociability, and self-fashioning.

Mapping Early Modern Japan Marcia Yonemoto, 2003-04-21 Annotation This is a book about geographical imagination through the prism of maps, travel accounts, fiction, and other cultural works that helped fashion understandings of space and place in early modern Japan.

Bicycle Citizens Robin M. LeBlanc, 2023-09-01 While the typical Japanese male politician glides through his district in air-conditioned taxis, the typical female voter trundles along the side streets on a simple bicycle. In this first ethnographic study of the politics of the average female citizen in Japan, Robin LeBlanc argues that this taxi-bicycle contrast reaches deeply into Japanese society. To study the relationship between gender and liberal democratic citizenship, LeBlanc conducted extensive ethnographic fieldwork in suburban Tokyo among housewives, volunteer groups, consumer cooperative movements, and the members of a committee to reelect a female Diet member who used her own housewife status as the key to victory. LeBlanc argues that contrary to popular perception, Japanese housewives are ultimately not without a political world. Full of new and stimulating material, engagingly written, and deft in its weaving of theoretical perspectives with field research, this study will not only

open up new dialogues between gender theory and broader social science concerns but also provide a superb introduction to politics in Japan as a whole.

Tropical Plant Science G. K. Berrie,A. Berrie,J. M. O. Eze,1987

Republican Beijing Madeleine Yue Dong,2003-08-04 The first comprehensive history of Republican Beijing, with a focus on social and cultural life in the city. This book examines how Republican Beijing, through the very processes of modernization and the material and cultural practices of recycling, acquired its identity as a consummately traditional Chinese city.

Chinese Visions of Family and State, 1915-1953 Susan L. Glosser,2003-02-12 At the dawn of the twentieth century, China's sovereignty was fragile at best. In the face of international pressure and domestic upheaval, young urban radicals—desperate for reforms that would save their nation—clamored for change, championing Western-inspired family reform and promoting free marriage choice and economic and emotional independence. But what came to be known as the New Culture Movement had the unwitting effect of fostering totalitarianism. In this wide-reaching, engrossing book, Susan

Glosser examines how the link between family order and national salvation affected state-building and explores its lasting consequences. Glosser effectively argues that the replacement of the authoritarian, patriarchal, extended family structure with an egalitarian, conjugal family was a way for the nation to preserve crucial elements of its traditional culture. Her comprehensive research shows that in the end, family reform paved the way for the Chinese Communist Party to establish a deeply intrusive state that undermined the legitimacy of individual rights.

Affective Health and Masculinities in South Africa Hans Reihling, 2020-04-03 **Affective Health and Masculinities in South Africa** explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender

studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

Marrow of the Nation Andrew D. Morris, 2004-09-13 Publisher Description

Hygienic Modernity Ruth Rogaski, 2004-11-29 Placing meanings of health and disease at the center of modern Chinese consciousness, Ruth Rogaski reveals how hygiene became a crucial

element in the formulation of Chinese modernity in the nineteenth and twentieth centuries. Rogaski focuses on multiple manifestations across time of a single Chinese concept, weisheng—which has been rendered into English as hygiene, sanitary, health, or public health—as it emerged in the complex treaty-port environment of Tianjin. Before the late nineteenth century, weisheng was associated with diverse regimens of diet, meditation, and self-medication. Hygienic Modernity reveals how meanings of weisheng, with the arrival of violent imperialism, shifted from Chinese cosmology to encompass such ideas as national sovereignty, laboratory knowledge, the cleanliness of bodies, and the fitness of races: categories in which the Chinese were often deemed lacking by foreign observers and Chinese elites alike.

An Artistic Exile Geremie Barmé, 2002-12-03 Publisher description

Modesty Clifton Fahie Jr, 2021-10-15 Prepare to enter a world where a nation so great is finally tested as if jackals and lions collide. Will Valkar be a jackal or a lion?

Lance Out Loud Pat Loud, 2012 Lance Loud came to represent the gay community, and in

addition, embodied the creative spirit and genius of outsider status that became the 1980s and fuelled so much of what has evolved today in our culture in terms of art, music and literature. In 2003, PBS broadcast the program, *Lance Loud: A Death in an American Family*, which was filmed in 2001 while visiting the family again, at the invitation of Lance before his death at age 50. As seen here, short as Lance's life was, it was a monumental one that continues to resonate to the present day.

The book delves into Fairy Tail Chibi Freed Justine Free Paper Toy Download. Fairy Tail Chibi Freed Justine Free Paper Toy Download is a vital topic that must be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Fairy Tail Chibi Freed Justine Free Paper Toy Download, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to Fairy Tail Chibi Freed Justine Free Paper Toy Download
- Chapter 2: Essential Elements of Fairy Tail Chibi Freed Justine Free Paper Toy Download
- Chapter 3: Fairy Tail Chibi Freed Justine Free Paper Toy Download in Everyday Life
- Chapter 4: Fairy Tail Chibi Freed Justine Free Paper Toy Download in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of Fairy Tail Chibi Freed Justine Free Paper Toy Download. The first chapter will explore what Fairy Tail Chibi Freed Justine Free Paper Toy Download is, why Fairy Tail Chibi Freed Justine Free Paper Toy Download is vital, and how to effectively learn about Fairy Tail Chibi Freed Justine Free Paper Toy Download.
3. In chapter 2, this book will delve into the foundational concepts of Fairy Tail Chibi Freed Justine Free Paper Toy Download. This chapter will elucidate the essential principles that must be understood to grasp Fairy Tail Chibi Freed Justine Free Paper Toy Download in its entirety.
4. In chapter 3, this book will examine the practical applications of Fairy Tail Chibi Freed Justine Free

Paper Toy Download in daily life. This chapter will showcase real-world examples of how Fairy Tail Chibi Freed Justine Free Paper Toy Download can be effectively utilized in everyday scenarios.

5. In chapter 4, this book will scrutinize the relevance of Fairy Tail Chibi Freed Justine Free Paper Toy Download in specific contexts. The fourth chapter will explore how Fairy Tail Chibi Freed Justine Free Paper Toy Download is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about Fairy Tail Chibi Freed Justine Free Paper Toy Download. This chapter will summarize the key points that have been discussed throughout the book. The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Fairy Tail Chibi Freed Justine Free Paper Toy Download.
