*Water+Ink Coloring Book Winter 2020* Kim Winberry, 2019-07-22 I begin my paintings with a sketch and application of colorful/bright pigment and water to the paper. I disrupt the blends with salt or water, watching as one color blossoms in water, as another color starts to travel across the paper. I utilize India Ink to demarcate changes, also adding swirls and other artifacts, in the aim to achieve whimsy. My coloring books are my paintings! I run the paintings through filters and drop the color from them, leaving the lines so that you can add your own color. But wait, there's more... I've added an Augmented Reality component to this. Wonder what colors I used for that piece in the corner there? Take out your phone, download the Zappar app from your app store and zap the code. What happens? At the very least an image of the original painting will pop up and you can see what it looks like, side by side with the coloring page. Beyond that, you'll meet Mist, my liaison to the AR world. She will be a recurring character in all my AR work. Stay tuned and enjoy.

**Achtung-Panzer!** Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

**Humble Homes, Simple Shacks, Cozy Cottages, Ramshackle Retreats, Funky Forts** Dr Derek Diedricksen, 2012-02-01 This Old House meets Wayne's World in this zany guide to designing and building tiny homes Derek Diedricksen has always had a love for small, modest houses ever since his father gave him the book *Tiny Tiny Houses* by Lester Walker for his tenth birthday. Combining his artistic abilities, wild imagination, and his passion for small houses, he self-published *Humble Homes, Simple Shacks, Cozy Cottages, Ramshackle Retreats, Funky Forts, and Whatever the Heck Else we could Squeeze in Here* in 2009. This book is a collection of Diedricksen's creative/imaginative sketches for building small houses, shacks, cottages, and forts. The sketches are accompanied with hand-written commentary, both instructive and comical. Derek's main purpose is to get your creative juices flowing and encourage you to get off the couch and use your hands. Believing that specific building plans squash creativity, he avoids too many detailed instructions, giving you the chance to put your own creative spin on your very own small abode (even if it is just in your imagination).

**Fetishism in Fashion** Lidewij Edelkoort, 2013 This book delves into the fetishistic world of contemporary fashion to reveal a daring and instinctive future for style and culture. It investigates topics including the evolution of taste from birth to adulthood, the elevation of shoes through ever-higher heels, the psychology of branding, the effects of infantilism, the power of the color black, the fetishizing of objects, and the interaction of architecture, fashion, and the body. The avant garde art performances of Leigh Bowery are highlighted in honor of his continually growing influence on contemporary culture. Talent is sourced from around the globe, focusing on innovative and original content that illustrates a dramatic shift in aesthetics. Bolder, crazier, and more outlandish styles are on the fashion horizon, making this book a key reference in a new era of experimentation and intense creativity.

**If Anything Happens I Love You** Will McCormack, Michael Govier, 2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred

Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

**Embrace the Night** Karen Chance, 2008-04-01 View our feature on Karen Chance's *Embrace the Night*. Cassandra Palmer may be the world's chief clairvoyant, but she's still magically bound to a master vampire. Only an ancient book called the Codex Merlini possesses the incantation to free Cassie-but harnessing its limitless power could endanger the world... Read Karen Chance's posts on the Penguin Blog.

**I Guarantee It** George Zimmer, 2021-09-21 America knew George Zimmer for one of the most famous slogans in television advertising history: “I guarantee it.” Zimmer rode his promise to lead the Men’s Wearhouse to unimagined success as a retail giant. Now, years removed from his stunning dismissal as leader of the company he founded, *I Guarantee It* recounts the journey of Zimmer’s rise, the fall of the Men’s Wearhouse, and his personal renewal. For forty-one years, George Zimmer forged a relationship with American men who wanted to like the way they looked without getting too fussy about it. He made them a promise that came straight from the shoulder: “I guarantee it,” he said, and it was ironclad. By the millions, customers walked into The Men’s Wearhouse stores in all fifty states and Canada, where they received “quality, service, and a good price,” where they bought suits, ties, sports coats, and slacks by the tens of billions of dollars. Then a backstabbing — the handpicked board of directors fired Zimmer from the company he had created and developed into the most successful men’s specialty store in world history. Eight years later, Zimmer is back to tell his story: a man raised by a prosperous and loving family, a fun-loving son of the sixties, a merchant, an entrepreneur, a pitchman for the ages. Zimmer’s ouster devastated but did not destroy him. His is a story of hard work and resilience, about a life in business that succeeded beyond belief and followed the Golden Rule. It’s a story that will teach and inspire. He guarantees it.

**Earth Sound Earth Signal** Douglas Kahn, 2013-08-30 *Earth Sound Earth Signal* is a study of energies in aesthetics and the arts, from the birth of modern communications in the nineteenth century to the global transmissions of the present day. Grounded in the Aeolian sphere music that Henry David Thoreau heard blowing in telegraph lines and in the Aelectrosonic sounds of natural radio that Thomas Watson heard in telephone lines, the book moves through the histories of science, media, music, and the arts to the 1960s, when the composer Alvin Lucier worked with the natural electromagnetic sounds present from brainwaves to outer.

**Hoyle's Rules of Games** Philip D. Morehead, 2001 Provides rules, strategies, and odds for card, indoor, and computer games.

**Words Painting Music** Todd Board, 2021-04 We all have our own mythology, that is, our coherent system of meaning and value. Too often our myth remains safe, habitual, reductionist, and unexamined. In my sample-of-one experience, the most expansive and honest inner life emerges when we tire-kick our myths, and wade into a creative blank space not to find pat answers, but to interrogate our myth and see what recurs, and links, and echoes when you step away. As much as possible, this is a five-sense experience, which invites language, images, sounds, and other senses to engage and reflect each other. Occasionally, this process will politely nudge the inner life aside and generate some fairly memorable outer-life perceptions and experiences. *Words Painting Music* attempts to capture some of this flavor.

**Frostburn** Wolfgang Baur, James Jacobs, George Strayton, 2004 A complete guide to playing D&D in the ice and snow. This 4-color supplement begins a new series of releases that focus on how the

environment can affect D&D gameplay in every capacity. Frostburn contains rules on how to adapt to hazardous cold-weather conditions, such as navigating terrain with snow and ice and surviving in bitter cold or harsh weather. There are expanded rules for environmental hazards and manipulation of cold weather elements, as well as new spells, feats, magic items, and prestige classes. New monsters associated with icy realms are included, as well as variants on current monsters. There is enough adventure material included for months of gameplay.
