Accelerating Literacy for Diverse Learners Socorro G.

Herrera,Shabina K. Kavimandan,Della R. Perez,Stephanie Wessels,2017 Research indicates that the culturally responsive teaching strategies outlined in this book accelerate literacy, language development, and academic growth for students in grades K–8, particularly for English language learners. Completely revised and updated, this bestselling resource speaks to the social-emotional needs of learners and helps teachers support each child's development of a positive self-concept. The authors present best practices, aligned with reading and content standards, and tools for developing academic talk and instructional conversations in the classroom. Special emphasis is placed on using student culture and language as a means for promoting meaningful relationships among communities of learners. The text includes tips for using the strategies for parental involvement, gathering knowledge of the student's background, and

promoting social-emotional learning. A companion website provides new video of the strategies being used in classrooms. Accelerating Literacy for Diverse Learners provides teachers a powerful framework to guide their decisionmaking processes in support of their students' sociocultural, linguistic, cognitive, and academic biographies. The book presents a varied set of strategies that actively engage students in communicating, displaying, sharing, analyzing, reflecting on, and using their own understandings to develop new understandings and gain access to a high-quality curriculum. —Ester J. de Jong, EdD, professor, University of Florida, and 2017-18 President of TESOL

**The In-Between Place** Kat Armstrong, 2021-01-05 Jesus' journey to the woman at the well in Samaria offers insights and hope for women today to make peace with the past, find hope in the present, and step into the future. God wants us to move toward the goodness He has planned for us. But what do we do when challenges stop our forward momentum? What's the next step when we fall into a pit of despair with the determination knocked right out of us? On his way from Judea to Galilee, Jesus traveled through Samaria, a broken place everyone knew to avoid. In Samaria he stopped in Shechem, where

evil had gained such a foothold of power that it eventually reigned. Yet the place once condemned as somewhere no one wanted to visit—let alone hang out in for a while—was the location of one Samaritan woman’s most hope-filled encounter with the Savior. The In-Between Place offers deeply important insights to anyone who feels stuck and can’t see a way forward. It is for the person who feels that if she looks left, her face will be scraped by an immovable boulder, and if she looks right, she’ll see nothing but hard to handle. It’s for the person who feels lost and is not sure she is worth the effort to be found, for the person who feels overlooked and unfulfilled. Because sometimes Jesus saves our greatest spiritual breakthroughs for our in-between places.
